December 1, 2025

## PRINCIPAL MESSAGE

Dear Dalmatian families,

We hope that everyone had a restful and joyful Thanksgiving. It is hard to believe that December is already here! As we begin this new month, our campus is filled with excitement and a renewed sense of purpose. December may be a short month, but it is an important one which is full of meaningful learning, special events, and opportunities for our Dalmatians to shine.

This month, our students will take part in several exciting activities, including JA Day, the ACS STEM Day for 4th and 5th grade students, a Choir Performance, our campus Spelling Bee, the Polar Express experience, and a Holiday Sing-Along for all grade levels. These experiences bring learning to life, build community, and create lasting memories that make ASE such a special place to learn and grow.

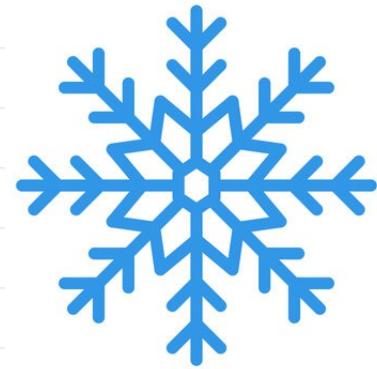

As we move through December, we encourage families to support strong attendance, daily reading, and positive routines at home. Your partnership helps our students finish the semester successfully and continue to live out our vision to Learn, Inspire, and Lead.

Wishing everyone a wonderful week ahead and a joyful start to this special month!

ASE students will Learn...Inspire...and Lead...We are ASE!

## **ATTENDANCE**

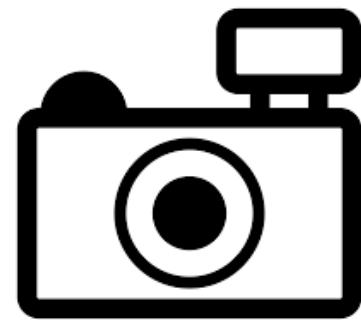

As a reminder, we are required to document student absences, whether Excused ( ex: illness related) or Unexcused (ex: vacation). Regardless of how a child performs, once enrolled in a public school, students are required to attend 90% of the year.

Once a child receives 18 missed days, whether Excused or Unexcused, at the end of the year a committee will convene to determine Promotion (Promoted or Retained) status. A child's report card will indicate all missed days. The school must show that it was aware, communicated with families, and determined that Promotion is warranted, despite the missed instructional days.

## COUNSELOR CORNER

This month, our counseling focus is on gratitude and positivity, two powerful skills that help children feel happier, build healthy relationships, and handle challenges with confidence. When gratitude is practiced both at school and at home, it becomes a lifelong habit.

December 1-5th

### The Power of Noticing the Good

Learning about gratitude helps students pause and notice the good around them. At home, encourage your child to share one thing they're thankful for each day or periodically, big or small. This simple habit builds a positive mindset and teaches them to look for bright spots in challenging moments. At school, students can show gratitude by saying "thank you," helping a classmate, or acknowledging someone's kindness. When children learn to see the good, they begin to be the good everywhere they go.

## PARENT VOLUNTEERING

[Parent resources](#) can be found on the FBISD main webpage.

Including information about bus routes, extended learning, district calendar, and more!

## RAINY DAY DISMISSAL

Rainy Day dismissal pertains only to those families whose children walk or ride a bike to school each day. Each parent of a child who walks or rides a bike is required to notify the homeroom teacher of a Rainy Day alternative plan.

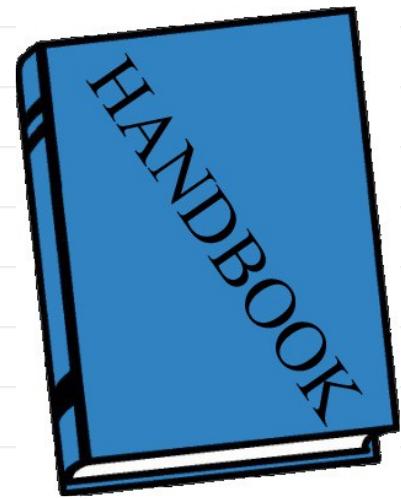

At 2:45 p.m. a Blackboard Connect notice will be sent to parents informing the community of a Rainy Day Dismissal. Walkers/bikers will either become a car rider or remain a walker. If your child remains a walker, he/she will meet you at the normal pick-up location. Parents are not permitted to come to the building doors or encroach on the campus sidewalks to get their children in the rain. This can lead to an unsafe dismissal.

All other students going home on buses, in cars, or daycare vans will not have a change in dismissal.
