Spring Conference Date – Wednesday, March 4 4:30 – 7:30 Virtual (Appointments Only)

Parent Teacher Conference Information

Spring Parent Teacher Conferences will be virtual for Davis Junior High. Additional information is below:

- Wednesday, March 4 4:30 - 7:30 p.m. (Virtual Only)

We will be using the web-based program Schoolsoft to schedule virtual conferences to meet with your child's teachers to discuss academic progress. The system we are using is called Conference Manager, which allows you to check our teachers' conference schedules and book an appointment online. **Due to the fact that there is only one (1) three-hour session, please only sign up for conferences with teachers of classes in which your child is earning a grade of C- or lower.**

If you sign up for a virtual conference, you will not need to come to the building during the scheduled time block. A link will be sent to you to join your conference at the time you signed up for with the teacher.

If your child has an IEP and is in a co-taught course, please sign up to meet with the special education co-teacher for that class. Counselors are also available for sessions.

If you are unable to make an appointment virtually, you are always welcome to email the teacher through PowerSchool to set up a phone conference at the teacher's convenience.

If you do not see a teacher on the list, please understand that they are split between buildings and will be attending another building conference night. If you email them, they can meet with you or can schedule you during an open time slot based on their schedule.

Virtual Conference Information Directions – Virtual Appointment Only

The first time you use the Conference Manager you will be required to register and create a parent account. This only takes a minute or two to complete. You will continue to use this same account for the duration of the time you have children in school, so please save your password for future reference.

Please note - while you can register at any time, the window to book an appointment will not open until 6:00 a.m. on Friday, February 13. The appointment window will close on Tuesday, March 3, at 6:00 p.m.

To create an account, please use the following steps (a tutorial is available at this link:)

1. Go to the following website <https://utica.schoolsoft.com>

2. Register for a parent account. To register click the REGISTER NOW button and complete the registration page. Once registered you will be able to immediately log in to the Conference Manager. An email will also be sent to the address you specified. This email restates your username and password and should be saved, as you will use the same username and password when booking future rounds of Parent-Teacher Conferences. If you forget your password, you can reset it using the FORGOT PASSWORD link under the login button.

If you have a student taking classes at more than one school (for example CSI and the Virtual Junior High School), you will enter that student's name in 2 different student slots. For example, if Joe Smith attends both CSI and the VJHS, you will enter the following in the student information screen:

- Student 1: Joe Smith Instructional Resource Center CSI/MST
- Student 2: Joe Smith UCS Virtual Junior High School

If you have any other students for whom you will be conferencing, you will enter them in this screen, as well.

- Student 3: Patty Smith Shelby Junior High School

Once you have entered all of your children's names and schools, finish the page and submit.

After registering you can log back into Conference Manager after 6:00 a.m. on Friday, February 13 to select your teachers and conference times. This can be done up until 6:00 p.m. on Tuesday, March 3, when the window will close. These instructions are below.

3. Click the BOOK NOW button and select a conference date in the date drop-down that appears. Then, select the teacher(s) you wish to meet with and click the NEXT button. To coordinate bookings involving multiple teachers select all the teachers applicable to your child(ren) with whom you wish to meet.

4. Click on an available time slot for each teacher you selected and complete the booking form that appears. You should see the booking appear in the summary list on the right-hand side of the screen. A confirmation email is sent for each booking you made or subsequently cancel. You will also receive a reminder and conference itinerary by email.

5. Confirm your appointments have been booked by looking at the “CURRENTLY BOOKED CONFERENCES” box on the right of the screen or click on the MY CONFERENCES tab. Only appointments that appear in the CURRENTLY BOOKED CONFERENCES box or on the MY CONFERENCES page are confirmed bookings.

6. When finished booking, click the log off button located at the top right of the browser window. You will have the opportunity to provide feedback regarding the use of the Conference Manager to the school administration through a user survey before completely exiting. We appreciate you completing the survey as this helps guide our decision-making regarding how conferences are booked in the future.

7. Just prior to your scheduled conference time, you will receive a link to your video conference. At the appropriate time, click on the link and the teacher will admit you to the room. Please note, there is only 5 minutes available for each conference.

A couple of pieces to remember:

- Each conference will be limited to five (5) minutes.
- Counselors are also available for sessions either in person or virtually should you have questions, concerns, or items you would like to discuss about your child.

If you are unable to book your own appointment using this system, please contact us at 797-2700

RICK BYE FIELDHOUSE OPENS

Nearly 100 SHS students, faculty and community members joined UCS Board of Education members, Principal Cucchi, Booster Club Vice President Donna Rust and legendary Coach Rick Bye to open his namesake fieldhouse on January 13. The area, which once housed a swimming pool, has served as a makeshift weight room for many years until the 2023 UCS Bond Proposal made the renovations possible. The district began a complete overhaul of the flooring, lighting and HVAC last fall and the Stevenson Athletic Booster Club contributed \$30,000 toward new weight racks that will equip the modern field house for generations of SHS students.

EARN MONEY FOR SHS TEAMS: WINTER VOLUNTEERS NEEDED

Volunteers are needed to work concessions at all home games and tournaments. Each shift worked earns \$20 for the SHS sport of your choice. No prior experience is necessary and membership is not required. **Volunteers earned \$3,100 for SHS teams this fall.** Come meet fellow parents and cheer on the Titans! Scan the QR code to sign up.

NEXT BOOSTER MEETING: FEBRUARY 10

All are welcome to attend the next monthly Stevenson Athletic Booster Club general membership meeting on **Tues., Feb. 10 at 7pm in the ECC** at Stevenson. Come meet other enthusiastic parents, coaches and supporters of SHS athletics!

The mission of the Stevenson High School Booster Club is to **promote school spirit, sportsmanship, and attendance** at all Stevenson athletic events while **supporting the purchase of essential athletic equipment** not covered by the District. Open to all SHS student parents, family, community members, and alumni, we raise funds through activities like concession sales and special events. These funds help purchase equipment and provide \$1,000 scholarships to four senior athletes annually. The Booster Club is a registered 501(c)3 nonprofit organization.

Attendance Line (586.797.2799)

If your child is going to be absent from school or tardy, **please call the attendance line (586.797.2799)** and not the main school line to report an absence. We have dedicated staff that will listen to the message and take care of it in Power School.

Phishing Emails (Please Talk to Your Children If Using their Student Email)

District staff, students and parents have recently received a large number of phishing emails, coming from UCS staff, with the subject "**You are invited!**" When someone clicks to view the invitation, or on any of the links in the email, they are prompted to login with their email credentials. Once they provide their credentials, their account is then compromised and used to send out more of these attacks to others in the district. If you receive one of these emails, do NOT open, do NOT click on the links, do NOT respond or submit personal information to these requests. Remember to always be cautious when clicking on emails that you were not expecting, and NEVER provide your login information when requested by email.

Perfume and Cologne in School

Davis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that result in nausea and being sent home from school. These strong smells trigger asthma attacks and at times, students need to receive medical attention. We are asking students to put on their favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day. Thank you for your cooperation and help with this!

Parents – Check Power School for Fees:

Fees, especially ID fees, are to **be paid in full by Friday, September 9**. If you need to make payments for technology fees, you can pay online at <https://www.payschoolscentral.com/> You will need to create an account and add in the amount to pay under the correct category. You may also pay in cash or check payable to DJH to the main office. For questions regarding fees, please contact Mrs. Suhy, via email at christine.suhy@uticak12.org

Davis Junior High One Time Fundraising Request (Send donations with your child to the main office!)

A suggested \$20 donation per family would be greatly appreciated to help offset the cost of numerous programs at DJH. 100% of your monetary donation directly benefits our school. Money will go to offset costs for the following: Freshman Farewell, Student Awards, Positive Behavior Support (PBS) rewards, purchase of classroom technology, special events/assemblies, Where Everybody Belongs (WEB) mentoring program, instructional and classroom needs, and any other purchase to benefit our students. All students that donate money through this manner will be eligible for all fundraising fun events throughout the year as a way of saying thank you! Look for the fundraiser table at Raider Day!

Vaccination Information – 7th Grade Students

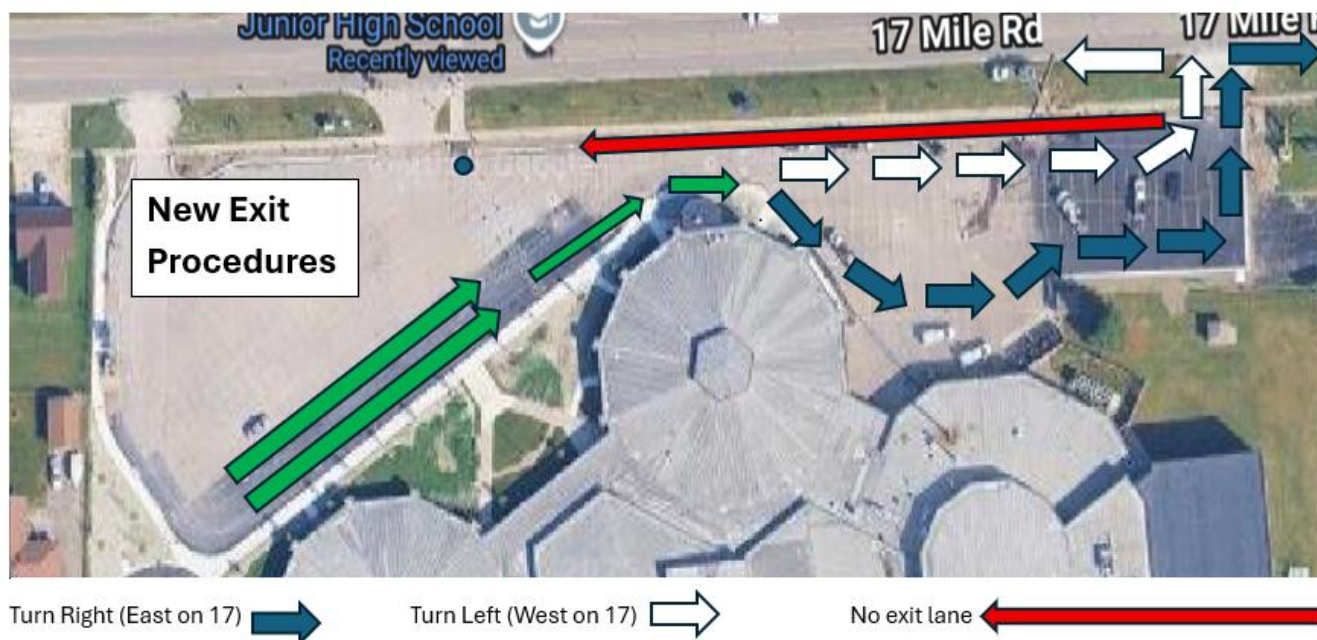

The State of Michigan requires children to be age-appropriately vaccinated to enroll in school programs, unless a valid exemption applies. Vaccination information for children entering 7th grade can be found at [Vaccination Info 2022.pdf \(uticak12.org\)](#)

Safety and Security – Front Doors

The front doors will be locked during school hours. To gain access at Door #2, ring the button near the far-left door at the main entrance. Office staff will see you through the security camera and unlock the doors if deemed appropriate. Please report directly to the main office and **be prepared to show identification**.

Parking Lot Changes – Effective 10/27/2025

Parents – please review effective changes to arrival and dismissal based on the exit procedures of the Davis parking lot.

