**Descriptions**

**Club/Activity Descriptions**

### **Academons**

A competitive academic team composed of highly motivated students. Students compete against each other individually and/or in teams by answering questions from all different subject areas. Student teams also compete vs Teacher teams in trivia competitions.

### **Art for Charity**

Art for Charity is a creative space for Art Making. This club encourages sharing, learning and inspiring each other to grow as artists. Promoting the visual arts through practice, community and creative fundraising is this club's objective.

On Club days we have an open choice art room where students can work with traditional art materials or digitally in our adjoining computer lab.

### **Athletes Helping Athletes**

Athletes Helping Athletes is an athletic department sponsored mentoring program. Senior High School athletes make connections with elementary/middle school students, student-athletes, and the Baldwin community in a spirit of friendship for their mutual benefit and inspiration.

### **Book Club**

A group of dedicated students who read for pleasure. Students gather routinely to discuss different literature and share their love of reading. With the guidance of their advisor, students choose the books read during each school year. During the club meetings students share thoughts and ideas from the different books read during each school year.

### **Bruin Yearbook**

A group dedicated to the publication of the annual yearbook. Students capture important events and memorable moments from the school year. Students work in three basic areas to create the annual yearbook: photography/reporting, literary and design. The Bruins Yearbook has leadership positions with varying responsibilities:

### **Chess Club**

A group of students dedicated to mastering the game of chess. Students learn and explore different strategies towards mastering every game of chess.

### **Class of 2026**

A club open to every graduating senior. A club to plan activities for the senior class. The senior class aims to make all graduating seniors' final year at Baldwin High School a memorable experience. Graduating seniors get to contribute to the senior class's activities for the school year while building comradery with their fellow classmates. All graduating seniors are welcome!

### **Colors for Coats**

This club will spread awareness about health care disparities that affect the medical community and the general public. The club members will focus on different healthcare-related issues by creating articles, fundraising and completing community service.

### **Crocheting Club**

The Crocheting Club provides hands-on experience to create various items from loops of yarn. You can bring your own crochet materials or borrow some. For those with experience or those wanting to learn.

### **Debate Club**

The Debate Club will be a club where students will discuss and debate current events.

### **DECA**

DECA prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe.

### **Electric Guitar Technology Club**

EGT Club has a major triad of goals. First to introduce beginners to electric guitar playing and equipment in a welcoming, inclusive environment. Second, to teach students how to set up, maintain, repair and modify guitars and amplifiers. Third, to teach students how to assemble effects pedal board chains, program looper pedals, and set up for a live performance. No previous musical or guitar experience is required.

### **Film Club**

A student group that will watch and critique movies while learning about different cinematic elements and cinematography techniques.

### **Francophone**

The Francophone will be a club where students will learn various types of food within France and the French Regions. The students will learn to prepare typical dishes from the *Francophone World*)

### **Genders/Sexualities Alliance (GSA)**

A group of students that meet to discuss different topics within the LGBTQ+ community. Allies or supporters of the community are welcome!

### **Golden Wave**

The Golden Wave is the Baldwin High School newspaper, which provides a platform for students to share their ideas and views about the school community. The staff of writers, editors, photographers, and layout designers gain experience in journalism and

develop strong communication skills. Club members build peer-to-peer relationships, shape perspectives, challenge biases, and work collaboratively.

**Haitian Caribbean Heritage Club** - The Haitian Caribbean Heritage Club provides students an opportunity to discuss and experience Haitian and Caribbean culture, customs and traditions.

### **Intramural Night**

A fun competition between Freshman, Sophomores, Juniors, and Seniors. Events include dance, stunts, and aerobics.

### **Key Club**

Key Club is an international, student-led organization that provides its members with opportunities to provide service, build character and develop leadership. Key Club's core values are leadership, character building, caring, and inclusiveness. Key Club aims to cooperate with school principals and teachers to provide high school students with an invaluable experience in living and working together and to prepare them for useful citizenship. Our members develop initiative and leadership skills by serving their schools and communities.

### **Make-A-Wish Club**

The Make-A-Wish Club is an opportunity for students in grades 9-12 to help make wishes come true for students facing life-threatening medical conditions in the Northeast region. This club promotes community, kindness, and goodwill, and most importantly, students learn how they can make a difference for children and their families. This is a great opportunity for students who have community service requirements, are part of service-oriented clubs such as Key Clubs, and for those students who want to give back to the community and make a difference. During meetings we discuss the positive contributions of the Make-a-Wish Foundation and discuss fundraising ideas to allow the Make-A-Wish Foundation to continue to make wishes come true for hundreds of thousands of children.

### **Mathletes**

Mathletes allows students the opportunity to engage in mathematical problem solving in a competitive environment. Baldwin High School Students typically compete in 5 after school off site mathematical competitions and one onsite mathematical after school competition. Students have the opportunity to compete as individuals and/or as a team. When students are not competing, there are regular meetings for students to discuss competition strategies, reflect on past competitions, and discuss strategies about using the calculator as a tool for success.

