ABOUT US!

What exactly is Project Prom? Project Prom is a drug and alcohol-free lock-in celebration. Senior parents provide a fun-filled all-night party immediately following prom. This requires a vast amount of volunteering, money, organization and planning.

Who attends Project Prom? All Seven Lakes High School seniors and their dates are welcome, regardless if they attend Prom or not. Historically, the Katy ISD Project Prom/Project Grad celebrations have been attended by approximately 60% of seniors.

When and Where is Project Prom? Project Prom takes place immediately following Prom. Students will check in at the SLHS rotunda from approximately 12:00 a.m. through 1:30 a.m. and will then be transported on buses to Regal Grand Parkway 22 where they will spend several hours enjoying the fun and then will be transported back to SLHS.

How is Project Prom funded? Funding for the 2019 Project Prom event comes from fundraising and donations raised solely during the senior year by the Project Prom Booster Club, which is a non-profit 501 (c)(3) organization. We need to raise a sizeable amount of money to cover the use of the venue, entertainment, games, prizes, food, transportation, security, and other incidentals.
