Slice the Price!

A huge THANK YOU! to everyone that helped support our slice the price card fundraiser in January! We were able to raise \$2,510!

For those who turned in cash and check order forms to the school, cards will be delivered over the next few weeks.

Upcoming Volunteer Opportunities

Spring semester always brings additional opportunities for volunteering at the school. In addition to these events, we will also be introducing new committees to join for the 2025-2026 school year. See the additional flyer for committees that will be available to join next year. The flyer also includes a link to the sign ups. Sign ups will continue throughout the spring!
