SCHOOL TRAFFIC SAFETY PLAN

The safety of your children is our primary concern! Our parking lot and surrounding neighborhood is a difficult place to navigate and the safety of our students must be addressed. Please read the following plan so that we can all work together to ensure an efficient and safe plan for arrival and dismissal of our students.

1. Due to the limited number of parking spaces, only staff will be parking in our lot. We ask that all Mountain View families park on the street and assist your child across the street to our sidewalk via the marked crosswalk. Please do not park or leave your car unattended at any time in the parking lot, loading zones or bus zones!
2. To drop off or pick up students, please enter at the east end of our parking lot, staying in the right hand lane (next to the curb). The left lane is for thru traffic only. When entering the parking lot loading zone please do not block the sidewalk at anytime. Please watch for students and staff at all times. Do not drive through the staff parking lane at the front of the lot or enter the back parking lot unless you require one of the 2 disabled parking spaces. If traveling east on Fletcher please do not turn left into the parking lot. Go around the block to enter from the right lane. Read all signs that are posted. Do not enter, or block our neighbors driveways, trashcans or mailboxes! Do not double park anywhere for any reason. You may not leave your vehicle unattended in any yellow loading zone and you are not allowed to park in any red zone! Violations of any of these rules may result in a traffic ticket.
3. When using any of the loading zones, pull as far forward as possible before stopping to let your child enter or exit your vehicle. When dropping off, please say your good-byes quickly, and have your child's backpack within your child's reach. Please have your child exit on the sidewalk side of your car. Follow the flow of traffic to exit at the west end of the parking lot and turn right only. Please watch students crossing the driveways as you exit. Please remind your child to watch for your car at dismissal. No U-turns are allowed in front of the school anywhere at anytime!
6. Remember, student safety is our priority. If everyone follows the rules, we will facilitate a safe and more efficient traffic plan.

Always use the crosswalk

SCHOOL TRAFFIC SAFETY PLAN

¡La seguridad de nuestros hijos es nuestra mayor preocupación! Es difícil conducir dentro del estacionamiento y el vecindario aledaño y debemos discutir la seguridad de nuestros estudiantes. Por favor lea el siguiente plan para que podamos todos colaborar juntos para garantizar un plan eficiente y seguro para la dejada y recogida de nuestros estudiantes.

Debido al número limitado de lugares de estacionamiento, se podrán estacionar solamente empleados. Solicitamos que todas las familias de MViT se estacionen en la calle y les ayuden a los niños a cruzar la calle hacia nuestra acera. ¡Por favor no estacione ni abandone su vehículo en ningún momento dentro del estacionamiento, las zonas de carga y descarga de pasajeros y las zonas de autobuses!

Al entrar a la zona de carga y descarga del estacionamiento, por favor no bloqueen la acera en ningún momento. Por favor estén pendientes de los estudiantes y empleados en todo momento. No conduzcan en el carril del estacionamiento de empleados en el lote de enfrente, ni entre al lote de atrás, a menos que sea minusválido y necesite uno de los dos espacios disponibles. Por favor lea todas las señales y letreros. ¡Por favor no entre, ni se estacione en las cocheras de los vecinos! Por ninguna razón se estacione en doble fila en Loveday. No puede abandonar su vehículo en las zonas amarillas de carga y descarga. ¡Está prohibido estacionarse en las zonas rojas! Si es observado por un policía quebrantando cualquiera de estas reglas, será multado.

Para dejar o recoger estudiantes, favor de entrar por la parte este del estacionamiento, manteniéndose en el carril derecho (cerca de la acera). El carril izquierdo es para tráfico de paso solamente.

Por favor avance lo más posible antes de detenerse a dejar que baje su estudiante del vehículo. Al dejar por favor despídanse rápidamente, y tengan la mochila lista y al alcance del estudiante. Por favor haga que su estudiante se baje del lado de la escuela. Siga el flujo del tráfico para salir por la parte oeste del estacionamiento y de vuelta a la derecha solamente. Al salir, tenga presente que los estudiantes cruzan los accesos al estacionamiento.

Recuerde a sus estudiantes, que caminen rápidamente al área de la acera de enfrente o a la zona de carga y descarga a la hora de la salida. Una vez más, le pedimos que avance lo más posible en el carril cerca de la acera para recoger a la hora de la salida. Su estudiante debe estar pendiente de su llegada. ¡No se permiten dar vuelta en U en ningún lugar enfrente de la escuela!

Los estudiantes que se van en camión serán ayudados por un adulto. En ningún momento queremos que los estudiantes estén solos en el estacionamiento.

Apreciamos su cooperación para seguir estas reglas.

Por favor tómese un momento para agradecer a nuestros supervisores del plantel que se encuentran en el estacionamiento para ayudarles.

¡¡NO SE ESTACIONE EN DOBLE FILA
NI CONDUZCA RÁPIDO EN ZONAS ESCOLARES!!

Recuerde, la seguridad de los estudiantes es nuestra prioridad y pensamos que si todos seguimos las reglas, tendremos un plan de tráfico seguro y más eficiente.
