The theme for the 2020-2021 school year will spark imagination and creativity in school and at home. October is National Arts & Humanities Month, so imagine, create and celebrate by participating in Reflections. All Northwest students are invited to participate in this national program and submit an original art piece in the following categories: Dance Choreography, Film Production, Literature, Music Composition, Photography, and Visual arts. Submissions are judged in the Primary (Preschool-2nd Grade) or Intermediate (3rd-5th Grade) divisions. Winners at the school, county, and state levels will be sent to the final National judging round. Northwest Elementary is proud to have had student submissions advance to the state level in previous years.

PTA FOR YOUR CHILD

We hope everyone has had a wonderful start to another amazing school year here at Northwest Elementary, If everyone works together, this can be the best year yet! A very important part of Northwest Elementary is our PTA. Our PTA supports critical academic needs and is an active voice on decisions that impact your child's health, safety and quality of education and builds a stronger, more inclusive school community. We invite you to join the PTA For Your Child because increasing our membership even by one makes it possible to fund: Essential school resources and curriculum needs, Teacher grants for classroom items, Technology for school computer labs/classrooms, Student incentives and so much more. There is no wrong way to be involved - anything you can give whether it's time or money will support your child's potential. We invite you to join because we can do more together than apart. It only takes 5 minutes to join. Simply go to northwestpta.org and click Join or print and fill out the form below and return to the school.