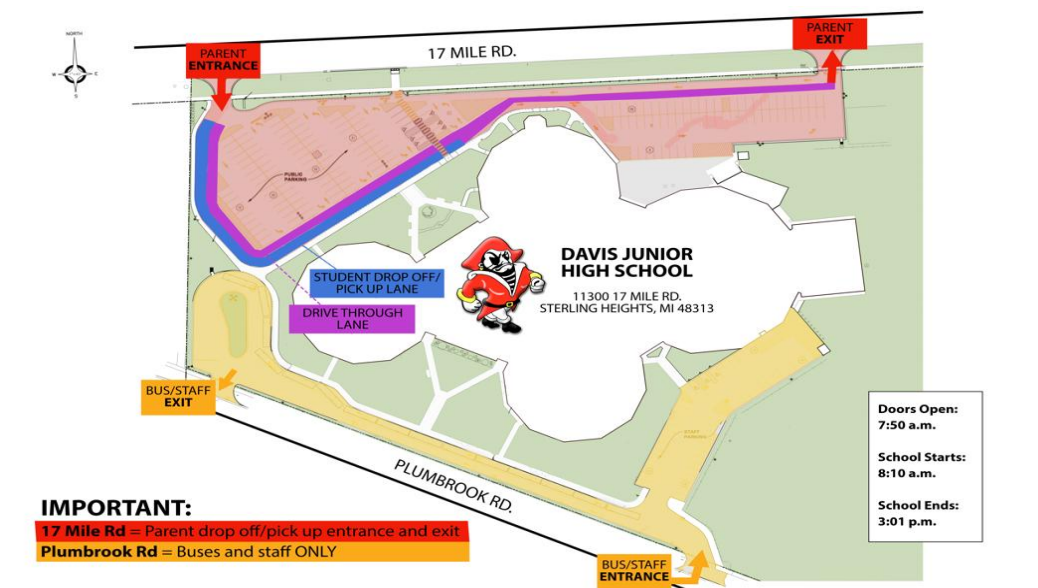

Please review changes effective 10/27/2025 regarding exiting the Davis Junior High parking lot at arrival and dismissal.

As you drop your child off or pick them up, please think ahead to whether you are turning left or right out of the parking lot onto 17-mile road. Once you have either dropped off your child or picked them up, please merge into the appropriate lane as designated (white arrows – to turn left on to 17-mile, blue arrows – to turn right on 17-mile) to exit the lot.

School Drop Off Information (Parking Lot Map)

Please see the map below for the parent entrance regarding the drop off and drive through lane in front of the school.

Parents should drop their child off and proceed to the exit as marked on the map below. Cars should not be using the drop off lane to park. We anticipate it will take some time for the flow of the parking lot drop off to work itself out. Please exercise patience and caution at arrival times!

Parking Lot Reminders

The beginning of a new school year can bring out frustrations in the school parking lot as students are being dropped off in the morning and picked up at night. **We need to make sure we are modeling appropriate behavior for our children as well as adhering to basic rules to ensure safety in our parking lots daily.** For those parents that are new and a general reminder to all parents of how our drop off/pick up procedures works:

- The curb side student drop off area should be used as just that: Pull up, stop, the child(ren) exit the car, the car moves forward and then exits the parking lot by the gym area. Dropping your child(ren) off should only take a matter of seconds and speeds the process along for all.
- This curb side drive through lane should be used after dropping your child off and passing a car in front of you. Please exercise caution as cars could be coming from the parking lot.
- Bus loop - cars should not be driving through the bus loop at arrival or dismissal. This area is for school buses only and is not a cut through
- **Muriel Street - this is a great place to drop off and pick up your child. This would allow you to bypass the parking lot completely and utilize the crossing guard that is in front of the school on 17 mile. Several families have taken advantage of this instead of navigating the parking lot at arrival and dismissal.**

Each year we send out reminder messages to parents about the parking lot and we also include information in our weekly newsletter. Please take a moment to read/listen to these messages as our intent is to make school a safer place for all. I know that together we can provide a safe environment for our children. Hopefully this time change will assist as we move into the end of fall weather and winter months. From time to time, our partnership with the Sterling Heights Police Department allows them to randomly check out the parking lot flow and traffic patterns around the schools in Sterling Heights. You may notice them from time to time assisting and or observing these patterns. Please be aware that they have issued tickets before to parents that are not following the observed traffic rules above.

Athletic Information – Fall Sports (Football and Volleyball)

Any current 7th graders (future 8th grader students) interested in joining Davis Football & Volleyball, please see the information below:

- You will need an updated physical to participate in tryouts/practices/games.
- Football and Volleyball Information will be available to students the first week. **(Note – students should plan on an informational meeting the first day of school).**

Sports Physicals

For the 2025 - 26 school year, a sport physical is required for all students who participate in sports. A physical examination must be completed on or after **April 15, 2025** to be considered a valid physical for the 2025 - 2026 school year. The MHSAA two-page physical form has not changed and remains on the district athletic page as well as on MHSAA.com. [Click here to be redirected to the MHSAA Website](#)

Athletic Participation and Tryouts

Students must have passing grades and good citizenship to participate in athletic events. For 7th and 8th grade students that want to tryout the following criteria is utilized by athletic teams:

- 7th and 8th - Any student that failed three or more classes from the previous reporting period (semester/marking period) and has three or more low citizenship marks of U or N from the previous reporting period (semester/marking period) may not try out for an athletic team.
- Students that make an athletic team and earn failing grades and/or have low citizenship marks (N or U or combination) will be placed on academic probation during the season. The criteria above is utilized for weekly athletic eligibility checks with grades (three or more failed classes) and citizenship (three or more Ns or Us).
- Must be in school for 3 hours to play.

Notice to Parents of Students Needing Medications Stored in the Main Office

In preparation for the school year all health plans and authorization for medication forms should be returned to the office before the first day of school with any required medications. All medical forms can be accessed here: [Resources and Forms / Resources and Forms \(uticak12.org\)](https://uticak12.org/Resources-and-Forms/) If you do not have access to the website, please contact the Davis office to arrange for copies to be picked up. If your child takes the bus, you will also be asked to complete two Transportation forms. Please return one to the school office when you bring your Health Care Plan, and the second should be handed to the driver on the first day of school, both with color pictures attached. Transportation requires this be done promptly to ensure the driver is aware of any potential emergencies. If you have any questions or specific concerns, please feel free to contact your school nurse at Emily.duzey@uticak12.org

Davis Junior High Highlights

Congratulations to Mrs. Meldrum who recently secured \$700.00 funded through Donors Choose by Panda Care for her Spanish classes! Panda Cares of Panda Express is a philanthropy foundation that donates to classrooms, and they chose her after she described what she was doing for students in her classroom! Her description was, *“Support Spanish Language and Cultural Learning - Help me give my students supplies for various projects enhancing their learning of the Spanish language and culture! They will learn vocabulary in review games, create art projects, and TPT has great visuals I can use to present the material.”*

Mrs. Meldrum’s description also shared, “My students love to show their creativity in various ways and learn best when offered various outlets for their learning. I love seeing them excited about producing work in the target language and they have fun while learning! We learn best when we are provided with engaging activities and I strive to create a highly effective learning environment.”

She will begin receiving her shipment in the near future and this will be used in her classroom! Way to go!

Davis Junior High Communication Flowchart Process

Parents transitioning from elementary to junior high school often wonder the best way to have their question or concern addressed. It is easy to become discouraged when attempts to communicate with school officials are not addressed only to be referred to others to resolve a problem their child may be experiencing in school. In order to help parents with this process and assist in efficiency, the ***“Davis Junior High School Communication Process Flowchart,”*** has been created. This sequence is in place to make sure your questions and concerns are addressed to the proper school official. It is our hope that the flowchart will be utilized as a way to direct your question or concern so that it may be handled by the appropriate school official and responded to quickly. ***As always, classroom concerns and questions should be directed to the specific teacher involved.*** The chart is listed within this newsletter, will be available at Raider Day and will also be available on the website for parents for future reference. Please note that our office staff will be trained to help assist parents with this process and in many cases, you will be referred to the first level in order to provide you with the most direct staff member.

Davis Junior High School Communication Flowchart Process

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **two (2) business days**, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the **“Communication Process Flowchart.”** The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Davis Junior High Communication Process Flowchart

| Davis Junior High Communication Process Flowchart | | | | | |
|---|-------------|----------------------------------|---------------------------|----------------------------|--------------|
| Area of concern | First Level | Second Level | Third Level | Fourth Level | Fifth Level |
| Instruction/Curriculum | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Athletics | Coach | Davis Athletic Director | Principal | District Athletic Director | Board Office |
| Special Education | Teacher | Special Education Staff | Counselor | Principal | Board Office |
| Student Concerns/Guidance/Health Related Concerns | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Classroom Discipline | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Non – Classroom School Discipline | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Classroom Concerns | Teacher | Counselor | Principal | Board Office | |
| Scheduling Concerns/Changes* (See Below) | Teacher* | Counselor | Principal | Board Office | |
| Transportation | Bus Driver | Assistant Principal (Discipline) | Transportation Supervisor | Board Office | |

Scheduling Concerns/Changes* – In order to process a schedule change, parents must first have met with the teacher and put a plan in place to support the struggling student. If after several weeks, the student is still struggling, it would be appropriate to move to the second level.

Please note - Classroom questions concerning your child should be addressed with your child’s teacher before contacting the counselors and/or school administration. Allow for **two (2) business days for a response**. If no response is received from a teacher during that time, send a second email or phone call to that teacher.

Please note that compliments or acknowledgements of positive events can be directed to everyone along the chain. All of us appreciate hearing that there is something good that has happened. We all look forward to a wonderful school year with few complaints!

Guidelines for Parent Communications to Teachers and Staff

The purpose of this section is to serve as a general guide for ensuring effective communication from parents to teachers, staff and administrators. Communication refers to both the sending and receiving of information, such as email and notes, and verbal communications such as telephone conversations and face-to-face meetings. In order to ensure a successful exchange of information, it is important that all parties follow a few key principles.

Maintain Respectful and Open Communication

- Always use a respectful and polite tone.
- Request, don't demand.
- Be ready not just to provide information, but to listen to teacher/staff observations and perspectives.
- Enter the exchange with an open mind and assume a shared best interest for your child.
- Be prepared to work collaboratively to solve problems.
- Threats and/or inappropriate language will not be tolerated toward staff members.

Confidentiality

- Recognize that confidentiality may limit information that can be shared from school to parents, including consequences for other students' behaviors.

Time to Respond to Communications

- Teachers will make every effort to respond as soon as possible to parent communications, with the understanding that the teaching day sometimes precludes immediate responses.
- Teachers and staff may need some time to collect needed information before responding.

Whom to Contact

- Most communications of classroom concerns should be directed at first to your child's teacher.
- If you have an issue with a particular staff member, first try to address those concerns with that staff member directly.
- If you have discussed with your child's teacher and the issue has not been addressed to your satisfaction, then move to the next level.
- Please recognize that it is both the policy and the value of our school that we operate with openness, collaboration and the shared best interest for every student.

SCHOOL INFO - COMMUNICATION GUIDELINES AND PROCEDURES

As part of an ongoing effort to foster effective communications between parents and staff at Davis, school officials developed the following communication guidelines. The goal is to establish a set of reasonable expectations and behaviors for parents and staff. These guidelines will be reviewed on a periodic basis and adjusted as necessary.

UPDATE YOUR CONTACT INFORMATION

It is important that the school has current phone numbers and addresses on file in our school data system. If you move or change your phone number, it is imperative that you notify the school and update your emergency contact information. Please visit the office to update a form.

CONTACTING TEACHERS OR STAFF

Best mode: email/phone

Parents wanting to meet with or contact a teacher should email the teacher. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. Phone messages are checked every day. Please allow for two (2) business days for a response. If no response is received from a teacher during that time, send a second email or phone call to that teacher before moving to the next level on the flowchart.

