MUSIC NOTES

Second Grade:

We are in the final stages of planning for the upcoming production of “It’s a Jungle Out There!” on **Thursday, May 10th**. This is a part of our curriculum and all 2nd grade students are expected to participate in this exciting experience at the 9:30 a.m. production. We will also have an evening performance at 6:30 p.m. Every child has an important part in the program. Each student will need to wear **long blue jeans and tennis shoes** on the day of the show. Shirts are being provided as part of your child’s costume. Your child will dress in their character shirt once they get to school. When the show is over, the shirts will remain at JHE to be used in future productions. Robert Land Productions will be exclusively videotaping “It’s a Jungle Out There!” at the evening performance. You can order a video by completing the attached form and returning it with your payment to your homeroom teacher or you can order online. See the attached form for more information. Please make checks payable to “**Robert Land Productions**”. If you have any questions, please feel free to contact me at

THE ART PALETTE

All JHE art students have been creating an original ‘cartoon character’ emphasizing a large head and a small body! Students are learning about the famous Walt Disney and his life work in animation and how Disney developed his ideas. Watch for these amazing creations to come home in the weeks to come!
