Week of February 11th-15th

The Principal's Desk

The AVID Family Night was a huge success. Thank you to all parents and students who attended the event. Thank you to the Ambassadors who conducted the sessions. Thank you to Mrs. Ritchie, Ms. McKoy, and the teachers for the hard work that went into making the event so awesome!

Thank you to all parents who came to the Awards Ceremony. We handed out over 140 awards. It was a great time to honor and celebrate our students and their hard work.

It is very important for all juniors to be in school on Friday, February 15th. We have an ACT/SAT Coach who will be with the students all day to prepare them for the ACT or SAT test. They DO NOT want to miss this opportunity.

Our graduation date, time, and location has been released. Due to reconstruction at the CCU-HTC Center, our graduation will be held at Carolina Forest High School Gym. Graduation will be held on June 6th at 6:00 p.m. More details will be coming for seniors and parents.

As always, please feel free to call or email me.

This year we created some new school incentives for End of Course tests. Those who got a B or higher are receiving a lunch punch card for 4 free teas, 4 free cookies, and 4 times cutting to the front of the line. Those who got an A are invited to lunch off campus with Ms. Fleming! Those who got 100 get everything already mentioned plus an ice cream party when it is a bit warmer.

Congratulations to our students who got 100 on the EOC tests in the fall!

Rising Star Students

Here at Early College, effort and commitment are the keys to success. Teachers identify Rising Star students because they are the ones trying hard every day in class, committing to studying at night, and utilizing the whole period to working. We are proud of their growth over the semester and know these skills will continue to bring success in their remaining classes.

Congratulations to all our award winners. Luckily we are in a new semester and hope to add an even longer list of names next semester!

Trailblazer Awards

This is an honor awarded each semester that recognizes a student in each grade level who exemplifies all that Early College High School stands for. This student is a leader, not only in academic achievement, but also in his/her demonstration of our school-wide outcomes: social responsibility, communication, personal responsibility, and critical thinking.

Congratulations to MarTeona, Sergio, and Iysis! We are so lucky to have you three at our school to bring positive attitudes and to be role model students!
