Dear Trailblazer Family,

Thank you for the support as we returned to school this week. We had a great week. I hope everyone will take advantage of all of the opportunities at Early College High School. We want all of our students to make the grades they are capable of making and have many things in place to help them be successful. One of those services will begin next week. Our Tutoring will begin on Tuesday of next week. The services will be available on Tuesday, Wednesday, and Thursday. The available subjects and times will be posted on the Google Announcement Page.

Please make sure your child is prepared for Picture Day on September 20th. If your student purchased a Junior Class Ring, the Junior Ring Ceremony is September 24th at 6:00 p.m. in the Cafe.

Please make sure you note the Make-Up Day Announcement. The days that we will be making up our missed time are:

Nurse's Corner

Let's talk about...VACCINATIONS.

As I am in the process of reviewing immunization records, I have become aware of a large number of our students who have not received, or have not completed the series, for **HPV** (Human Papillomavirus) and **Meningitis**. Although these immunizations are not required for school attendance, they are highly recommended by the CDC (**Centers for Disease Control and Prevention**).

According to the CDC:

HPV vaccination is CANCER PREVENTION. While most U.S. adolescents are starting the HPV vaccine series, **less than half** have finished the HPV vaccine series. Every year that adolescents aren't vaccinated is another year they are left unprotected against cancer-causing infections. If your teen has been unable to complete the series, consider calling your child's physician to make an appointment to do so.

Meningococcal disease has two common outcomes: *meningitis* (infection of the lining of the brain and spinal cord) and *bloodstream infections*. The 5 primary types of bacteria that cause meningococcal disease (Types A, C, W, Y and B) spread through the exchange of nose and throat droplets, such as when coughing, sneezing, or kissing. **Symptoms include sudden onset of fever, headache, and stiff neck.** With bloodstream infection, symptoms also include a dark purple rash. **About one of every ten people who gets meningitis dies from it.** Survivors of meningococcal disease may lose their arms or legs, become deaf, have problems with their nervous systems, become developmentally disabled, or suffer seizures or strokes.

The latest vaccination, MenB, is recommended for teens, ages 16–18, against Type B bacteria. Even if your teen already received the MCV4, which covers meningitis A, C, W and Y, they may not be protected against MenB.

If you are unsure if your child is up to date on the recommended vaccines, check with your child's healthcare professional(s) for their most current record.

If you have any questions or concerns regarding student health issues, please call me at 843-349-3143.

ATTENDANCE POLICY

Attendance – General Statement on Horry County Schools Policy

The South Carolina Attendance laws and policies are in the *Horry County Schools Parent Student Handbook*. ECHS will use the following procedures and policies to process student attendance. SC Truancy Law is defined in the handbook, as well.

High School Class Absences - Students will be allowed five (5) unexcused absences in a semester class, which meets every day to receive credit for the course. The Truancy Law states: A child who has accumulated three (3) consecutive unlawful absences or a total of five (5) unlawful absences in a school year is considered Truant.

Lawful absence - Lawful absences do not count against the student's total number of allowed absences and they include:

- a) Illness or medical appointment; documentation must be provided upon return
- b) Late bus
- c) Administrative or guidance reasons
- d) School sponsored trips or activities
- e) Extenuating circumstances approved by the principal
- f) District Approved Religious holiday

*On the morning of the student's return to school following an absence (excused or unexcused), a written excuse must be turned into the school secretary, in the main office. Students are cautioned that notes and excuses will be verified by the office, and forgeries will be dealt with as an administrative disciplinary matter.

Exceeding 5 absences - You WILL have to repeat the course, attend afterschool make-up or attend Summer School. SC attendance policy state, "Students who have absences in excess of those allowed by law and policy will be denied credit regardless of their grade."

ECHS tardy policy - Students who are tardy to school should report to the main office.