### **Medical Explorers Club**

Mercy Medical Explorer Club is an opportunity for students to discover the endless field of medical sciences, and their diverse array of careers. Through hands-on activities, guest speakers, volunteer opportunities, and field experience, new members can access the limitless possibilities, and gain valuable experience in the world of medicine. Whether you're interested in working in the lab setting, operating room, or academia, this club is your gateway to discover, explore, and harness the endless opportunities the world of healthcare has to offer.

### **Mock Trial**

The Mock Trial team prepares for competitions that are similar to formal trial procedures. The competitions are modified for use in the Mock Trial setting. Team members focus and practice case study to create various roles, developing team strategy, and learn trial procedures. Students that participate on the Mock Trial Team enhance their public speaking skills, persuasive writing, active listening, critical reasoning, and teamwork. Students on the Mock Trial Team learn the rule of law, rules of evidence, proper courtroom decorum, legal terminology, and civic responsibility. The Mock Trial team works with an attorney mentor and school advisors. Mock Trial/Moot Court Club is a part of the Law Academy.

### **National Honor Society**

National Honor Society (NHS) is a nationwide organization for high school students in the United States. Students must be selected to join the National Honor Society. Selection is based on scholarship, leadership, service, and character. There is a rigorous application process, which begins in the student's Junior Year. The National Honor Society provides service to the community and school.

### **Phoenix Magazine**

Phoenix Magazine is a publication of student literary and artistic expression. Phoenix club creates, formats, and publishes the Baldwin High School Art & Literary magazine. Members help with the layout, editing and formatting of the magazine. They also contribute to art and writing. Students do not have to be a member to submit. Students can submit stories, poems, quotes, lyrics, drawings, paintings, digital art, cartoons, photographs. The magazine is published two times a school year with Fall and Spring Editions. Hardcopies are available to submitting participants, online version is available to all on the Baldwin School Website.

### **Photography Club**

Students focus on mastering the art of photography. Students learn about all aspects of photography and meet regularly to refine their photography skills. Students learn about the various fundamental elements of photography. Students will learn how to edit photos on computer software. Photography club is an inclusive space for all students to share their love and interest in photography.

### **Poetry Club**

A club where students can enjoy poetry. Students will have the opportunity to write, share and explore all aspects of poetry.

### **Robotics Club**

A competitive all-encompassing engineering design club composed of highly motivated students. Robotics integrates computer science and engineering. Robotics involves design, construction, operation, and use of robots. The robotics club meets to prepare for competitions. Students compete against different schools throughout the school year.

### **Students Against Destructive Decisions(SADD)**

SADD creates an inclusive environment for all students. Students participate in different activities and exercises in resiliency, leadership, and advocacy skills. The skills students acquire skills to help them to make positive life decisions that will carry them throughout life.

### **Science Enrichment**

The Science Enrichment Club is students engaging in fun hands-on science explorations and they discuss interesting modern topics that do not usually fit within a regular Regents curriculum.

### **Science Olympiad**

A competitive science team composed of highly motivated students. The Science Olympiad Team meets to prepare Science Technology Engineering, and Math competitions. Students compete against different schools throughout the school year.

### **Shine Club**

Faith based, student led group with discussions, fellowship, and activities focused on bringing joy and goodness to the school and community.

### **Spanish Club**

In the Spanish Language Club, students focus on events surrounding Spanish language and culture. The mission of the Spanish Language Club is to educate and include any student interested in learning about Spanish speaking cultures and language.

### **S.T.A.R. Club**

STAR Club stands for Students That Are Rising. It is an extracurricular activity offered to all students in the Life Skills program, allowing them the opportunity to participate in a variety of activities with other clubs in the building. The STAR Club meets monthly and members complete an activity which is determined by other clubs or school organizations that the STAR Club is working with that month. STAR Club gives students in the Life Skills program the opportunity to make connections with students in other

organizations in the building and participate in a variety of activities that the school offers.

### **Starts with Us**

Starts With Us is dedicated to creating a club for the young women in our school to have a safe space and group to discuss womanhood and create a sense of sisterhood and community in Baldwin

### **Step Team**

A rhythmic performance team centered around footwork composed of students from all high school grades. The Step Team performs at various school functions and competes in Step Team competitions. Performances include seasonal performances, pep rally, sporting events, school sponsored programs, and extra-curricular programs such as the talent show and Winter Wonderland.

### **Student Government**

A group of students from all grades that are charged with managing a wide range of events, activities, programs, policies, and initiatives around school. All students are welcome. The goal of Student Government is to be inclusive and always serve the Baldwin community. Student Government's service includes driving school spirit, implementing activities, volunteering, and making donations to charitable causes.

### **Tech it Forward**

A club where students will be exposed to the Computer Science field and give back to others by teaching what they learn to other students. Members will also speak to industry experts and computer science students.

### **Youth Change Leader Collaborative**

The YCLC is a collective action collaboration of students, teachers, school leaders and community members dedicated to developing the leaders of tomorrow through mentorship and providing the resources needed for students to enact change. The students will research and gather data on five social justice issues, and then create a civic action project to help address the issue. This work will also support Baldwin High School in their participation in the *Anti-Defamation League's No Place for Hate Initiative*