CONTACTING SCHOOL ADMINISTRATION

Best mode: email/phone

Parents requesting a meeting with or wanting to contact an administrator should use email. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. **Parents that have not followed the "Communication Process Flowchart" will be directed to the appropriate level based on the circumstances.** Phone messages are checked regularly. Please allow for two (2) business days for a response. If no response is received from an administrator during that time, send a second email or phone call before moving to the next level on the flowchart.

Davis Junior High Student ID Policy (*All Students Must Have ID's Visible*)

Davis Junior High School continues to work to ensure the safety and security for all staff and students. This is a top priority each and every day. All students at Davis will now be required to wear and have visible their school ID badges at all times. In addition, the wearing of school identification provides a professional setting and promotes College and Career Readiness for all students. Wearing of ID badges is required as part of many workplace environments, as well as on college and university campuses. Furthermore, the wearing of student IDs provides easy identification of students for teachers, substitutes, district staff personnel, and law enforcement if ever needed.

Students have received their school IDs from Raider Day or will receive them over the first weeks of school. The expectation will be reinforced with students on Day 1 as well as at the student handbook meeting presentations on Tuesday, September 10.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To obtain early dismissal
- To allow movement during lunch, going to and from restrooms
- To be on campus before or after school
- To move between classes and/or the hallway during passing time periods
- To participate in school activities, assemblies, dances, etc. on the campus of Davis
- To get into high school events for free (if offered by the high school)
- To be used for the PBS Earned Privilege Level for Citizenship and Academics (Raider Red)/Lunchroom

Student ID Card Guidelines:

A student's ID card authorizes him/her to be on the school campus. **EVERY** student must wear his or her student ID card while on school grounds. It is crucial that the school staff is able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. **Student IDs may be left in the student's assigned locker overnight so as to ensure the student ID is not left at home. Teachers will do periodic student ID checks in class, at the discretion of administration.** Periodic incentives will be provided at the discretion of administration when school-wide student ID checks are implemented.

The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn on a lanyard.
- Student ID cards cannot be worn on a shirtsleeve, pants, outside of pockets, under a shirt, coat, jacket or at the bottom of a shirt. The student ID card **must be visible AT ALL TIMES** (i.e. not kept in a purse, pocket or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e. no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
- Wearing another student's ID card is prohibited.
- Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced **IMMEDIATELY**.
- If the ID card is lost, a student may purchase a new student ID card from the office.
 - **There will be a \$5.00 fee to replace a lost ID badge and a \$3.00 fee to replace lost lanyards.**
 - At the discretion of the administration, a designated hour may be established for purchasing IDs.
- Students are excused from wearing ID cards during classes **IF** a teacher/administrator considers it to be a safety risk during identified classroom or other activities, including, but not limited to:
 - Science labs, equipment use, physical education, music, and other classes when wearing the student ID may cause entanglement or safety concerns.

Students who do not have their student ID cards will adhere to the following procedures:

Before school begins, a student who does not have a student ID must obtain a temporary ID in the Main Office.

- Please note that there is a limit of three consecutive days that a student may obtain a temporary ID. After the third consecutive day, student will report to the Assistant Principal.
- If a student reports to class **WITHOUT** a proper or temporary ID, the teacher will send the student to the office to obtain a temporary ID. The temporary ID **MUST** be worn and visible for the remainder of the day. The temporary ID will have the date issued on it and needs to be returned at the end of the day.

Consequences for Not Displaying/Possessing School ID card:

- **1st Violation - FIRST** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **2nd Violation - SECOND** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **3rd Violation** – Responsible Choices Room (Lunch detention) – Issued a temporary ID and a call home by Administrator.
- **4th Violation** – Additional consequences, up to and including suspension at the discretion of Administration.

NOTE: Consequences are cumulative for the entire school year.

****If requested by staff, all students must provide access to their ID. Failure to comply with a reasonable request from any staff member is defined as Defiance of Authority. Any consequence for failure to comply will be in addition to the one for the ID violation****

Davis Junior High School reserves the right to modify the Student ID Policy at any time without notice. Any subsequent changes to the policy will be communicated through its normal means of dispersing information.

Positive Behavior Support/Earned Privilege Program

Davis Junior High School has always strived to maintain a safe and orderly learning environment for all of our students. In an effort to improve our school climate and culture, many of the Davis staff members volunteered their time two years ago to form a Positive Behavior Support (PBS) Committee. PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes. This program is aimed at building effective learning environments in which positive behavior is acknowledged for all students. Our program emphasizes the use of proactive, educative and reinforced-based strategies to achieve meaningful and durable behavior outcomes. As a staff we will be focusing on acknowledging positive behavior in the classrooms, hallways and the lunchroom by teaching and reinforcing our ***"Raider Red Expectations."***

During the first week of school and throughout the year, staff members will be teaching our ***"Raider Red Expectations: I Can Listen, Learn and Lead"*** to students. We hope that by modeling and communicating these expectations to our students that they will begin to have a better idea of what is expected of them as students at Davis Junior High. We feel that the expectations of listening, learning and leading will serve as a roadmap for success for all of our students as they navigate junior high school to eventually transitioning to the high school and beyond. It is a goal of our program to provide students with common language and the necessary problem solving skills that will help them have a much more productive and positive day at Davis. Students who are engaging in listening, learning and leading behaviors will be individually acknowledged by earning ***"Raider Red Tickets"*** and honored with prizes and recognition during our weekly lunchroom drawings on Fridays. Students will also participate in our "Grades and Citizenship" program. This is an academic and citizenship reward system that is set in place to encourage students to do their very best on Progress Reports and Report Cards. There are seven cycles per year. Each student will receive points for the grades as well as their citizenship performance grade. The points are rolled into ranges that students can attain throughout each progress and report card cycle for various school raffles and prizes. This will allow students to have more access to "fun" school opportunities and we are very happy about this part of our program. Our ***"Raider Red Expectations: I Can Listen, Learn and Lead"*** will be posted throughout the classrooms and school for easy reference for our students. It is our hope that you will spend some time reviewing the matrix with your child as it clearly defines the expectations for our students within the program.

Spring Conference Date – Wednesday, March 4 4:30 – 7:30 Virtual (Appointments Only)

Parent Teacher Conference Information

Spring Parent Teacher Conferences will be virtual for Davis Junior High. Additional information is below:

- Wednesday, March 4 4:30 - 7:30 p.m. (Virtual Only)

We will be using the web-based program Schoolsoft to schedule virtual conferences to meet with your child's teachers to discuss academic progress. The system we are using is called Conference Manager, which allows you to check our teachers' conference schedules and book an appointment online. **Due to the fact that there is only one (1) three-hour session, please only sign up for conferences with teachers of classes in which your child is earning a grade of C- or lower.**

If you sign up for a virtual conference, you will not need to come to the building during the scheduled time block. A link will be sent to you to join your conference at the time you signed up for with the teacher.

If your child has an IEP and is in a co-taught course, please sign up to meet with the special education co-teacher for that class. Counselors are also available for sessions.

If you are unable to make an appointment virtually, you are always welcome to email the teacher through PowerSchool to set up a phone conference at the teacher's convenience.

If you do not see a teacher on the list, please understand that they are split between buildings and will be attending another building conference night. If you email them, they can meet with you or can schedule you during an open time slot based on their schedule.

Virtual Conference Information Directions – Virtual Appointment Only

The first time you use the Conference Manager you will be required to register and create a parent account. This only takes a minute or two to complete. You will continue to use this same account for the duration of the time you have children in school, so please save your password for future reference.

Please note - while you can register at any time, the window to book an appointment will not open until 6:00 a.m. on Friday, February 13. The appointment window will close on Tuesday, March 3, at 6:00 p.m.

To create an account, please use the following steps (a tutorial is available at this link:)

1. Go to the following website <https://utica.schoolsoft.com>

2. Register for a parent account. To register click the REGISTER NOW button and complete the registration page. Once registered you will be able to immediately log in to the Conference Manager. An email will also be sent to the address you specified. This email restates your username and password and should be saved, as you will use the same username and password when booking future rounds of Parent-Teacher Conferences. If you forget your password, you can reset it using the FORGOT PASSWORD link under the login button.

If you have a student taking classes at more than one school (for example CSI and the Virtual Junior High School), you will enter that student's name in 2 different student slots. For example, if Joe Smith attends both CSI and the VJHS, you will enter the following in the student information screen:

- Student 1: Joe Smith Instructional Resource Center CSI/MST
- Student 2: Joe Smith UCS Virtual Junior High School

If you have any other students for whom you will be conferencing, you will enter them in this screen, as well.

- Student 3: Patty Smith Shelby Junior High School

Once you have entered all of your children's names and schools, finish the page and submit.

After registering you can log back into Conference Manager after 6:00 a.m. on Friday, February 13 to select your teachers and conference times. This can be done up until 6:00 p.m. on Tuesday, March 3, when the window will close. These instructions are below.

3. Click the BOOK NOW button and select a conference date in the date drop-down that appears. Then, select the teacher(s) you wish to meet with and click the NEXT button. To coordinate bookings involving multiple teachers select all the teachers applicable to your child(ren) with whom you wish to meet.

4. Click on an available time slot for each teacher you selected and complete the booking form that appears. You should see the booking appear in the summary list on the right-hand side of the screen. A confirmation email is sent for each booking you made or subsequently cancel. You will also receive a reminder and conference itinerary by email.

5. Confirm your appointments have been booked by looking at the “CURRENTLY BOOKED CONFERENCES” box on the right of the screen or click on the MY CONFERENCES tab. Only appointments that appear in the CURRENTLY BOOKED CONFERENCES box or on the MY CONFERENCES page are confirmed bookings.

6. When finished booking, click the log off button located at the top right of the browser window. You will have the opportunity to provide feedback regarding the use of the Conference Manager to the school administration through a user survey before completely exiting. We appreciate you completing the survey as this helps guide our decision-making regarding how conferences are booked in the future.

7. Just prior to your scheduled conference time, you will receive a link to your video conference. At the appropriate time, click on the link and the teacher will admit you to the room. Please note, there is only 5 minutes available for each conference.

A couple of pieces to remember:

- Each conference will be limited to five (5) minutes.
- Counselors are also available for sessions either in person or virtually should you have questions, concerns, or items you would like to discuss about your child.

If you are unable to book your own appointment using this system, please contact us at 797-2700

RICK BYE FIELDHOUSE OPENS

Nearly 100 SHS students, faculty and community members joined UCS Board of Education members, Principal Cucchi, Booster Club Vice President Donna Rust and legendary Coach Rick Bye to open his namesake fieldhouse on January 13. The area, which once housed a swimming pool, has served as a makeshift weight room for many years until the 2023 UCS Bond Proposal made the renovations possible. The district began a complete overhaul of the flooring, lighting and HVAC last fall and the Stevenson Athletic Booster Club contributed \$30,000 toward new weight racks that will equip the modern field house for generations of SHS students.

EARN MONEY FOR SHS TEAMS: WINTER VOLUNTEERS NEEDED

Volunteers are needed to work concessions at all home games and tournaments. Each shift worked earns \$20 for the SHS sport of your choice. No prior experience is necessary and membership is not required. **Volunteers earned \$3,100 for SHS teams this fall.** Come meet fellow parents and cheer on the Titans! Scan the QR code to sign up.

NEXT BOOSTER MEETING: FEBRUARY 10

All are welcome to attend the next monthly Stevenson Athletic Booster Club general membership meeting on **Tues., Feb. 10 at 7pm in the ECC** at Stevenson. Come meet other enthusiastic parents, coaches and supporters of SHS athletics!

