The Principal's Desk

Dear Trailblazer Family,

I know we are in uncertain times. Rest assured that we are doing everything we can to stay in touch with our Early College Family. At Early College, we have set up eLearning opportunities for all students. These will be accessed through Google Classroom and D2L. The teachers will have the assignments posted daily, weekly, or for the entire 10 days. It is important for all students to complete these assignments. The assignments will be graded and the grade will be entered into PowerSchool. If the assignment is not completed, a zero (0) and an absence will be entered for the day. Once the assignment has been turned in, the grade and the attendance will be adjusted. Parents may access Google Classroom to see the assignments by requesting an access code from the teacher of the course.

Parents and Students, please know we are here for you. If you are unsure of any assignment or need additional information, please reach out to your teacher, your advisor, administration, or call the school at (843) 349-3131.

Additional Information:

Digital Device Pick Up - Parents/guardians will be allowed to pick up digital devices at HCS Early College High School (Building 400). Parents will be required to sign an [Elearning Parent Permission/Usage Form](#) if picking up a computer device. The reduced technology fee (\$12) may be paid directly to the bookkeeper at the school when the parent picks up the device, or online at My Payments Plus (<http://www.mypaymentsplus.com>).

Pick up times for devices or hard-copies of the assignments will be as follows:
