- TAs who are in their first through fourth year of employment in the school district will earn 1.17 days of Annual Leave per month of employment. Ten days are already scheduled in the calendar. TAs have very little earned time available for use, except on the scheduled Annual Leave days. TAs who earn Annual Leave in excess of 10 days per year, may also request the use of an Annual Leave day on a Teacher Workday. The principal/administrator may approve or deny the request. No substitute is provided. Not more than three consecutive days can be approved. Also, not more than a yearly total of five absences can be approved.
- TAs in Pre-K and exceptional education assignments may not use Annual Leave on student attendance days. Any use of Annual Leave requires the express approval of an administrator.