- 1st Tardy – Warning;
- 2nd Tardy - Students will be required to take the tardy policy home and have it signed by a parent/guardian
- 3rd Tardy – 2nd Warning
- 4th Tardy – Letter to parent
- 5th Tardy – Administrative Detention – 30 minutes
- 6th Tardy – Administrative Detention – 1 hour
- 7th Tardy – Administrative Detention – 2 hours

Sign out early - Prior to the start of the school day, a note signed by a parent/guardian that includes the following information should be submitted to the school secretary: student's name, date/time, phone number where parent can be reached to verify request, reason for early dismissal, and parent/guardian signature. If a student wishes to leave early without a note or without a parent/guardian physically present, permission must be verified by the school secretary before the student can leave. Arrangements will be made to dismiss the student at the appropriate time. If parents come to sign students out, we request that they do so during the change of classes so as not to interrupt instruction. The early dismissal does count as an absence unless it is for an excused reason as listed above. If a student misses a college class, the professor will count it as an absence regardless of the cause.

School Tardy due to Late Bus - All students who arrive on a school bus after the 7:55 class start time will be issued a late bus pass from the main office. It is the student's responsibility to obtain this pass and present it to the classroom teacher. **The only excused tardy is for bus riders on a late bus or students with a medical or legal note.**

Excused pass - Students that arrive to school with a medical or legal note should report to the office upon arrival for an excused tardy pass.

Do traffic and/or car problems count as an excused tardy? No, traffic and mechanical issues are not excused reasons for tardiness. Be aware that some college courses will count excessive tardies as a full absence regardless of reason. Check your syllabus and plan accordingly.

DRESS CODE

Our dress code has been developed to help students prepare for the world of work/college. The dress code has been developed with modesty and appropriateness in mind. According to the Horry County School District Policy, student dress must conform to the following regulations:

1. Attire must comply with requirements for health and safety. (This prohibits the wearing of chains and studded clothing or accessories.)
2. Hats/Headwear, sunglasses, headphones/earplugs, sweatbands, combs/picks, hoodies, headscarves, bandanas, headgear, head coverings, and sunglasses are prohibited inside school buildings.
3. **The possession of all bandanas is prohibited at ECHS.**
4. Shoes must be worn at all times. No bedroom shoes/slippers are allowed at any time.
5. **Pants & shirt must overlap at all times.** Clothing should be worn so that undergarments are not visible.
6. Attire must not display any sexual behavior, sexual innuendos, or ethnic derogatories.
7. Items such as spiked jewelry (including body piercings), padlocks, chains, and metal heel plates are not allowed.
8. No vulgar, obscene or otherwise inappropriate symbols, language, pictures, or wording will be permitted on clothing or accessories. Clothing or accessories (ex. Bookbags, jewelry, hats, etc) that display weapons, alcohol, tobacco, or other drug symbols are not permitted. Clothing must not display any information about, representations of, or advertisements for alcoholic beverage(s), tobacco, controlled drugs, illegal drugs, or paraphernalia associated with the foregoing. Clothing which is controversial or disruptive is not allowed.
9. Attire must not be immodest, obscene, profane, lewd, vulgar, indecent, or offensive.
 - a. Shorts, skirts, and dresses, even with leggings, jeggings, etc. must be longer than the student's fingertips when in a relaxed standing position. Slits/holes in clothing must also be no shorter than the student's fingertips when extended in the relaxed position.
 - b. See-through clothing, bare midriff tops, backless blouses, shirts/tops with low necklines, halter-tops, spaghetti-strap tops, muscle shirts, and tank tops are prohibited. All shirts must cover the undergarments. It is never appropriate to show undergarments.
 - c. Gym shorts, cutoffs, bathing suits and short shorts are not appropriate at school.
 - d. Appropriate undergarments should be worn and should be covered by outer clothing.
 - e. No pajamas or pajama bottoms/pants are allowed.

** The ECH community asks that students follow the spirit of the policy and not just the letter of the restrictions. Questionable clothing will be handled on a case-by-case basis at the discretion of the administration and teachers.*

Consequences of breaking the dress code:

1st Offense: Student will be asked to come to the office and requested to change the inappropriate clothing, reverse the offending garment, or call parents. The student will not be allowed to return to class until the situation is corrected.

2nd Offense: Student will have to correct the dress code violation, parents will be notified, and the student will be assigned to afterschool administration detention. Additional discipline action will include, but not be limited to OSS and parent conference.

You must follow the instructions of the teacher or administrator regarding your dress. If you fail to do so, you will be written up for insubordination, which makes the issue worse. If you feel that your dress was unfairly criticized you may appeal to the principal.
