MUSIC NOTES

Elementary Choral Workshop

Congratulations to Elizabeth Betancourt, Ryan Johnson, and Maria Millan in 5th grade. They were selected through an audition process to participate in the Katy ISD Elementary Choral Workshop on May 19 at Paetow High School. These students will be joining a very limited number of students from each elementary campus in Katy ISD. They have participated in extra

rehearsals after school and will attend an all-day rehearsal with professional out-of-district guest elementary choral conductor, Dr. Ryan Fisher. Dr. Fisher is currently the Associate Director of Choral Activities at the University of Memphis, conducts the Chamber Choir and is coordinator of the music education program. The selected students from across the district will perform a concert for parents and the community at 3:00pm on May 19 at the Paetow High School Performing Arts Center.

Second Grade

Thank you to all the families and friends that were in attendance for the 2nd grade production of "It's a Jungle Out There!" the musical. The kids did an amazing job and I was so proud of them! The performance was professionally videotaped at the evening show. If you are still interested in a copy of the recording from the performance, please visit the link below to submit your order. If you have any questions, please feel free to contact me at KimberlyPeterson@katyisd.org.
