February 2025 Edition

Rodney Johnson, Principal

We are now in the second Semester of the school year, and though the first half of the school year was great, we still have a ton of GOOD work to do! Thank you parents for the patience you've displayed while we were and are still navigating through the restrictions with Class Dojo. We are currently exploring other options after having received confirmation that Class Dojo will more than likely not be returning. Hopefully, we will be able to choose a user-friendly platform that meets our needs sooner rather than later. Hopefully, this process will be completed by the end of February. Stay tuned!