The mission of the Stevenson High School Booster Club is to **promote school spirit, sportsmanship, and attendance** at all Stevenson athletic events while **supporting the purchase of essential athletic equipment** not covered by the District. Open to all SHS student parents, family, community members, and alumni, we raise funds through activities like concession sales and special events. These funds help purchase equipment and provide \$1,000 scholarships to four senior athletes annually. The Booster Club is a registered 501(c)3 nonprofit organization.

Attendance Line (586.797.2799)

If your child is going to be absent from school or tardy, **please call the attendance line (586.797.2799)** and not the main school line to report an absence. We have dedicated staff that will listen to the message and take care of it in Power School.

Phishing Emails (Please Talk to Your Children If Using their Student Email)

District staff, students and parents have recently received a large number of phishing emails, coming from UCS staff, with the subject "**You are invited!**" When someone clicks to view the invitation, or on any of the links in the email, they are prompted to login with their email credentials. Once they provide their credentials, their account is then compromised and used to send out more of these attacks to others in the district. If you receive one of these emails, do NOT open, do NOT click on the links, do NOT respond or submit personal information to these requests. Remember to always be cautious when clicking on emails that you were not expecting, and NEVER provide your login information when requested by email.

Perfume and Cologne in School

Davis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that result in nausea and being sent home from school. These strong smells trigger asthma attacks and at times, students need to receive medical attention. We are asking students to put on their favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day. Thank you for your cooperation and help with this!

Parents – Check Power School for Fees:

Fees, especially ID fees, are to **be paid in full by Friday, September 9**. If you need to make payments for technology fees, you can pay online at <https://www.payschoolscentral.com/> You will need to create an account and add in the amount to pay under the correct category. You may also pay in cash or check payable to DJH to the main office. For questions regarding fees, please contact Mrs. Suhy, via email at christine.suhy@uticak12.org

Davis Junior High One Time Fundraising Request (Send donations with your child to the main office!)

A suggested \$20 donation per family would be greatly appreciated to help offset the cost of numerous programs at DJH. 100% of your monetary donation directly benefits our school. Money will go to offset costs for the following: Freshman Farewell, Student Awards, Positive Behavior Support (PBS) rewards, purchase of classroom technology, special events/assemblies, Where Everybody Belongs (WEB) mentoring program, instructional and classroom needs, and any other purchase to benefit our students. All students that donate money through this manner will be eligible for all fundraising fun events throughout the year as a way of saying thank you! Look for the fundraiser table at Raider Day!

Vaccination Information – 7th Grade Students

The State of Michigan requires children to be age-appropriately vaccinated to enroll in school programs, unless a valid exemption applies. Vaccination information for children entering 7th grade can be found at [Vaccination Info 2022.pdf \(uticak12.org\)](#)

Safety and Security – Front Doors

The front doors will be locked during school hours. To gain access at Door #2, ring the button near the far-left door at the main entrance. Office staff will see you through the security camera and unlock the doors if deemed appropriate. Please report directly to the main office and **be prepared to show identification**.

Parking Lot Changes – Effective 10/27/2025

Parents – please review effective changes to arrival and dismissal based on the exit procedures of the Davis parking lot.

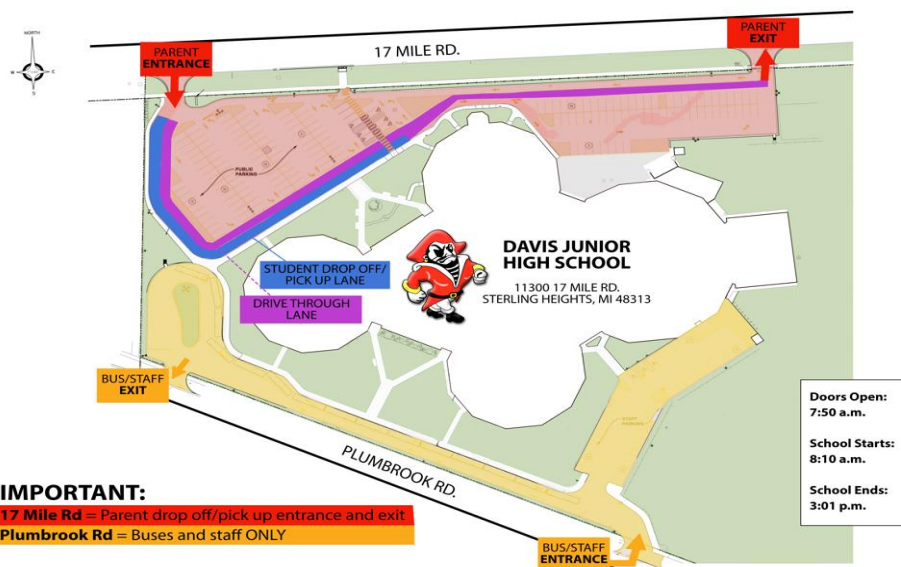

Please review changes effective 10/27/2025 regarding exiting the Davis Junior High parking lot at arrival and dismissal.

As you drop your child off or pick them up, please think ahead to whether you are turning left or right out of the parking lot onto 17-mile road. Once you have either dropped off your child or picked them up, please merge into the appropriate lane as designated (white arrows – to turn left on to 17-mile, blue arrows – to turn right on 17-mile) to exit the lot.

School Drop Off Information (Parking Lot Map)

Please see the map below for the parent entrance regarding the drop off and drive through lane in front of the school.

Parents should drop their child off and proceed to the exit as marked on the map below. Cars should not be using the drop off lane to park. We anticipate it will take some time for the flow of the parking lot drop off to work itself out. Please exercise patience and caution at arrival times!

Parking Lot Reminders

The beginning of a new school year can bring out frustrations in the school parking lot as students are being dropped off in the morning and picked up at night. **We need to make sure we are modeling appropriate behavior for our children as well as adhering to basic rules to ensure safety in our parking lots daily.** For those parents that are new and a general reminder to all parents of how our drop off/pick up procedures works:

- The curb side student drop off area should be used as just that: Pull up, stop, the child(ren) exit the car, the car moves forward and then exits the parking lot by the gym area. Dropping your child(ren) off should only take a matter of seconds and speeds the process along for all.
- This curb side drive through lane should be used after dropping your child off and passing a car in front of you. Please exercise caution as cars could be coming from the parking lot.
- Bus loop - cars should not be driving through the bus loop at arrival or dismissal. This area is for school buses only and is not a cut through
- **Muriel Street - this is a great place to drop off and pick up your child. This would allow you to bypass the parking lot completely and utilize the crossing guard that is in front of the school on 17 mile. Several families have taken advantage of this instead of navigating the parking lot at arrival and dismissal.**

Each year we send out reminder messages to parents about the parking lot and we also include information in our weekly newsletter. Please take a moment to read/listen to these messages as our intent is to make school a safer place for all. I know that together we can provide a safe environment for our children. Hopefully this time change will assist as we move into the end of fall weather and winter months. From time to time, our partnership with the Sterling Heights Police Department allows them to randomly check out the parking lot flow and traffic patterns around the schools in Sterling Heights. You may notice them from time to time assisting and or observing these patterns. Please be aware that they have issued tickets before to parents that are not following the observed traffic rules above.

Athletic Information – Fall Sports (Football and Volleyball)

Any current 7th graders (future 8th grader students) interested in joining Davis Football & Volleyball, please see the information below:

- You will need an updated physical to participate in tryouts/practices/games.
- Football and Volleyball Information will be available to students the first week. **(Note – students should plan on an informational meeting the first day of school).**

Sports Physicals

For the 2025 - 26 school year, a sport physical is required for all students who participate in sports. A physical examination must be completed on or after **April 15, 2025** to be considered a valid physical for the 2025 - 2026 school year. The MHSAA two-page physical form has not changed and remains on the district athletic page as well as on MHSAA.com. [Click here to be redirected to the MHSAA Website](#)

Athletic Participation and Tryouts

Students must have passing grades and good citizenship to participate in athletic events. For 7th and 8th grade students that want to tryout the following criteria is utilized by athletic teams:

- 7th and 8th - Any student that failed three or more classes from the previous reporting period (semester/marketing period) and has three or more low citizenship marks of U or N from the previous reporting period (semester/marketing period) may not try out for an athletic team.
- Students that make an athletic team and earn failing grades and/or have low citizenship marks (N or U or combination) will be placed on academic probation during the season. The criteria above is utilized for weekly athletic eligibility checks with grades (three or more failed classes) and citizenship (three or more Ns or Us).
- Must be in school for 3 hours to play.

Athletic Events – Home Games (Davis Junior High) – Fall, Winter, Spring Athletics

Students that are attending any home athletic events at Davis Junior High **must have a valid school ID card and be accompanied by a parent**. Students are not allowed to attend the event without these two criteria and should not be dropped off at school. Students that are without a parent will be asked to contact a parent to be picked up.

Notice to Parents of Students Needing Medications Stored in the Main Office

In preparation for the school year all health plans and authorization for medication forms should be returned to the office before the first day of school with any required medications. All medical forms can be accessed here: [Resources and Forms / Resources and Forms \(uticak12.org\)](https://uticak12.org/Resources-and-Forms/) If you do not have access to the website, please contact the Davis office to arrange for copies to be picked up. If your child takes the bus, you will also be asked to complete two Transportation forms. Please return one to the school office when you bring your Health Care Plan, and the second should be handed to the driver on the first day of school, both with color pictures attached. Transportation requires this be done promptly to ensure the driver is aware of any potential emergencies. If you have any questions or specific concerns, please feel free to contact your school nurse at Emily.duzey@uticak12.org

Congratulations to Maya Bakhouché, an 7th grade student at Davis Junior High in Mrs. Mitchell’s English class who submitted a writing piece, *Endless Twirl*, to the Michigan Reading Association’s 2026 edition of Kaleidoscope. Maya's piece has been included in this year’s book and she received a congratulations letter with a registration link to the Young Authors’ Luncheon at our 70th Annual Conference in Lansing, Michigan on Sunday, March 8th. Way to go Maya!

Davis Junior High Communication Flowchart Process

Parents transitioning from elementary to junior high school often wonder the best way to have their question or concern addressed. It is easy to become discouraged when attempts to communicate with school officials are not addressed only to be referred to others to resolve a problem their child may be experiencing in school. In order to help parents with this process and assist in efficiency, the ***“Davis Junior High School Communication Process Flowchart,”*** has been created. This sequence is in place to make sure your questions and concerns are addressed to the proper school official. It is our hope that the flowchart will be utilized as a way to direct your question or concern so that it may be handled by the appropriate school official and responded to quickly. ***As always, classroom concerns and questions should be directed to the specific teacher involved.*** The chart is listed within this newsletter, will be available at Raider Day and will also be available on the website for parents for future reference. Please note that our office staff will be trained to help assist parents with this process and in many cases, you will be referred to the first level in order to provide you with the most direct staff member.

Davis Junior High School Communication Flowchart Process

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **two (2) business days**, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the **“Communication Process Flowchart.”** The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Davis Junior High Communication Process Flowchart

| Davis Junior High Communication Process Flowchart | | | | | |
|---|-------------|----------------------------------|---------------------------|----------------------------|--------------|
| Area of concern | First Level | Second Level | Third Level | Fourth Level | Fifth Level |
| Instruction/Curriculum | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Athletics | Coach | Davis Athletic Director | Principal | District Athletic Director | Board Office |
| Special Education | Teacher | Special Education Staff | Counselor | Principal | Board Office |
| Student Concerns/Guidance/Health Related Concerns | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Classroom Discipline | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Non – Classroom School Discipline | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Classroom Concerns | Teacher | Counselor | Principal | Board Office | |
| Scheduling Concerns/Changes* (See Below) | Teacher* | Counselor | Principal | Board Office | |
| Transportation | Bus Driver | Assistant Principal (Discipline) | Transportation Supervisor | Board Office | |

Scheduling Concerns/Changes* – In order to process a schedule change, parents must first have met with the teacher and put a plan in place to support the struggling student. If after several weeks, the student is still struggling, it would be appropriate to move to the second level.

