*****You must complete all the acknowledgments for the flu consent to be saved.*****

The screenshot shows the Columbia Public Schools website. The header includes the district logo, navigation links (District Home, Choose a School, Select Language), and a Sign In button. The main navigation bar lists various sections: Home, About Us, Departments, Families, Community, Board of Education, Employment, and Calendar. The Families section is highlighted. On the left sidebar, there are links for Daily Mode Indicator, Level Guide, and 14-Day COVID Tracker. The main content area features a large image of students at a graduation ceremony, with a caption 'Battle High School 2020 Graduation'. Below this, there are news links including 'Celebrating John Warner Middle School', 'Information on internet options for families', 'Rock Bridge students present at 2020 Global Health Leaders Conference', and '2020-21 school year calendar revised'. On the right sidebar, there is a section for 'Upcoming Events' with dates from September to October. At the bottom right, there is a 'peachy flyers' section and a 'CPS Families Portal Login' link, which is circled in red. Below the login link is a 'Families Portal Help FAQ' link and a 'CPS Families Portal Username/Password Reset Page' link.
