

Annual Masco Music Parents

Electronics (& More!) Recycling Fundraiser

Saturday, September 23rd 9am to 12pm

Masconomet Regional Middle School Front Parking Lot

Do you have old computers or broken electronics cluttering up your home or office?
What about those old, unwanted appliances taking up space in your garage or basement?

Here is your chance to *responsibly recycle* them. Bring your items to us and an enthusiastic music student or parent volunteer will safely unload your vehicle. Your tax-deductible donation *supports the music programs and music students* at the Masconomet Middle and High Schools.
