Dear Huebner Families,

It is with great excitement and pride that I write this letter to introduce myself as the new principal of Huebner Elementary School. I am honored to join a campus with a great reputation. As the new leader of this great campus, I can assure you that I value the traditions that have been established and I will do my best to continue them.

I have just completed my 20th year in the wonderful field of education. I have had experience working with a variety of age groups, from pre-kindergarten to middle school. My passion lies with elementary education and I am overjoyed to partner with you in ensuring the best possible educational experience for our children. My most recent assignment was as Principal of Woodstone Elementary School. I received my Bachelor's degree in Education from Pacific Lutheran University in Washington state. I also earned a Master's in Education with an emphasis in Literacy from Lesley University. Additionally, I received a Master's in Educational Leadership and Policy Studies from the University of Texas at San Antonio.

This school year, we will continue to work toward the mission of learning and leading for life. Along with the leadership team and all staff, I will strive to always hold high expectations for academic excellence for our students.

My door is open and I welcome your input. Please feel free to stop in, call, or email me to discuss any concerns, suggestions, or ideas to help make this the best year yet!

Sincerely,

Kelli Halliburton, Principal
