

**CITY OF SUGAR LAND
ENGINEERING**

**NOTICE OF TEMPORARY ROAD CLOSURE AT THE INTERSECTION OF
WEST GREEN BELT DR. AND 7TH STREET**

September 25, 2019

Dear Sugar Mill Residents
Sugar Land, Texas

**Re: CIP No. DR-1801 Covington Woods Drainage Improvements at Sugar
Mill Relief Line & Seven Street Reconstruction**

Dear Resident:

WadeCon LLC continues working on the drainage improvements, street reconstruction and water line rehabilitation along 7th Street between the City-owned Park and Bournewood Drive. Phase I of the project (in front of the Sugar Land Middle School has been completed) and WadeCon LLC. is ready to initiate Phase II of the project from West Green Belt Dr. to Bournewood Dr. on September 30, 2019.

To complete the work at the intersection of 7th Street and West Green Belt Dr., it will be necessary to close this intersection from Monday September 30 to Friday October 18, 2019. During this period, all traffic along Green Belt Dr., Sugar Plum Circle, Palm Grove Circle and Wood Bridge Circle needs to enter and leave the neighborhood via Bournewood Drive.

Please call with any questions or concerns.
