

Join Fairview Elementary PTA 2021-22 School Year

Joining Fairview PTA is not just about fundraising and volunteering. Your membership is a great way to support our children, teachers, and staff while maintaining the community that is Fairview Elementary School. We want you to be part of Fairview PTA even if you do not have much spare time. Every family is involved in different ways, and your involvement is appreciated!

Return this form to the front office or in your child's Friday Folder along with your payment. We accept cash, checks (made payable to "Fairview PTA"), and Venmo ("Fairview PTA").

Thank you for your support!