Please note - Classroom questions concerning your child should be addressed with your child’s teacher before contacting the counselors and/or school administration. Allow for **two (2) business days for a response**. If no response is received from a teacher during that time, send a second email or phone call to that teacher.

Please note that compliments or acknowledgements of positive events can be directed to everyone along the chain. All of us appreciate hearing that there is something good that has happened. We all look forward to a wonderful school year with few complaints!

Guidelines for Parent Communications to Teachers and Staff

The purpose of this section is to serve as a general guide for ensuring effective communication from parents to teachers, staff and administrators. Communication refers to both the sending and receiving of information, such as email and notes, and verbal communications such as telephone conversations and face-to-face meetings. In order to ensure a successful exchange of information, it is important that all parties follow a few key principles.

Maintain Respectful and Open Communication

- Always use a respectful and polite tone.
- Request, don't demand.
- Be ready not just to provide information, but to listen to teacher/staff observations and perspectives.
- Enter the exchange with an open mind and assume a shared best interest for your child.
- Be prepared to work collaboratively to solve problems.
- Threats and/or inappropriate language will not be tolerated toward staff members.

Confidentiality

- Recognize that confidentiality may limit information that can be shared from school to parents, including consequences for other students' behaviors.

Time to Respond to Communications

- Teachers will make every effort to respond as soon as possible to parent communications, with the understanding that the teaching day sometimes precludes immediate responses.
- Teachers and staff may need some time to collect needed information before responding.

Whom to Contact

- Most communications of classroom concerns should be directed at first to your child's teacher.
- If you have an issue with a particular staff member, first try to address those concerns with that staff member directly.
- If you have discussed with your child's teacher and the issue has not been addressed to your satisfaction, then move to the next level.
- Please recognize that it is both the policy and the value of our school that we operate with openness, collaboration and the shared best interest for every student.

SCHOOL INFO - COMMUNICATION GUIDELINES AND PROCEDURES

As part of an ongoing effort to foster effective communications between parents and staff at Davis, school officials developed the following communication guidelines. The goal is to establish a set of reasonable expectations and behaviors for parents and staff. These guidelines will be reviewed on a periodic basis and adjusted as necessary.

UPDATE YOUR CONTACT INFORMATION

It is important that the school has current phone numbers and addresses on file in our school data system. If you move or change your phone number, it is imperative that you notify the school and update your emergency contact information. Please visit the office to update a form.

CONTACTING TEACHERS OR STAFF

Best mode: email/phone

Parents wanting to meet with or contact a teacher should email the teacher. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. Phone messages are checked every day. Please allow for two (2) business days for a response. If no response is received from a teacher during that time, send a second email or phone call to that teacher before moving to the next level on the flowchart.

CONTACTING SCHOOL ADMINISTRATION

Best mode: email/phone

Parents requesting a meeting with or wanting to contact an administrator should use email. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. **Parents that have not followed the "Communication Process Flowchart" will be directed to the appropriate level based on the circumstances.** Phone messages are checked regularly. Please allow for two (2) business days for a response. If no response is received from an administrator during that time, send a second email or phone call before moving to the next level on the flowchart.

Davis Junior High Student ID Policy (*All Students Must Have ID's Visible*)

Davis Junior High School continues to work to ensure the safety and security for all staff and students. This is a top priority each and every day. All students at Davis will now be required to wear and have visible their school ID badges at all times. In addition, the wearing of school identification provides a professional setting and promotes College and Career Readiness for all students. Wearing of ID badges is required as part of many workplace environments, as well as on college and university campuses. Furthermore, the wearing of student IDs provides easy identification of students for teachers, substitutes, district staff personnel, and law enforcement if ever needed.

Students have received their school IDs from Raider Day or will receive them over the first weeks of school. The expectation will be reinforced with students on Day 1 as well as at the student handbook meeting presentations on Tuesday, September 10.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To obtain early dismissal
- To allow movement during lunch, going to and from restrooms
- To be on campus before or after school
- To move between classes and/or the hallway during passing time periods
- To participate in school activities, assemblies, dances, etc. on the campus of Davis
- To get into high school events for free (if offered by the high school)
- To be used for the PBS Earned Privilege Level for Citizenship and Academics (Raider Red)/Lunchroom

Student ID Card Guidelines:

A student's ID card authorizes him/her to be on the school campus. **EVERY** student must wear his or her student ID card while on school grounds. It is crucial that the school staff is able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. **Student IDs may be left in the student's assigned locker overnight so as to ensure the student ID is not left at home. Teachers will do periodic student ID checks in class, at the discretion of administration.** Periodic incentives will be provided at the discretion of administration when school-wide student ID checks are implemented.

The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn on a lanyard.
- Student ID cards cannot be worn on a shirtsleeve, pants, outside of pockets, under a shirt, coat, jacket or at the bottom of a shirt. The student ID card **must be visible AT ALL TIMES** (i.e. not kept in a purse, pocket or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e. no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
- Wearing another student's ID card is prohibited.
- Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced **IMMEDIATELY**.
- If the ID card is lost, a student may purchase a new student ID card from the office.
 - **There will be a \$5.00 fee to replace a lost ID badge and a \$3.00 fee to replace lost lanyards.**
 - At the discretion of the administration, a designated hour may be established for purchasing IDs.
- Students are excused from wearing ID cards during classes **IF** a teacher/administrator considers it to be a safety risk during identified classroom or other activities, including, but not limited to:
 - Science labs, equipment use, physical education, music, and other classes when wearing the student ID may cause entanglement or safety concerns.

Students who do not have their student ID cards will adhere to the following procedures:

Before school begins, a student who does not have a student ID must obtain a temporary ID in the Main Office.

- Please note that there is a limit of three consecutive days that a student may obtain a temporary ID. After the third consecutive day, student will report to the Assistant Principal.
- If a student reports to class **WITHOUT** a proper or temporary ID, the teacher will send the student to the office to obtain a temporary ID. The temporary ID **MUST** be worn and visible for the remainder of the day. The temporary ID will have the date issued on it and needs to be returned at the end of the day.

Consequences for Not Displaying/Possessing School ID card:

- **1st Violation - FIRST** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **2nd Violation - SECOND** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **3rd Violation** – Responsible Choices Room (Lunch detention) – Issued a temporary ID and a call home by Administrator.
- **4th Violation** – Additional consequences, up to and including suspension at the discretion of Administration.

NOTE: Consequences are cumulative for the entire school year.

****If requested by staff, all students must provide access to their ID. Failure to comply with a reasonable request from any staff member is defined as Defiance of Authority. Any consequence for failure to comply will be in addition to the one for the ID violation****

Davis Junior High School reserves the right to modify the Student ID Policy at any time without notice. Any subsequent changes to the policy will be communicated through its normal means of dispersing information.

Positive Behavior Support/Earned Privilege Program

Davis Junior High School has always strived to maintain a safe and orderly learning environment for all of our students. In an effort to improve our school climate and culture, many of the Davis staff members volunteered their time two years ago to form a Positive Behavior Support (PBS) Committee. PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes. This program is aimed at building effective learning environments in which positive behavior is acknowledged for all students. Our program emphasizes the use of proactive, educative and reinforced-based strategies to achieve meaningful and durable behavior outcomes. As a staff we will be focusing on acknowledging positive behavior in the classrooms, hallways and the lunchroom by teaching and reinforcing our ***"Raider Red Expectations."***

During the first week of school and throughout the year, staff members will be teaching our ***"Raider Red Expectations: I Can Listen, Learn and Lead"*** to students. We hope that by modeling and communicating these expectations to our students that they will begin to have a better idea of what is expected of them as students at Davis Junior High. We feel that the expectations of listening, learning and leading will serve as a roadmap for success for all of our students as they navigate junior high school to eventually transitioning to the high school and beyond. It is a goal of our program to provide students with common language and the necessary problem solving skills that will help them have a much more productive and positive day at Davis. Students who are engaging in listening, learning and leading behaviors will be individually acknowledged by earning ***"Raider Red Tickets"*** and honored with prizes and recognition during our weekly lunchroom drawings on Fridays. Students will also participate in our "Grades and Citizenship" program. This is an academic and citizenship reward system that is set in place to encourage students to do their very best on Progress Reports and Report Cards. There are seven cycles per year. Each student will receive points for the grades as well as their citizenship performance grade. The points are rolled into ranges that students can attain throughout each progress and report card cycle for various school raffles and prizes. This will allow students to have more access to "fun" school opportunities and we are very happy about this part of our program. Our ***"Raider Red Expectations: I Can Listen, Learn and Lead"*** will be posted throughout the classrooms and school for easy reference for our students. It is our hope that you will spend some time reviewing the matrix with your child as it clearly defines the expectations for our students within the program.

If your child is going to be absent from school or tardy, **please call the attendance line (586.797.2799)** and not the main school line to report an absence. We have dedicated staff that will listen to the message and take care of it in Power School.

Phishing Emails (Please Talk to Your Children If Using their Student Email)

District staff, students and parents have recently received a large number of phishing emails, coming from UCS staff, with the subject "**You are invited!**" When someone clicks to view the invitation, or on any of the links in the email, they are prompted to login with their email credentials. Once they provide their credentials, their account is then compromised and used to send out more of these attacks to others in the district. If you receive one of these emails, do NOT open, do NOT click on the links, do NOT respond or submit personal information to these requests. Remember to always be cautious when clicking on emails that you were not expecting, and NEVER provide your login information when requested by email.

Perfume and Cologne in School

Davis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that result in nausea and being sent home from school. These strong smells trigger asthma attacks and at times, students need to receive medical attention. We are asking students to put on their favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day. Thank you for your cooperation and help with this!

Parents – Check Power School for Fees:

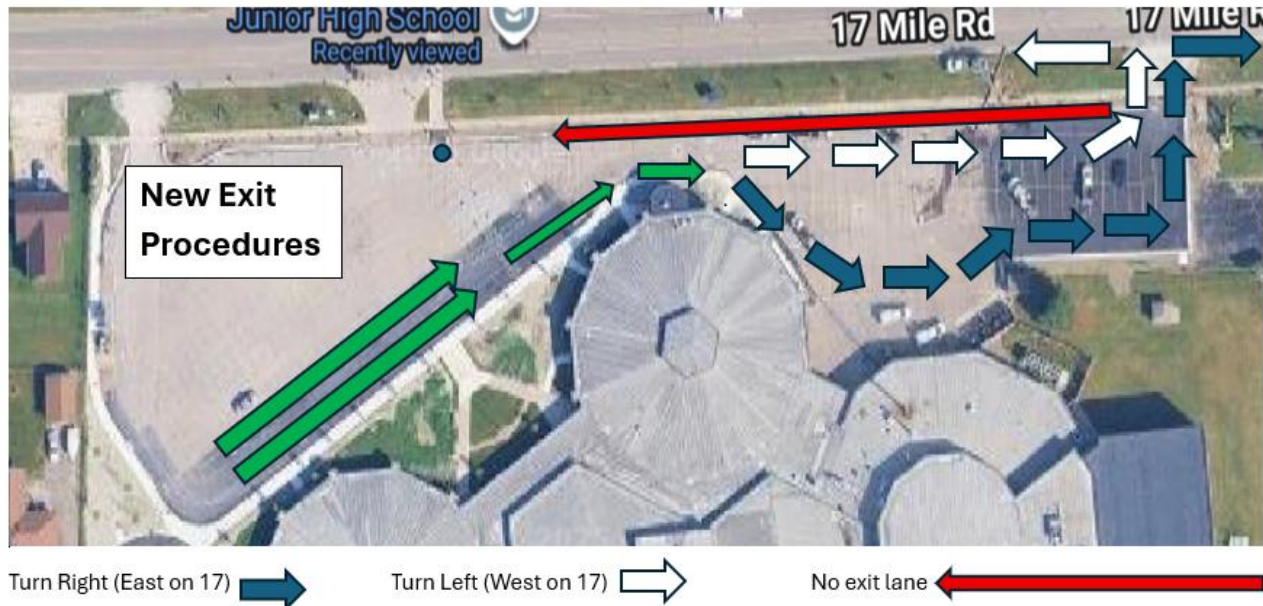

Fees, especially ID fees, are to **be paid in full by Friday, September 9**. If you need to make payments for technology fees, you can pay online at <https://www.payschoolscentral.com/> You will need to create an account and add in the amount to pay under the correct category. You may also pay in cash or check payable to DJH to the main office. For questions regarding fees, please contact Mrs. Suhy, via email at christine.suhy@uticak12.org

Davis Junior High One Time Fundraising Request (Send donations with your child to the main office!)

