Week of December 3rd - 7th

The Principal's Desk

Winter is right around the corner. We have so much going on and I want to make sure everyone is aware of the events for the week.

- HGTC exams will begin next week. It is crucial that all students make it to the exam room at the correct exam time. If you have asked your child if they know the exam schedule and they say no, please have them see Ms. Fleming or the front office.
- Friday, Dec. 14th is a picture make-up day and/or retake day for 9th, 10th, and 11th grade. If you wish to retake the pictures, you must bring in the old packet.
- Friday, Dec. 14th is the kickoff to our Holiday Celebration Week. This day we will wear our Holiday Colors.
- Friday, Dec. 14th is also our annual Milk & Cookies (lemonade, tea, & water). We ask for all students, if able, to bring in a pack of cookies.

Please keep these dates in mind as we move through the week.

Parents, please take the time to check your child's grades. We have several students who are failing a course. We need your support in helping your child to be successful.

As always, please feel free to contact me at kfleming@horrycountyschools.net or call the school at 349-3131.

-Kandi Fleming, ECHS Principal

December Students of the Month

2018 December Student of the Month @ ECHS

"Being the Best That We Can Be!"

What has been your favorite moment at ECHS so far?
Having everyone around me to support me.

What are your specific interests in or outside of the school?
Community service

What are your post-high school plans?
Go to college and then start working to make a living so I can retire early.

What are your favorite clubs or community service opportunities?
The flood relief efforts was my favorite.

Landon

2018 December Student of the Month @ ECHS

"Being the Best That We Can Be!"

What has been your favorite moment at ECHS so far?
At ECHS, my favorite moment has been Bridge Week. I loved getting to know my teachers and fellow classmates early on to lessen the stress of the first day of high school. Bridge Week also allowed me to meet my Advisory Family for the first time. I cherish every Friday with my advisory, and I love our connection that we have with one another.

What are your specific interests in or outside of the school?
My interests inside of ECHS are just the same as my interests outside of ECHS. I love learning about new things each day, regardless if they relate to my school work or not. I also love hanging out with those I cherish and helping people out with homework or any life decisions they may encounter.

What are your post-high school plans?
After high school, I plan to attend Coastal Carolina University to get my Bachelor's Degree in English, Journalism, and Communications. With this degree, I plan to become an Assignment Editor for a news website. As I gain more experience as an Assignment Editor, I plan to become a freelance editor on the side as well. Finally, I also hope to write my own books in the future.

What are your favorite clubs or community service opportunities?
My favorite community service opportunities would have to be Swampfest and Baby Animal Day. I love having the opportunity to teach a group of kids how to do something interesting. I also love the experience of being a leader to a group of kids and being able to aid them in their activities.

Evelyn

2018 December Student of the Month @ ECHS

"Being the Best That We Can Be!"

Marquiez

What has been your favorite moment at ECHS so far?

My favorite moment at ECHS so far is getting accepted into the National Honor Society because it was something I have been waiting to do since middle school.

What are your specific interests in or outside of the school?

My specific interests out of school are playing basketball, football, and running track for Aynor High School, and writing poetry.

What are your post-high school plans?

After high school, I want to transfer to Clemson or Coastal to get a degree in Marketing or Business Administration.

What are your favorite clubs or community service opportunities?

My favorite clubs are National Honor Society, Mu Alpha Theta, and Recycling Club. Community service opportunities that stand out to me is being an ambassador, going to Baby Animal Day, and attending clean ups.

"Being the Best That We Can Be!"

Samantha

What has been your favorite moment at ECHS so far?

My favorite moment(s) have been Bridge Week this past summer. I was an ambassador and I had the most fun I had ever had at ECHS. I not only met freshman and helped them get adjusted to school life, but I made friends with juniors and sophomores I haven't gotten the chance to get to know yet.

What are your specific interests in or outside of the school?

I love to dance competitively and to teach children how to dance. I probably spend about fifteen hours a week outside of school to focus on dance. I love it so much because it is one of the best things that detaches myself from the real world and lets me focus on my mental, physical, and emotional health. It's also a lot of fun to dance with the friends that you have had for years and years.

What are your post-high school plans?

After high school, I want to go to Coastal and finish my bachelor's in public health. Then, I want to go to MUSC to get my doctorate. After that, I want to gain experience at a hospital and eventually open my own office.

What are your favorite clubs or community service opportunities?

My favorite community service opportunities is tutoring freshman at my school. I think I not only help the freshman, but myself. I have the opportunity to make connections with freshman that not a lot of other seniors get to have.

These students have been nominated and voted on by teachers. They exhibit the critical thinking, communication and personal & social responsibility skills that make a strong Trailblazer. Congratulations to everyone this month!
