Feedback Welcome as School Committee Reviews Proposed Positions

The School Committee approved the Vocational Director position at the May 20th meeting ([watch here](#)). As discussion continues regarding the remaining three proposed positions, the district welcomes community feedback prior to the June 3rd School Committee meeting at policies@shschools.com. The presentation is available [HERE](#).

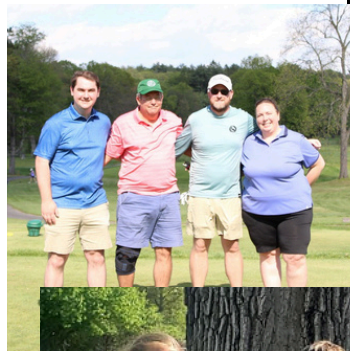

School Building Project Update

The School Building Committee selected Design Option #8 as the preferred design after careful consideration of educational needs, community feedback, and project costs. Learn more at the [project website](#). Community members are invited to join us on June 4th to learn more, ask questions, and stay engaged in the South Hadley Elementary School Building Project. Tiger Tee Off Success

Thanks to the generosity of sponsors, golfers, donors, volunteers, and families, the inaugural Michael E. Smith Middle School Tiger Tee Off raised more than \$31,000!! Funds will help support the 6th Grade Cape Cod Caper Trip and the 8th Grade Washington, D.C. Trip, helping make these educational experiences more accessible and affordable for students. his incredible success would not have been possible without the dedication, hard work, and continued support of the MESMS PTO.

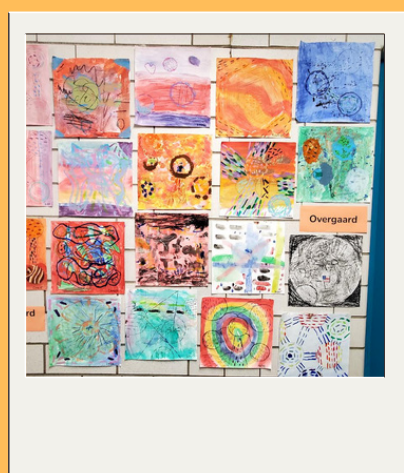

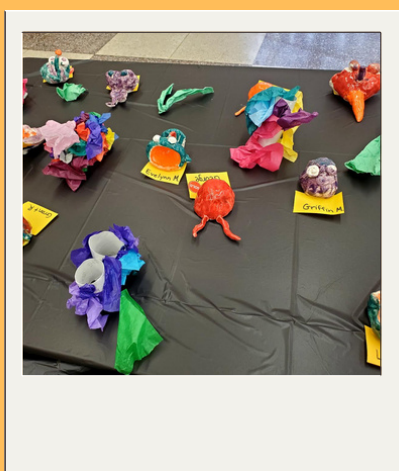

MESMS Asst. Principal Matt Killian was honored with a Civilian Lifesaving Award for his quick thinking and decisive response during a medical emergency. After recognizing signs of choking, he acted immediately and successfully performed life-saving measures, reinforcing the importance of CPR/AED and emergency response training.
