

WEEKLY NEWSLETTER

CSI students recently traveled to Grand Rapids to compete in the Michigan SkillsUSA State Competition, showcasing their technical skills and dedication. Their hard work paid off with outstanding results, earning State Champion titles in three categories.

Garrick Case - Electronics Technology

Aiden Paul & Daniel Rudolph - Additive Manufacturing

Dean Gallucci & Aneeka Mondal - Robotics and Automation

These talented students have qualified to advance to the national level and will represent Michigan at the SkillsUSA National Competition in Georgia this June. We congratulate them on their achievements and wish them the best of luck as they compete on the national stage!

CSI Comic-Con Trade Show

Discover the extraordinary talents of our sophomores at the CSI Comic-Con Trade Show. Multimedia, Electronics, and Information Technology students have collaborated to bring to life an array of innovative superheroes. From captivating posters and engaging introductions to intricately designed gadgets, our students have poured their creativity into every detail.

Don't miss the chance to witness their remarkable creations on **May 7th**. Time TBD.

Senior Capstone Trade Show

Join us for our Capstone Trade Show, where seniors in the Multimedia, Mechatronics, and Engineering pathways proudly showcase the skills and knowledge they've developed during their time at CSI. Each student will present a culminating project that highlights their creativity, technical ability, and problem-solving expertise.

Come explore their work, meet our talented students, and see innovation in action on **May 14th from 8:30–10:00 AM**. We hope to see you there!

Laundry Bag Donations

Thank you, Parents! The sign-up genius is completely full. We are so appreciative of your generosity. Please remember the donations are due on May 5th. This will allow time to assemble the bags and have them ready to give to the students at their senior celebration.

Graduation Lawn Signs are on Sale Now!

Celebrate your CSI graduate with a lawn sign! Cost is \$20 and can be paid with cash or check. Pick up in the main office.

CSI Senior Celebration Tickets are on Sale Now!

Tickets for the Senior Banquet are now available for \$40 per person, and graduates attend free of charge. Don't miss this special evening celebrating the Class of 2026!

Tickets will be on sale through **May 1**. The banquet will take place on May 12 at The Mirage, beginning at 6:00 PM.

To purchase tickets, please complete the flyer located at the end of the newsletter and return it with payment. Cash or checks are accepted (checks payable to UCS).

We look forward to celebrating with you!

Summer Credit Forward

Registration is now open for students who wish to get ahead in their credits and take a class over the summer.

Classes begin on May 15 and will end on July 24. These are self-paced and completely virtual classes. Students must take the end of course assessment in person prior to the end of the session.

Classes MUST be completed by July 24, NO additional time will be granted.

These classes will appear on the student's transcript with a letter grade. The letter grade will be calculated into the student's GPA.

If you have any questions, please contact Mrs. Struck at courtney.struck@uticak12.org or speak to your student's counselor at their home school.

The registration form is located at the end of this newsletter or a paper copy can be picked up at the counseling office.

**TECH
CAMP
2026**

CAMP DESCRIPTION:

Electrify Tech Camp consists of seven individual non-residential summer programs for high school students that is sponsored and run by Electrical and Computer Engineering (ECE) at the University of Michigan (U-M). Camp participants will be introduced to college-level topics at an introductory level suitable for high school students.

Program content is developed and taught by U-M faculty and graduate students, ensuring the highest quality of academic

learning. Recreational activities will be incorporated into the activities of each day. Come ready to learn and to have fun!

Joy of Coding via University of Michigan-AA

College-Level Courses on Coding, AI & Data Science | Summer 2026

Make coding fun!

Created for high schoolers

Our courses were created with high schoolers in mind. **No prior coding experience required!** All courses are online and self-paced, so you can fit them into your schedule.

Bolster your college apps

Upon completion of the course, students receive a certificate of accomplishment from University of Michigan ECE to include in college applications.

Have fun while learning

Students use Python to learn how coding powers Snapchat, TikTok, Instagram, and Siri... and even **learn how to code their own Snapchat lenses!**

Students should...

- love math and logic underlying math problems
- love solving problems creatively
- be receptive to coaching and reaching out for help when stuck
- be able to laugh off mistakes during the learning process

Basic Requirements

- Age 13+
- Have taken and enjoyed Algebra
- Understand the concept of variables and functions
- Understand basic manipulations of functions and variables
- Know how to compute $f(0)$ and $f(1)$ when, for example, $f(x) = \sin(x)$

\$149 plus tax | Need-based financial aid available

Join the community of 5,000+ students from 50 states and 25+ countries who have taken and enjoyed our courses.

The Joyce Ivy Foundation presents

COLLEGE ADMISSIONS SYMPOSIUM (JCAS)

Students of all genders, families, and educators are invited to join us for a day of specialized workshops on navigating the college admissions process. The day will also include a mini college fair.

Saturday
May 16, 2026
9:00 am - 3:30 pm

Troy Community Center
3179 Livernois Rd
Troy, MI 48083

Topics include:

- writing an effective essay
- how to navigate the financial aid and scholarship process
- choosing the right college for you
- case-study workshop led by admissions officers where YOU will observe how your college application is actually read by universities.