A suggested \$20 donation per family would be greatly appreciated to help offset the cost of numerous programs at DJH. 100% of your monetary donation directly benefits our school. Parking Lot Changes – Effective 10/27/2025

Parents – please review effective changes to arrival and dismissal based on the exit procedures of the Davis parking lot.

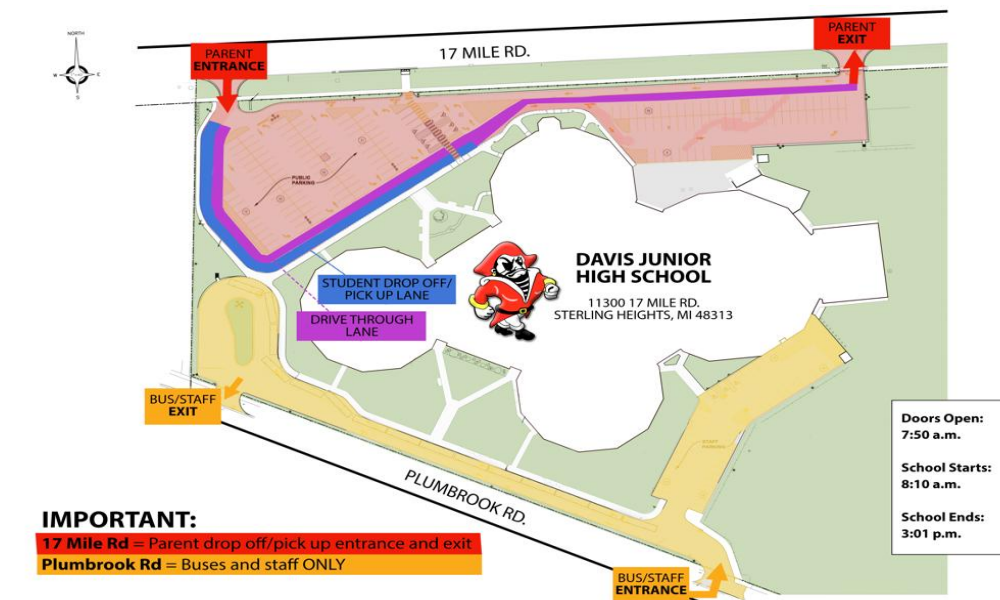

Please review changes effective 10/27/2025 regarding exiting the Davis Junior High parking lot at arrival and dismissal.

As you drop your child off or pick them up, please think ahead to whether you are turning left or right out of the parking lot onto 17-mile road. Once you have either dropped off your child or picked them up, please merge into the appropriate lane as designated (white arrows – to turn left on to 17-mile, blue arrows – to turn right on 17-mile) to exit the lot.

School Drop Off Information (Parking Lot Map)

Please see the map below for the parent entrance regarding the drop off and drive through lane in front of the school.

Parents should drop their child off and proceed to the exit as marked on the map below. Cars should not be using the drop off lane to park. We anticipate it will take some time for the flow of the parking lot drop off to work itself out. Please exercise patience and caution at arrival times!

Parking Lot Reminders

The beginning of a new school year can bring out frustrations in the school parking lot as students are being dropped off in the morning and picked up at night. **We need to make sure we are modeling appropriate behavior for our children as well as adhering to basic rules to ensure safety in our parking lots daily.** For those parents that are new and a general reminder to all parents of how our drop off/pick up procedures works:

- The curb side student drop off area should be used as just that: Pull up, stop, the child(ren) exit the car, the car moves forward and then exits the parking lot by the gym area. Dropping your child(ren) off should only take a matter of seconds and speeds the process along for all.
- This curb side drive through lane should be used after dropping your child off and passing a car in front of you. Please exercise caution as cars could be coming from the parking lot.
- Bus loop - cars should not be driving through the bus loop at arrival or dismissal. This area is for school buses only and is not a cut through
- **Muriel Street - this is a great place to drop off and pick up your child. This would allow you to bypass the parking lot completely and utilize the crossing guard that is in front of the school on 17 mile. Several families have taken advantage of this instead of navigating the parking lot at arrival and dismissal.**

Each year we send out reminder messages to parents about the parking lot and we also include information in our weekly newsletter. Please take a moment to read/listen to these messages as our intent is to make school a safer place for all. I know that together we can provide a safe environment for our children. Hopefully this time change will assist as we move into the end of fall weather and winter months. From time to time, our partnership with the Sterling Heights Police Department allows them to randomly check out the parking lot flow and traffic patterns around the schools in Sterling Heights. You may notice them from time to time assisting and or observing these patterns. Please be aware that they have issued tickets before to parents that are not following the observed traffic rules above.

Davis Junior High Communication Flowchart Process

Parents transitioning from elementary to junior high school often wonder the best way to have their question or concern addressed. It is easy to become discouraged when attempts to communicate with school officials are not addressed only to be referred to others to resolve a problem their child may be experiencing in school. In order to help parents with this process and assist in efficiency, the ***“Davis Junior High School Communication Process Flowchart,”*** has been created. This sequence is in place to make sure your questions and concerns are addressed to the proper school official. It is our hope that the flowchart will be utilized as a way to direct your question or concern so that it may be handled by the appropriate school official and responded to quickly. ***As always, classroom concerns and questions should be directed to the specific teacher involved.*** The chart is listed within this newsletter, will be available at Raider Day and will also be available on the website for parents for future reference. Please note that our office staff will be trained to help assist parents with this process and in many cases, you will be referred to the first level in order to provide you with the most direct staff member.

Davis Junior High School Communication Flowchart Process

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **two (2) business days**, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the **“Communication Process Flowchart.”** The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Davis Junior High Communication Process Flowchart

| Davis Junior High Communication Process Flowchart | | | | | |
|---|-------------|----------------------------------|---------------------------|----------------------------|--------------|
| Area of concern | First Level | Second Level | Third Level | Fourth Level | Fifth Level |
| Instruction/Curriculum | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Athletics | Coach | Davis Athletic Director | Principal | District Athletic Director | Board Office |
| Special Education | Teacher | Special Education Staff | Counselor | Principal | Board Office |
| Student Concerns/Guidance/Health Related Concerns | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Classroom Discipline | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Non – Classroom School Discipline | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Classroom Concerns | Teacher | Counselor | Principal | Board Office | |
| Scheduling Concerns/Changes* (See Below) | Teacher* | Counselor | Principal | Board Office | |
| Transportation | Bus Driver | Assistant Principal (Discipline) | Transportation Supervisor | Board Office | |

Scheduling Concerns/Changes* – In order to process a schedule change, parents must first have met with the teacher and put a plan in place to support the struggling student. If after several weeks, the student is still struggling, it would be appropriate to move to the second level.

Please note - Classroom questions concerning your child should be addressed with your child’s teacher before contacting the counselors and/or school administration. Allow for **two (2) business days for a response**. If no response is received from a teacher during that time, send a second email or phone call to that teacher.

Please note that compliments or acknowledgements of positive events can be directed to everyone along the chain. All of us appreciate hearing that there is something good that has happened. We all look forward to a wonderful school year with few complaints!

Guidelines for Parent Communications to Teachers and Staff

The purpose of this section is to serve as a general guide for ensuring effective communication from parents to teachers, staff and administrators. Communication refers to both the sending and receiving of information, such as email and notes, and verbal communications such as telephone conversations and face-to-face meetings. In order to ensure a successful exchange of information, it is important that all parties follow a few key principles.

Maintain Respectful and Open Communication

- Always use a respectful and polite tone.
- Request, don't demand.
- Be ready not just to provide information, but to listen to teacher/staff observations and perspectives.
- Enter the exchange with an open mind and assume a shared best interest for your child.
- Be prepared to work collaboratively to solve problems.
- Threats and/or inappropriate language will not be tolerated toward staff members.

Confidentiality

- Recognize that confidentiality may limit information that can be shared from school to parents, including consequences for other students' behaviors.

Time to Respond to Communications

- Teachers will make every effort to respond as soon as possible to parent communications, with the understanding that the teaching day sometimes precludes immediate responses.
- Teachers and staff may need some time to collect needed information before responding.

Whom to Contact

- Most communications of classroom concerns should be directed at first to your child's teacher.
- If you have an issue with a particular staff member, first try to address those concerns with that staff member directly.
- If you have discussed with your child's teacher and the issue has not been addressed to your satisfaction, then move to the next level.
- Please recognize that it is both the policy and the value of our school that we operate with openness, collaboration and the shared best interest for every student.

SCHOOL INFO - COMMUNICATION GUIDELINES AND PROCEDURES

As part of an ongoing effort to foster effective communications between parents and staff at Davis, school officials developed the following communication guidelines. The goal is to establish a set of reasonable expectations and behaviors for parents and staff. These guidelines will be reviewed on a periodic basis and adjusted as necessary.

UPDATE YOUR CONTACT INFORMATION

It is important that the school has current phone numbers and addresses on file in our school data system. If you move or change your phone number, it is imperative that you notify the school and update your emergency contact information. Please visit the office to update a form.

CONTACTING TEACHERS OR STAFF

Best mode: email/phone

Parents wanting to meet with or contact a teacher should email the teacher. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. Phone messages are checked every day. Please allow for two (2) business days for a response. If no response is received from a teacher during that time, send a second email or phone call to that teacher before moving to the next level on the flowchart.

CONTACTING SCHOOL ADMINISTRATION

Best mode: email/phone

Parents requesting a meeting with or wanting to contact an administrator should use email. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. **Parents that have not followed the "Communication Process Flowchart" will be directed to the appropriate level based on the circumstances.** Phone messages are checked regularly. Please allow for two (2) business days for a response. If no response is received from an administrator during that time, send a second email or phone call before moving to the next level on the flowchart.

Davis Junior High Student ID Policy (*All Students Must Have ID's Visible*)

Davis Junior High School continues to work to ensure the safety and security for all staff and students. This is a top priority each and every day. All students at Davis will now be required to wear and have visible their school ID badges at all times. In addition, the wearing of school identification provides a professional setting and promotes College and Career Readiness for all students. Wearing of ID badges is required as part of many workplace environments, as well as on college and university campuses. Furthermore, the wearing of student IDs provides easy identification of students for teachers, substitutes, district staff personnel, and law enforcement if ever needed.

