

Send Your Kid to College, Keep Your Money At Home

ATTENTION PARENTS!

If you have a high school Freshman, Sophomore, or Junior who plans to attend college then you MUST attend this workshop!

AS SEEN IN: USA TODAY U.S. News & World Report UNITED TALK 550 NASA am700 ksey R DAVE RAMSEY abc 13 1070 AM KNTH MONEY ON

Topics Include:

- How to send your child to the school of his or her dreams... without getting trapped in a financial nightmare of debt.
- Why, although well-intentioned, the advice you've received from your CPA or money manager may hurt your eligibility for financial aid.
- Understanding "fit" from the college's perspective.
- The surprising reasons your 529 College Savings Plans will make college *less* affordable not more.
- The single biggest mistake parents make when applying for aid that literally costs them thousands of dollars!
- How colleges view the application process (understanding this could double the amount of scholarships your student receives!)
