After School Care - Kit Club

Kit Club is now accepting applications for next year! Please reach out to Mrs. Johnson for more information!

Dear Ten Oaks Fox Families,

We are excited to welcome the month of May, a time full of new opportunities for our students to shine and show all they have learned. Our Cubs have grown so much this year, and this month they will proudly showcase their learning right here in The Den.

As we approach end-of-year testing, we encourage our students to stay focused, give their best effort, and show all they have learned. Your support at home with rest, encouragement, and positive words makes a big difference. Let's continue to make every moment count and finish the school year strong. We are proud of all that Year one at TOES represents. Let's end it by celebrating our success together!

COUNSELORS' CORNER

happy kids tip!

Anxiety is a common experience for children as they navigate new challenges and emotions. If your child seems anxious, listen to their feelings without judgment and reassure them that it's okay to feel this way. Teach coping skills like deep breathing, drawing, or taking small breaks to calm their mind. Consistent routines and open communication can also help them feel secure. If their anxiety feels overwhelming, don't hesitate to reach out for support.
