

SEAHAWK TALK

WEEK OF JANUARY 23RD - 27TH

A WORD FROM MRS. HAMILTON

Hello, Seahawk FAMILY!

I hope your weekend was wonderful!

Our cafeteria is now selling snacks in the lunch room. Students can purchase chips, crackers, and drinks when they go to lunch. If you wish for your child to buy the snacks, you may send them with money or put money on their account. The following is the procedure for snacks:

- Students must eat their lunch first before buying snacks
- Students can only buy snacks if they do not already owe money for lunch
- Students can buy one snack and one drink
- Due to allergies, students may not buy snacks for another student

If you do not want your child to buy snacks, please have a discussion with your child and then let the teacher know so that we can help support your decision.

This week is KINDNESS WEEK! We know our Seahawks work to be kind every week but this week we really want to focus on that. We will have dress up week.

Monday - Kind Kids have HEART (Wear lots of red and pink)

Tuesday - Throw Back Kindness (Dress like a different decade
70s, 80s, 90s, 2000s)

Wednesday - Team Up and Spread Kindness (Dress in your
favorite team gear)

Thursday - Kindness is My Super Power (Dress as a super hero)

Friday - Warm up with Kindness (Wear cozy PJs - no slippers
please)

We have our first semester awards ceremonies scheduled. We
would love for you to come and celebrate your children's hard
work:

Freedom Readers Horry County Sites

Freedom Readers is a nonprofit organization that focuses on improving literacy skills for students in low-income areas throughout Horry, Georgetown, and Williamsburg County. The organization offers once-per-week 90-minute sessions for K-5th grade students (known as Scholars) to receive one-on-one attention with a trained tutor. Freedom Readers Spring 2023 Session begins the week of Jan 23rd to March 20th.

Knights for Knowledge

Knights for Knowledge is a one hour, once weekly program that deploys a group of trained tutors to established programs where children gather to help with homework and read with young people on their level. Each Knight is required to volunteer for at least 8 weeks. The goal of the program is to help boost student academic achievement in the wake of the pandemic's impact on learning. Just as the knights of old were called on to be defenders of virtue, our Knights of Knowledge defend every child's right to learn, grow, succeed and read.
