## WILLIAM A. SHINE - GREAT NECK SOUTH HIGH SCHOOL GUIDANCE OFFICE 341 LAKEVILLE ROAD GREAT NECK, NEW YORK 11020 516-441-4820

December 2022

Dear Parents/Guardians and Members of the Junior Class:

One of our important functions is to assist your son or daughter in post high school planning. The formulation of after graduation plans can be a very significant learning experience for both students and parents and we believe that adequate time should be allotted for it.

For those students who are college-bound, the procedure becomes more and more complex as they delve into the areas of college selection, admissions tests, cost, visiting campuses and the many other facets involved in applying to colleges. Much of the uncertainty and anxiety related to college application can be alleviated by some "spadework" prior to the senior year. Invariably, hasty, last minute planning helps create confusion and anxiety.

A vital ingredient to sound planning is communication among the student, parent, and counselor. We recommend that before the senior year begins an individual parent-student-counselor conference be held which should serve as "springboard" for the year ahead. This meeting won't provide all the solutions to post high school planning but we do feel that a sharing of our thoughts at an early stage will be mutually beneficial.
