- We believe in quality over quantity! Classes will typically have 12-24 students.
- Preschool classes will have 10-12 children.
- Class topics are subject to change without notice.
- Attendance is the responsibility of the parent. Please write the dates of the classes on your calendar and remind your child to attend class! If your child is not old enough to go to and from Mad Science on their own, please consider waiting to enroll them until next year.

What is Mad Science?

Mad Science of Central Los Angeles conducts educational, entertaining, and hands-on science, engineering, and technology activities for preschool and elementary-age children. Our approach is simple. We use exciting activities and spectacular demonstrations to capture the attention and imagination of children. Once captivated by the presentation, we introduce a series of awesome experiments and activities in which the children can participate. Our programs are educational and FUN! We supply all of the materials and equipment used in the courses we offer.

Please note the program dates and times on your calendar!

Completing the registration enrolls your child in the Mad Science program. You agree to release the school and the School District from all liability. You also agree that your child will adhere to the classroom policies established at the first meeting.

Make-Up Picture Day is Coming Soon!

Mountain View Elementary

**Make-Up Day:
Friday, October 6th**

Please attend the make-up if you missed Picture Day or if you are not satisfied with your first portrait and want to try again. If you "re-take" your photo, the original photo will be null and void for yearbook and other school service items.

Portrait Day Details

There is no need to prepay or submit any forms. Picture day is all about the portrait! Cornerstone photographers understand lighting, posing and most importantly, expressions! They will help your child create the best smile possible.

Preview Before Purchasing

Approximately 2-3 weeks after Picture Day, you will receive an email link to view and order your portrait online with a secure personal access code. You will be able to select from a wide variety of backgrounds, packages, instant downloads and portrait gifts. All orders are placed online and will be shipped directly home.

What to Wear

Solid colors, collars and detailed necklines photograph nicely. Avoid large logos and busy patterns.

Día de Retome de Fotos ¡próximamente!

Mountain View Elementary

**Día de Retome de Fotos:
viernes 6 de octubre**

Por favor, asista al retome de fotos si se perdió el Día de las Fotos o si no está satisfecho con su primer retrato y quiere volver a intentarlo. Si "vuelve a tomar" su foto, la foto original será nula y sin efecto para el anuario y otros artículos de servicio escolar.

Detalles del día de Fotos

No hay necesidad de prepagar o enviar ningún formulario. El día de la foto se trata del retrato. Los fotógrafos de Cornerstone entienden la iluminación, las poses y, lo más importante, las expresiones. Ayudarán a su hijo a crear la mayor sonrisa posible.

Vista Previa Antes de Comprar

Aproximadamente 2-3 semanas después del día de la foto, recibirá un enlace de correo electrónico para ver y pedir su retrato en línea con un código de acceso personal seguro. Podrá seleccionar entre una amplia variedad de fondos, paquetes, descargas instantáneas y regalos de retrato. Todos los pedidos se realizan en línea y se enviarán directamente a casa.

Qué Ponerse

Colores sólidos, cuellos y escotes detallados fotografían muy bien. Evite los logotipos grandes y los patrones ocupados.