Students have received their school IDs from Raider Day or will receive them over the first weeks of school. The expectation will be reinforced with students on Day 1 as well as at the student handbook meeting presentations on Tuesday, September 10.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To obtain early dismissal
- To allow movement during lunch, going to and from restrooms
- To be on campus before or after school
- To move between classes and/or the hallway during passing time periods
- To participate in school activities, assemblies, dances, etc. on the campus of Davis
- To get into high school events for free (if offered by the high school)
- To be used for the PBS Earned Privilege Level for Citizenship and Academics (Raider Red)/Lunchroom

Student ID Card Guidelines:

A student's ID card authorizes him/her to be on the school campus. **EVERY** student must wear his or her student ID card while on school grounds. It is crucial that the school staff is able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. **Student IDs may be left in the student's assigned locker overnight so as to ensure the student ID is not left at home. Teachers will do periodic student ID checks in class, at the discretion of administration.** Periodic incentives will be provided at the discretion of administration when school-wide student ID checks are implemented.

The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn on a lanyard.
- Student ID cards cannot be worn on a shirtsleeve, pants, outside of pockets, under a shirt, coat, jacket or at the bottom of a shirt. The student ID card **must be visible AT ALL TIMES** (i.e. not kept in a purse, pocket or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e. no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
- Wearing another student's ID card is prohibited.
- Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced **IMMEDIATELY**.
- If the ID card is lost, a student may purchase a new student ID card from the office.
 - **There will be a \$5.00 fee to replace a lost ID badge and a \$3.00 fee to replace lost lanyards.**
 - At the discretion of the administration, a designated hour may be established for purchasing IDs.
- Students are excused from wearing ID cards during classes **IF** a teacher/administrator considers it to be a safety risk during identified classroom or other activities, including, but not limited to:
 - Science labs, equipment use, physical education, music, and other classes when wearing the student ID may cause entanglement or safety concerns.

Students who do not have their student ID cards will adhere to the following procedures:

Before school begins, a student who does not have a student ID must obtain a temporary ID in the Main Office.

- Please note that there is a limit of three consecutive days that a student may obtain a temporary ID. After the third consecutive day, student will report to the Assistant Principal.
- If a student reports to class **WITHOUT** a proper or temporary ID, the teacher will send the student to the office to obtain a temporary ID. The temporary ID **MUST** be worn and visible for the remainder of the day. The temporary ID will have the date issued on it and needs to be returned at the end of the day.

Consequences for Not Displaying/Possessing School ID card:

- **1st Violation - FIRST** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **2nd Violation - SECOND** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **3rd Violation** – Responsible Choices Room (Lunch detention) – Issued a temporary ID and a call home by Administrator.
- **4th Violation** – Additional consequences, up to and including suspension at the discretion of Administration.

NOTE: Consequences are cumulative for the entire school year.

****If requested by staff, all students must provide access to their ID. Failure to comply with a reasonable request from any staff member is defined as Defiance of Authority. Any consequence for failure to comply will be in addition to the one for the ID violation****

Davis Junior High School reserves the right to modify the Student ID Policy at any time without notice. Any subsequent changes to the policy will be communicated through its normal means of dispersing information.

Positive Behavior Support/Earned Privilege Program

Davis Junior High School has always strived to maintain a safe and orderly learning environment for all of our students. In an effort to improve our school climate and culture, many of the Davis staff members volunteered their time two years ago to form a Positive Behavior Support (PBS) Committee. PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes. This program is aimed at building effective learning environments in which positive behavior is acknowledged for all students. Our program emphasizes the use of proactive, educative and reinforced-based strategies to achieve meaningful and durable behavior outcomes. As a staff we will be focusing on acknowledging positive behavior in the classrooms, hallways and the lunchroom by teaching and reinforcing our ***"Raider Red Expectations."***

During the first week of school and throughout the year, staff members will be teaching our ***"Raider Red Expectations: I Can Listen, Learn and Lead"*** to students. We hope that by modeling and communicating these expectations to our students that they will begin to have a better idea of what is expected of them as students at Davis Junior High. We feel that the expectations of listening, learning and leading will serve as a roadmap for success for all of our students as they navigate junior high school to eventually transitioning to the high school and beyond. It is a goal of our program to provide students with common language and the necessary problem solving skills that will help them have a much more productive and positive day at Davis. Students who are engaging in listening, learning and leading behaviors will be individually acknowledged by earning ***"Raider Red Tickets"*** and honored with prizes and recognition during our weekly lunchroom drawings on Fridays. Students will also participate in our "Grades and Citizenship" program. This is an academic and citizenship reward system that is set in place to encourage students to do their very best on Progress Reports and Report Cards. There are seven cycles per year. Each student will receive points for the grades as well as their citizenship performance grade. The points are rolled into ranges that students can attain throughout each progress and report card cycle for various school raffles and prizes. This will allow students to have more access to "fun" school opportunities and we are very happy about this part of our program. Our ***"Raider Red Expectations: I Can Listen, Learn and Lead"*** will be posted throughout the classrooms and school for easy reference for our students. It is our hope that you will spend some time reviewing the matrix with your child as it clearly defines the expectations for our students within the program.

Attendance Line (586.797.2799)

If your child is going to be absent from school or tardy, **please call the attendance line (586.797.2799)** and not the main school line to report an absence. We have dedicated staff that will listen to the message and take care of it in Power School.

Phishing Emails (Please Talk to Your Children If Using their Student Email)

District staff, students and parents have recently received a large number of phishing emails, coming from UCS staff, with the subject "**You are invited!**" When someone clicks to view the invitation, or on any of the links in the email, they are prompted to login with their email credentials. Once they provide their credentials, their account is then compromised and used to send out more of these attacks to others in the district. If you receive one of these emails, do NOT open, do NOT click on the links, do NOT respond or submit personal information to these requests. Remember to always be cautious when clicking on emails that you were not expecting, and NEVER provide your login information when requested by email.

Perfume and Cologne in School

Davis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that result in nausea and being sent home from school. These strong smells trigger asthma attacks and at times, students need to receive medical attention. We are asking students to put on their favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day. Thank you for your cooperation and help with this!

Parents – Check Power School for Fees:

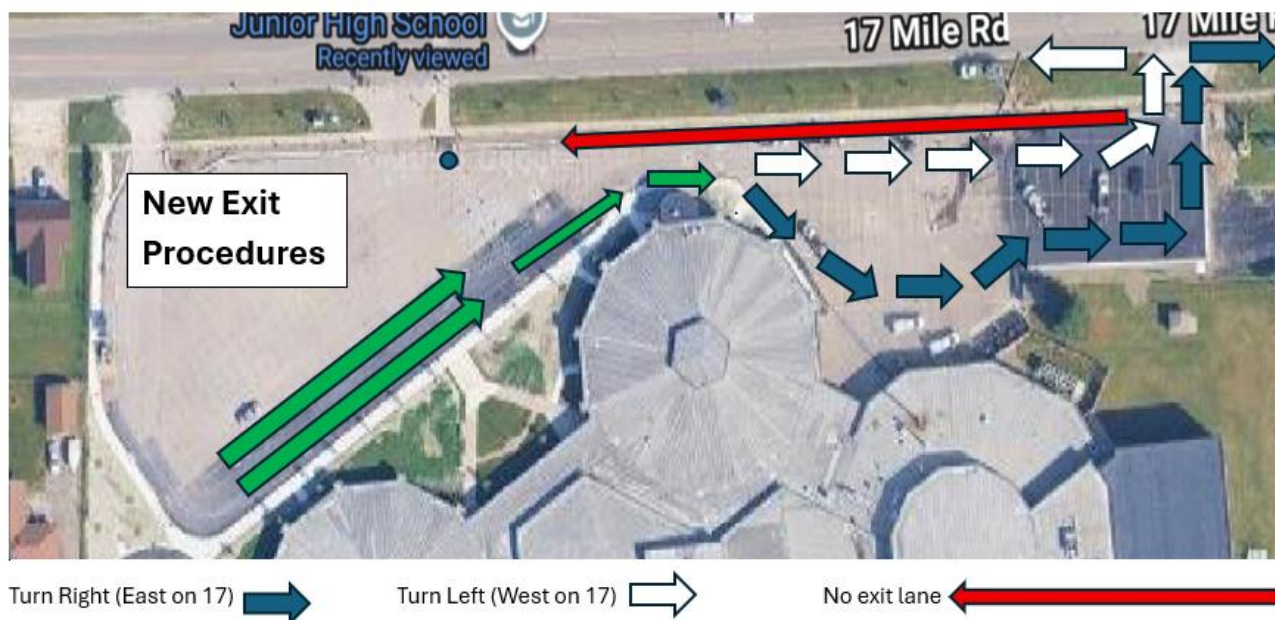

Fees, especially ID fees, are to **be paid in full by Friday, September 9**. If you need to make payments for technology fees, you can pay online at <https://www.payschoolscentral.com/> You will need to create an account and add in the amount to pay under the correct category. You may also pay in cash or check payable to DJH to the main office. For questions regarding fees, please contact Mrs. Suhy, via email at christine.suhy@uticak12.org

Davis Junior High One Time Fundraising Request (Send donations with your child to the main office!)

A suggested \$20 donation per family would be greatly appreciated to help offset the cost of numerous programs at DJH. 100% of your monetary donation directly benefits our school. Money will go to offset costs for the following: Freshman Farewell, Student Awards, Positive Behavior Support (PBS) rewards, purchase of classroom technology, special events/assemblies, Where Everybody Belongs (WEB) mentoring program, instructional and classroom needs, and any other purchase to benefit our students. All students that donate money through this manner will be eligible for all fundraising fun events throughout the year as a way of saying thank you! Look for the fundraiser table at Raider Day!

Parking Lot Changes – Effective 10/27/2025

Parents – please review effective changes to arrival and dismissal based on the exit procedures of the Davis parking lot.

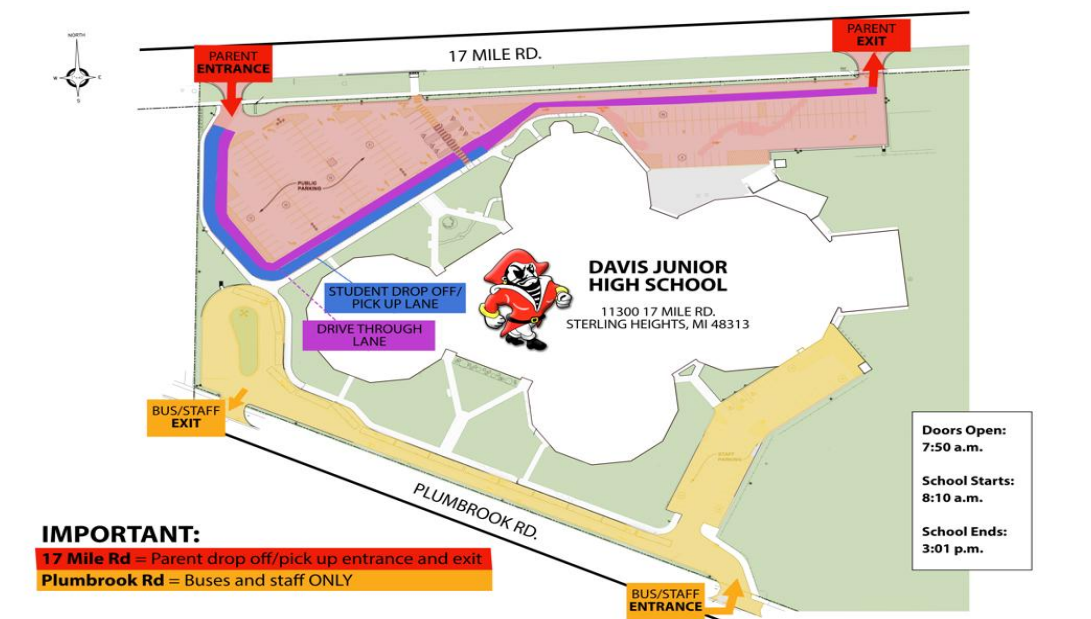

Please review changes effective 10/27/2025 regarding exiting the Davis Junior High parking lot at arrival and dismissal.