During the workshops and college fair, you'll have the opportunity to meet representatives from top institutions, including:

- Amherst College
- University of Pennsylvania
- University of Chicago
- Duke University
- Jack Kent Cooke Foundation
- University of Michigan
- Wellesley College
- ROOT College Advising and more!

Questions? please email us at
info@joyceivyfoundation.org

Utica Community Schools 2026 Summer Program Credit Forward

Utica Community Schools, in conjunction with credit forward providers, is pleased to offer a hybrid learning experience to current secondary UCS students. This program will afford students an opportunity to earn an additional one-half credit toward graduation requirements per online course. Subject.com, Michigan Virtual, or GenNET Virtual, are the only providers being accepted by UCS for credit forward.

Who would benefit from this program?

Students who are looking to complete a course for graduation requirements prior to the start of the 2026-2027 school year to open their schedules for other course work.

How does my child register for a course?

Students must meet with their school counselor to select the appropriate course to fulfill UCS graduation requirements. Students will be enrolled in one course at a time and may be enrolled in additional courses if time permits. Final semester exams must be taken in the presence of a UCS employee, students will earn a letter grade that corresponds to the UCS grading policy for the online course. [Policy 6210 Electronic Course Credit](#). The letter grade will be reflected on the student's high school transcript, class rank and GPA points.

When do classes begin?

Classes will begin on Friday, May 15, 2026, and will end on Friday, July 24, 2026. Students will need to begin working on coursework as soon as the course opens in May to complete the courses on time. No additional time can be given for these courses.

How often should my child work on this course?

The recommendation is at least 2 - 3 hours each day. This is a self-paced, computer-based course. While a teacher is available for assistance, direct instruction is not available. This requires students to be on task and self-motivated.

Will the final grade earned in this course appear on my child's transcript?

Yes, a score of 60% or higher will be required for the student to receive credit for the course. The letter grade will be reflected on the student's high school transcript, class rank, and GPA points.

If there is a final exam, can my child take the exam at home?

No, [UCS Policy 6210](#) states, students will be required to take the end of the course exam provided by the electronic course agency in the presence of the UCS mentor or designee.

When can my child take the final exam?

Contact the credit forward mentor to schedule a time to take the exam during the summer school session

Can my child attend a summer school session to work on their credit forward course?

Yes, your child can attend any day throughout the summer school session.

Drop-in sessions begin on Monday, June 22, 2026, and end Friday, July 24, 2026

No session on Friday, July 3, 2026

Time: 8:30 a.m. and 11:30 a.m.

Where can my child work on their course and/or take the final exam?

Jeannette Junior High School 40400 Gulliver Sterling Heights, MI 48310

How do I register?

Students must register through their school counselor

Will transportation be provided?

Transportation is provided for 8:00 a.m. arrival to Jeannette Junior High and 12:30 p.m. drop off to a hub location.

Students can access bussing at one of the following locations: Eisenhower High School, Stevenson High School, Utica High School, or Bemis Junior High School.

Is there a cost for this program?

This program is free of charge thanks to grant funding for Summer 2026.

Will my child need their school computer?

Your child will need access to a computer, preferably their UCS issued student device. If your child does not have their UCS student device due to end-of-the-year turn-in, device pick-up will be June 16, June 17, June 18, and June 19 from 9:00 a.m. – 1:00 p.m. Administrative Service Center 11303 Greendale Dr. Sterling Heights, 48312.

What if my child wants to drop the course?

You must email your drop request to summerschool@uticak12.org no later than Friday, June 19, 2026. Students who show no activity in the course by June 26, 2026, will be automatically dropped from the course.

For additional questions please email summerschool@uticak12.org

2026-27 Booster Club Board of Directors

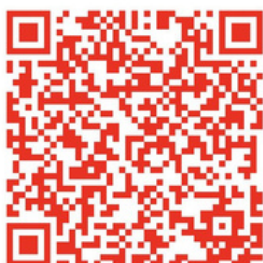

First row from left: Co-presidents Dawn Swanson and Tim Miche. Back row from left: Secretary Jessica Kidd-Gierke, Vice President Donna Rust, Treasurer Katie Moultrie and Member-at-Large Blair Krueger. Not pictured: Member-at-Large Kristine Konwerski.

MEET YOUR NEW 2026-27 STEVENSON ATHLETIC BOOSTER CLUB LEADERSHIP

The Stevenson Athletic Booster Club elected a new slate of leaders during its April 14 monthly membership meeting. The 2026-27 board members are Co-Presidents Dawn Swanson and Tim Miche, Vice President Donna Rust, Treasurer Katie Moultrie, Secretary Jessica Kidd-Gierke, and Members-at-Large Kristine Konwerski and Blair Krueger. Board positions are strictly volunteer and ensure that the 501c3 nonprofit organization operates effectively, stewards funds responsibly, supports athletes and coaches through fundraising, and promotes school spirit, sportsmanship and attendance at Stevenson athletic events.

FINAL CLUB MEETING IS MAY 12

The final Booster Club meeting for the 2025-26 school year will be held on May 12 at 7 p.m. in the ECC. During the meeting the Club will announce the winners of its annual scholarship program. Six graduating seniors will each receive a \$1,000 scholarship to recognize their participation, leadership and accomplishments as Titan athletes.
