## TOPEKA WEST HIGH SCHOOL CHARGER NEWS

*From the Desk of Dustin Dick, Principal*

We have had another great school year again. We have had several students honored with awards and recognitions throughout the year and more accolades keep coming in daily for our students. We have increased, to the highest rate ever, the amount of college credit students are earning. We continually have nearly 60% of students on the honor roll, we are working to push our graduation rates higher, while also striving for increases in student achievement. There are so many wonderful things happening at Topeka West, I strongly encourage you to get involved in our school community. The high school experience is so much more rewarding when you and your students are involved. I attended the Governor's Scholars Award Program over the weekend where we honor the top 1% of students in the state. Of the 554 students recognized at this event 99% of them participate in activities in their high school. That statistic confirmed for me what we know about students, those who are involved in their school demonstrate more success. Encourage your student to get involved in something at the school it will make a significant difference in their success.

Online registration for the 2019-2020 school year is expected to begin on July 1 and run through July 25. After the July 25 date you will have to do registration at the school. July 25 will also be the day of on-site registration at Topeka West.

The next school year will bring some new faces to Topeka West as some staff members transition on to new endeavors in other schools or locations. We have worked hard to find the very best staff we can to replace those who are leaving us. I believe that we continue to have the strongest teaching staff around, with excellent credentials in their field of study and high expectations for our students. We look forward to seeing you in the next year.

Have a great summer!

**41-727. Purchase or consumption of alcoholic beverage by minor; penalty; exceptions; tests; detainment.** (a) Except with regard to serving of alcoholic liquor or cereal malt beverage as permitted by K.S.A. 41-308a, 41-308b, 41-727a, 41-2610, 41-2652, 41-2704 and 41-2727, and amendments thereto, and subject to any rules and regulations adopted pursuant to such statutes, no person under 21 years of age shall possess, consume, obtain, purchase or attempt to obtain or purchase alcoholic liquor or cereal malt beverage except as authorized by law.

(b) Violation of this section by a person 18 or more years of age but less than 21 years of age is a class C misdemeanor for which the minimum fine is \$200.

(c) Any person less than 18 years of age who violates this section is a juvenile offender under the revised Kansas juvenile justice code. Upon adjudication thereof and as a condition of disposition, the court shall require the offender to pay a fine of not less than \$200 nor more than \$500.

(d) In addition to any other penalty provided for a violation of this section: (1) The court may order the offender to do either or both of the following:

(A) Perform 40 hours of public service; or

(B) attend and satisfactorily complete a suitable educational or training program dealing with the effects of alcohol or other chemical substances when ingested by humans.

(2) Upon a first conviction of a violation of this section, the court shall order the division of vehicles to suspend the driving privilege of such offender for 30 days. ## **KANSAS' MINOR IN POSSESSION OF ALCOHOL OR "MINOR IN CONSUMPTION" LAWS**

(g) A law enforcement officer may request a person under 21 years of age to submit to a preliminary screening test of the person's breath to determine if alcohol has been consumed by such person if the officer has reasonable grounds to believe that the person has alcohol in the person's body except that, if the officer has reasonable grounds to believe the person has been operating or attempting to operate a vehicle under the influence of alcohol, the provisions of K.S.A. 8-1012, and amendments thereto, shall apply. No waiting period shall apply to the use of a preliminary breath test under this subsection. If the person submits to the test, the results shall be used for the purpose of assisting law enforcement officers in determining whether an arrest should be made for violation of this section. A law enforcement officer may arrest a person based in whole or in part upon the results of a preliminary screening test. Such results or a refusal to submit to a preliminary breath test shall be admissible in court in any criminal action, but are not per se proof that the person has violated this section. The person may present to the court evidence to establish the positive preliminary screening test was not the result of a violation of this section.

(h) (1) Any person less than 18 years of age who violates only this section shall not be detained or placed in a jail, as defined in K.S.A. 2012 Supp. 38-2302, and amendments thereto.

(2) Any person less than 18 years of age who is arrested only for a violation of this section shall not be detained or placed in a juvenile detention facility, as defined in K.S.A. 2012 Supp. 38-2302, and amendments thereto, for a period exceeding 24 hours, excluding Saturdays, Sundays and legal holidays.

(3) Any person less than 18 years of age at the time of the offense who is adjudicated only of a violation of this section shall not be detained in a jail, juvenile detention facility, juvenile correctional facility or sanctions house, as defined in K.S.A. 2012 Supp. 38-2302, and amendments thereto.

(i) This section shall be part of and supplemental to the Kansas liquor control act.

# Westside PRIDE Booster Club

## *The Topeka West High School Parent Organization*

Westside Pride Booster Club is so much more than a typical athletic booster organization. There is a long and rich tradition of support for athletic, artistic, educational and social events at Topeka West High School as well as for the school staff and administration. The support we give connects to not just the athletic students, but also the scholastic students, the creative students, the struggling students: all the students.

Over the past four years, Westside Pride has given almost \$75,000 back to Topeka West High School. Our funds come from concession stand sales, Chargerwear sales, and memberships. Some of the school needs that Westside Pride has given money for include:

- Author-in-Residence program
- Performing arts musical rights and royalties
- Camps for Westsiders, basketball teams
- College concurrent credit scholarships for students
- Books and supplies for classrooms
- Post Prom
- Band travel expenses
- Registration fees for clubs to attend their State Conference
- Even a Washer and Dryer for the Special Education classroom

Westside Pride also organizes and pays for teacher meals during Parent/Teacher conferences. We provide the food and drinks for Back to School Night. Holiday goodies to the teachers and a lunch at the end of the school year are all provided by Westside Pride.

Westside Pride is made up of a Board, Committee Chairs, and Members-At-Large. Our Board has a President, Vice-President, Treasurer and Secretary. Our Committees include District Citizens Advisory Committee, Chargerwear, Beautification, Concessions, PR/Social Media, Hospitality and Post Prom. We meet on the second Monday of each month when school is in session, and one time in the summer.

The current board is completely comprised of Junior class parents. This means that in one year's time, we will completely turnover the Westside Pride Board. With a quarter of the current school year left, it would be an ideal time to join us at a meeting where the Board and Committee Chairs can discuss the roles and time commitment of each position. And, there would be an entire year to shadow an incumbent to learn any position, or to just attend additional meetings. Please give serious consideration to joining the Board or one of the Committees of Westside Pride. It is a very rewarding experience!

If you have any questions, please contact Westside Pride President Doug Shima at [shimad@kscourts.org](mailto:shimad@kscourts.org).

Thank you and remember – **WEST IS BEST!**
