## CAR RIDER DISMISSAL @ STACY PARK!!!

Don't forget all Car Riders will be dismissed at Stacy Park today, due to set up for the Dance-A-Thon this evening.

## Safety Notice

Last Friday OB Staff went through a safety training as part of our professional development. At the training, we learned that there are things we can do to make our building more safe for all students and staff. So starting Monday, October 7, ALL visitors will be required to enter the building through the **front doors only**, and sign in at the office. This will apply at school arrival time as well as ANY time you need to enter the building. Thanks for your support and understanding as we work together to keep our staff and students safe.

## Walkers Update

If you are picking up your child as a walker please be sure to arrive on time, students are dismissed at 3:50 p.m. Due to the increased traffic on the sidewalk, near the buses, we would like all walkers picked up before the bus riders are dismissed at 3:55 p.m. This will help us ensure all students make it to the correct bus safely. Thank you for your cooperation.

## Coffee With the Mayor

Olivette hosts a monthly coffee with the City's Mayor, Missy Waldman, where residents, community members, and business owners come to fellowship and engage with City staff and City Council.

**The next Coffee with the Mayor will be October 23, featuring Ladue School District's Superintendent Dr. Jim Wipke.**

## Pokemon Cards

Please do not send Pokemon cards to school with your child. This has become a distraction in classrooms, at lunch/recess, and on the bus. Students are trading cards and then becoming upset about losing them. The school is not responsible for lost cards and appreciates your assistance in making sure these are kept at home.
