December 4, 2025

Dear Jr. Lancer Families,

I am excited to share that **Mount Pleasant Middle School** will be participating in ***The Great History Challenge***, an engaging academic competition that celebrates students' curiosity and knowledge of history. This event encourages students to build a meaningful understanding of historical people, events, and ideas while developing confidence as young historians.

Every child will have the opportunity to participate in this challenge during their Social Studies class. The competition is designed to be supportive and inspiring, providing students with an opportunity to challenge themselves in a positive and academically enriching environment. Participation is not mandatory, and there is nothing to review or study; no preparation is needed!

Please review the [attached Parent Information Flyer](#) for additional details about the purpose of *The Great History Challenge* and what to expect as we approach the event.

Key Dates:

- **By the End of December** – Students will have played The Great History Challenge game in their social studies class.
- **By the End of January** – Teachers will receive a scoring report with all top-scoring students from Grade 6. If a student qualifies for the Regional Championship, teachers will be notified.
- **February/March**- If a student from MPM qualifies, they will be invited to attend the Regional Championship (Location and Details TBA).

If you have any questions, feel free to contact me at any time. Thank you for your support, and we look forward to a wonderful learning experience for all!

Warm regards,

Thomas Montesion
Pre-K - 6 Acting Supervisor of Social Studies
