Dear Parent/Guardian,

The 2016-17 School Report Card (SRC) for your child's campus is now available from the Texas Education Agency. It is to be made available to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the "2016-17 School Report Card Definitions" accessed online at <http://tea.texas.gov/perfreport/src/index.html>. The report may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the School Report Card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Card can be found online at:

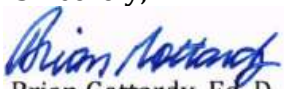

<https://www.neisd.net/site/Default.aspx?PageID=1043> or
<https://rptsvr1.tea.texas.gov/perfreport/src/2017/campus.srch.html>

A more complete report about each campus, the Texas Academic Performance Report (TAPR), is available by contacting the school office or can be accessed online at:

<https://www.neisd.net/Page/18975>

We hope you find the School Report Card useful. If you have any questions regarding the School Report Card information, please contact the campus administration at your child's school.

Sincerely,

Brian Gottardy, Ed. D.
Superintendent of Schools
