The SASTEMIC Camp will be held June 18th – 22nd, 2018
9:00am-12:00pm or 1:00pm-4:00pm each day
(There is no transportation for this camp)

There is no cost to attend! Lunch will be provided!

Participants must be a current NEISD student and completed their 6th grade year as of June 7th
Applications are accepted until May 9, 2018 at 4:45p.m. Participants are selected with a lottery system. Space
is limited to 30 students per morning and 30 students per afternoon session.

RETURN APPLICATIONS TO:
NEISD Career & Technical Department
8961 Tesoro Drive, Suite 403
San Antonio, Texas 78217
Or speak to your campus/Career Tech teacher about internal mail options

The SASTEMIC Camp provides female students an opportunity to learn about Raspberry Pi’s, EV3
Robotics, Video Game Design, Micro:bits, and App Innovator through classes and hands-on
activities. Additionally, students will experience the Geekbus, a mobile makerspace that brings
STEM education into the classroom. This program is a partnership with the Career & Technical
Education Department of North East Independent School District and SASTEMIC.

Please complete this application and return it to Career & Technical Education, North East Independent
School District, 8961 Tesoro, Suite #403, San Antonio, TX 78217 or fax to (210) 805-1281. If you have any
questions, please contact Fred Losoya at 407-0294.

Students: Please know that you may have assigned readings and light homework throughout the camp week, so by completing and submitting this application, you are agreeing to fully participate in such activities.

Students and Parents: This camp will take place on the campus of Bradley Middle School. NEISD and SASTEMIC reserve the right to dismiss a student from a camp for any violation of the district discipline policy and the student’s parent and/or guardian will be asked to pick-up the student from the camp immediately and will not be allowed to participate in the remainder of the camp.

ENROLLMENT AGREEMENT
Students will be expected to adhere to District policies at all times during this camp. NEISD and SASTEMIC reserve the right to remove a student from the camp for any violation of district policy or if there is safety concerns for the student or others. Your signature below gives permission for your student to participate in The SASTEMIC Camp activities and your permission to film/interview/photograph your student to be used by SASTEMIC, Bradley Middle School, and NEISD for media and advertising purposes.

The SASTEMIC Camp Learning Objectives

Educational Programs:

**Raspberry Pi’s**- Students will make art with coding and learn how coding affects “Minecraft”

**EV3 Robotics**- Students will learn the basics of programming LEGO Mindstorms EV3 robots using block-coding

**Video Game Design**- Students will create a simple video game design using block-coding via MIT’s Scratch program

**Micro:bits**- Students will use Block-coding to program a micro:bit circuit board

**App Innovator**- Students will create two apps while learning the basics of app development

The North East Independent School District does not discriminate on the basis of race, color, religion, gender, national origin, age or disability.
