It’s already time to start planning for next year! We will soon begin the process of class selection for students for the 2018-2019 school year. Our staff has a collaborative process in place to find the best placement for each child. A form titled “Student Placement-Parent Input” is available in the front office. We cannot accept requests for a specific teacher, yet if your child has a learning style you would like considered or if there are special circumstances you would like to make us aware of, please complete the “Student Placement-Parent Input” form in our front office and submit it back to us by Friday, April 20th. All information will be reviewed and considered when formulating class lists.
