

## Parkview Elementary P.T.A Newsletter

---

### Winter 2020 Edition

We've had an awesome school year thus far, and we couldn't have done any of it without the support of our parents. Thank you to all that have volunteered in one way or another. Our school is special and it definitely shows!

A couple of things to keep in mind: We need as many P.T.A members as possible to come out to our next meeting. We have several positions to fill for our next year, please be thinking of a position that you would like. We would love to be able to talk to our new position holders and give them the best start possible. Please also keep in mind our auction sheets if you have gotten one already, if you haven't gotten a sheet from Mia, and you are able and willing to help, please let her know. Our carnival & auction is our biggest fundraiser, we use the funds raised to help in upgrading our equipment, helping the teachers in the classroom, and allowing our kiddos to go on awesome field trips.

---

Mar. 30th-April 2nd: Book Fair, please let Megan know if you are able to help.

\*\*\*Our carnival auction is the biggest thing we really need help with, we are in need of anyone that can make phone calls &/or go by businesses in person to ask for donations. We could also use help in picking up donations, we all have different strengths, let's band together and maximize them.. Many hands make light work. Please let Mia Anderson know if you can help.
