If you have an incoming 6th grader or new to Wilbur 7th or 8th grader that should have band or orchestra on their schedule, but they do not, please contact the counselors to get that changed. As a reminder if your child would like to play an instrument throughout their time in USD 259, they must start as a 6th grader, so they do not fall behind. They cannot start as a beginner player 7th grader or beyond without taking private lessons or special permission from band/orchestra directors. Counselors are happy to change any schedules to add in these electives via email or will be on site during open house Monday.

School drop off and pick up!

Parents our student safety is our top priority! When dropping your students off in circle drive during the morning we will have two lanes running. The first lane being the inner right lane and the middle lane. These lanes need to be moving continuously. If you cannot quickly drop your student off, please pull all the way through to the parking lot and park. Please be mindful of students exiting cars.

After school pickup we can only have one lane filled. The middle and outer lane must not have cars in them. This is for traffic to continue to the parking lot to park and pick up kids. If you are exiting on Tyler, you must only turn right. If these two rules are not being followed, we will have law enforcement out to ticket. You may also park in the back of the building not blocking the bus circle or on second street or in neighborhood streets. You may not park across the street at the dentist or at McDonalds or Braums. They are contacting law enforcement as well.
