Attendance is Important!

We need your help! Wilbur has set a goal to increase our average daily attendance from 88.21% to 91.85% this year! Please call us if you need help with this!

WEEKLY INFORMATION

Chocolate sales have begun! Students must have a signed permission slip in order to sell the candy. Once they turn that in they can begin selling for prizes. Remember that once that is signed the parent is responsible for the money due. We have told students they are not allowed to sell during the school day and the candy must be in their locker during the school day.

STUDENT INFO

Students may enter the building starting at 7:30am

Students must put cell phones in locker if they are seen they will be taken.

Students must have a school ID on at all times.

October 22nd will be this year's Immunization Exclusion Day. If your student needs immunizations emails have been sent out and the letters will be sent out this coming week so be looking for them in the mail.

There has also been a change to the COVID/Flu/Illness protocols. If a student has tested positive for COVID/FLU or has been kept home due to fever (100.4 or higher), the student may return to school after being fever free for 24 hours without the use of fever reducing medications and they feel well enough to return to school.

School drop off and pick up!

Parents, our students' safety is our top priority! When dropping your students off in circle drive during the morning, we will have two lanes running, the first lane being the inner right lane and the middle lane. These lanes need to be moving continuously. If you cannot quickly drop your student off, please pull all the way through to the parking lot and park. Please be mindful of students exiting cars.

After school pickup, we can only have one lane filled. The middle and outer lanes must not have cars in them. This is for traffic to continue to the parking lot to park and pick up kids. If you are exiting on Tyler, you must only turn right. If these two rules are not being followed, we will have law enforcement out to ticket. You may also park in the back of the building, not blocking the bus circle, or on Second Street or in neighborhood streets. You may not park across the street at the dentist, McDonald's, or Braum's. They will be contacting law enforcement as well.
