Gulfview Middle School

October 7<sup>th</sup>, 2026

Dear Parent(s)/Guardian(s),

As part of our college and career readiness efforts at Gulfview Middle School we strive to set all students up for success. That's why we're offering the PSAT 8/9—the first test in the SAT® Suite of Assessments—to our 8th-grade students. Results from this assessment help us establish a baseline for each student as they start their high school journey. The results help us focus classroom instruction and support your child's growth.

Taking the PSAT 8/9 can also help your child to:

- Know where they are and where they want to go.
- Find out what AP® courses they're ready to take.
- Explore college and career options.

This fall, your child will take the digital PSAT 8/9 on **October 21<sup>st</sup>, 2026**, using their own school-issued device, and scores will be released in mid-November.

If you or your child has questions about the PSAT 8/9 or if you do not wish for your child(ren) to participate in the PSAT 8/9, please reach out to Jocelyn Schafer, the Assistant Principal of Curriculum, or your student's counselor.

Sincerely,

Principal