As you drop your child off or pick them up, please think ahead to whether you are turning left or right out of the parking lot onto 17-mile road. Once you have either dropped off your child or picked them up, please merge into the appropriate lane as designated (white arrows – to turn left on to 17-mile, blue arrows – to turn right on 17-mile) to exit the lot.

School Drop Off Information (Parking Lot Map)

Please see the map below for the parent entrance regarding the drop off and drive through lane in front of the school.

Parents should drop their child off and proceed to the exit as marked on the map below. Cars should not be using the drop off lane to park. We anticipate it will take some time for the flow of the parking lot drop off to work itself out. Please exercise patience and caution at arrival times!

Parking Lot Reminders

The beginning of a new school year can bring out frustrations in the school parking lot as students are being dropped off in the morning and picked up at night. **We need to make sure we are modeling appropriate behavior for our children as well as adhering to basic rules to ensure safety in our parking lots daily.** For those parents that are new and a general reminder to all parents of how our drop off/pick up procedures works:

- The curb side student drop off area should be used as just that: Pull up, stop, the child(ren) exit the car, the car moves forward and then exits the parking lot by the gym area. Dropping your child(ren) off should only take a matter of seconds and speeds the process along for all.
- This curb side drive through lane should be used after dropping your child off and passing a car in front of you. Please exercise caution as cars could be coming from the parking lot.
- Bus loop - cars should not be driving through the bus loop at arrival or dismissal. This area is for school buses only and is not a cut through
- **Muriel Street - this is a great place to drop off and pick up your child. This would allow you to bypass the parking lot completely and utilize the crossing guard that is in front of the school on 17 mile. Several families have taken advantage of this instead of navigating the parking lot at arrival and dismissal.**

Each year we send out reminder messages to parents about the parking lot and we also include information in our weekly newsletter. Please take a moment to read/listen to these messages as our intent is to make school a safer place for all. I know that together we can provide a safe environment for our children. Hopefully this time change will assist as we move into the end of fall weather and winter months. From time to time, our partnership with the Sterling Heights Police Department allows them to randomly check out the parking lot flow and traffic patterns around the schools in Sterling Heights. You may notice them from time to time assisting and or observing these patterns. Please be aware that they have issued tickets before to parents that are not following the observed traffic rules above.

Athletic Information – Fall Sports (Football and Volleyball)

Any current 7th graders (future 8th grader students) interested in joining Davis Football & Volleyball, please see the information below:

- You will need an updated physical to participate in tryouts/practices/games.
- Football and Volleyball Information will be available to students the first week. **(Note – students should plan on an informational meeting the first day of school).**

Sports Physicals

For the 2025 - 26 school year, a sport physical is required for all students who participate in sports. A physical examination must be completed on or after **April 15, 2025** to be considered a valid physical for the 2025 - 2026 school year. The MHSAA two-page physical form has not changed and remains on the district athletic page as well as on MHSAA.com. [Click here to be redirected to the MHSAA Website](#)

Athletic Participation and Tryouts

Students must have passing grades and good citizenship to participate in athletic events. For 7th and 8th grade students that want to tryout the following criteria is utilized by athletic teams:

- 7th and 8th - Any student that failed three or more classes from the previous reporting period (semester/marking period) and has three or more low citizenship marks of U or N from the previous reporting period (semester/marking period) may not try out for an athletic team.
- Students that make an athletic team and earn failing grades and/or have low citizenship marks (N or U or combination) will be placed on academic probation during the season. The criteria above is utilized for weekly athletic eligibility checks with grades (three or more failed classes) and citizenship (three or more Ns or Us).
- Must be in school for 3 hours to play.

Athletic Events – Home Games (Davis Junior High) – Fall, Winter, Spring Athletics

Students that are attending any home athletic events at Davis Junior High **must have a valid school ID card and be accompanied by a parent**. Students are not allowed to attend the event without these two criteria and should not be dropped off at school. Students that are without a parent will be asked to contact a parent to be picked up.

Notice to Parents of Students Needing Medications Stored in the Main Office

In preparation for the school year all health plans and authorization for medication forms should be returned to the office before the first day of school with any required medications. All medical forms can be accessed here: [Resources and Forms / Resources and Forms \(uticak12.org\)](https://uticak12.org/Resources-and-Forms/) If you do not have access to the website, please contact the Davis office to arrange for copies to be picked up. If your child takes the bus, you will also be asked to complete two Transportation forms. Please return one to the school office when you bring your Health Care Plan, and the second should be handed to the driver on the first day of school, both with color pictures attached. Transportation requires this be done promptly to ensure the driver is aware of any potential emergencies. If you have any questions or specific concerns, please feel free to contact your school nurse at Emily.duzey@uticak12.org

Davis Junior High Communication Flowchart Process

Parents transitioning from elementary to junior high school often wonder the best way to have their question or concern addressed. It is easy to become discouraged when attempts to communicate with school officials are not addressed only to be referred to others to resolve a problem their child may be experiencing in school. In order to help parents with this process and assist in efficiency, the ***“Davis Junior High School Communication Process Flowchart,”*** has been created. This sequence is in place to make sure your questions and concerns are addressed to the proper school official. It is our hope that the flowchart will be utilized as a way to direct your question or concern so that it may be handled by the appropriate school official and responded to quickly. ***As always, classroom concerns and questions should be directed to the specific teacher involved.*** The chart is listed within this newsletter, will be available at Raider Day and will also be available on the website for parents for future reference. Please note that our office staff will be trained to help assist parents with this process and in many cases, you will be referred to the first level in order to provide you with the most direct staff member.

Davis Junior High School Communication Flowchart Process

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **two (2) business days**, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the **“Communication Process Flowchart.”** The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Davis Junior High Communication Process Flowchart

| Davis Junior High Communication Process Flowchart | | | | | |
|---|-------------|----------------------------------|---------------------------|----------------------------|--------------|
| Area of concern | First Level | Second Level | Third Level | Fourth Level | Fifth Level |
| Instruction/Curriculum | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Athletics | Coach | Davis Athletic Director | Principal | District Athletic Director | Board Office |
| Special Education | Teacher | Special Education Staff | Counselor | Principal | Board Office |
| Student Concerns/Guidance/Health Related Concerns | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Classroom Discipline | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Non – Classroom School Discipline | Teacher | Counselor | Assistant Principal | Principal | Board Office |
| Classroom Concerns | Teacher | Counselor | Principal | Board Office | |
| Scheduling Concerns/Changes* (See Below) | Teacher* | Counselor | Principal | Board Office | |
| Transportation | Bus Driver | Assistant Principal (Discipline) | Transportation Supervisor | Board Office | |

Scheduling Concerns/Changes* – In order to process a schedule change, parents must first have met with the teacher and put a plan in place to support the struggling student. If after several weeks, the student is still struggling, it would be appropriate to move to the second level.

Please note - Classroom questions concerning your child should be addressed with your child’s teacher before contacting the counselors and/or school administration. Allow for **two (2) business days for a response**. If no response is received from a teacher during that time, send a second email or phone call to that teacher.

Please note that compliments or acknowledgements of positive events can be directed to everyone along the chain. All of us appreciate hearing that there is something good that has happened. We all look forward to a wonderful school year with few complaints!

Guidelines for Parent Communications to Teachers and Staff

The purpose of this section is to serve as a general guide for ensuring effective communication from parents to teachers, staff and administrators. Communication refers to both the sending and receiving of information, such as email and notes, and verbal communications such as telephone conversations and face-to-face meetings. In order to ensure a successful exchange of information, it is important that all parties follow a few key principles.

Maintain Respectful and Open Communication

- Always use a respectful and polite tone.
- Request, don't demand.
- Be ready not just to provide information, but to listen to teacher/staff observations and perspectives.
- Enter the exchange with an open mind and assume a shared best interest for your child.
- Be prepared to work collaboratively to solve problems.
- Threats and/or inappropriate language will not be tolerated toward staff members.

Confidentiality

- Recognize that confidentiality may limit information that can be shared from school to parents, including consequences for other students' behaviors.

Time to Respond to Communications

- Teachers will make every effort to respond as soon as possible to parent communications, with the understanding that the teaching day sometimes precludes immediate responses.
- Teachers and staff may need some time to collect needed information before responding.

Whom to Contact

- Most communications of classroom concerns should be directed at first to your child's teacher.
- If you have an issue with a particular staff member, first try to address those concerns with that staff member directly.
- If you have discussed with your child's teacher and the issue has not been addressed to your satisfaction, then move to the next level.
- Please recognize that it is both the policy and the value of our school that we operate with openness, collaboration and the shared best interest for every student.

SCHOOL INFO - COMMUNICATION GUIDELINES AND PROCEDURES

As part of an ongoing effort to foster effective communications between parents and staff at Davis, school officials developed the following communication guidelines. The goal is to establish a set of reasonable expectations and behaviors for parents and staff. These guidelines will be reviewed on a periodic basis and adjusted as necessary.

UPDATE YOUR CONTACT INFORMATION

It is important that the school has current phone numbers and addresses on file in our school data system. If you move or change your phone number, it is imperative that you notify the school and update your emergency contact information. Please visit the office to update a form.

CONTACTING TEACHERS OR STAFF

Best mode: email/phone

Parents wanting to meet with or contact a teacher should email the teacher. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. Phone messages are checked every day. Please allow for two (2) business days for a response. If no response is received from a teacher during that time, send a second email or phone call to that teacher before moving to the next level on the flowchart.

CONTACTING SCHOOL ADMINISTRATION

Best mode: email/phone

Parents requesting a meeting with or wanting to contact an administrator should use email. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. **Parents that have not followed the "Communication Process Flowchart" will be directed to the appropriate level based on the circumstances.** Phone messages are checked regularly. Please allow for two (2) business days for a response. If no response is received from an administrator during that time, send a second email or phone call before moving to the next level on the flowchart.

Davis Junior High Student ID Policy (*All Students Must Have ID's Visible*)

Davis Junior High School continues to work to ensure the safety and security for all staff and students. This is a top priority each and every day. All students at Davis will now be required to wear and have visible their school ID badges at all times. In addition, the wearing of school identification provides a professional setting and promotes College and Career Readiness for all students. Wearing of ID badges is required as part of many workplace environments, as well as on college and university campuses. Furthermore, the wearing of student IDs provides easy identification of students for teachers, substitutes, district staff personnel, and law enforcement if ever needed.

Students have received their school IDs from Raider Day or will receive them over the first weeks of school. The expectation will be reinforced with students on Day 1 as well as at the student handbook meeting presentations on Tuesday, September 10.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To obtain early dismissal
- To allow movement during lunch, going to and from restrooms
- To be on campus before or after school
- To move between classes and/or the hallway during passing time periods
- To participate in school activities, assemblies, dances, etc. on the campus of Davis
- To get into high school events for free (if offered by the high school)
- To be used for the PBS Earned Privilege Level for Citizenship and Academics (Raider Red)/Lunchroom

Student ID Card Guidelines:

A student's ID card authorizes him/her to be on the school campus. **EVERY** student must wear his or her student ID card while on school grounds. It is crucial that the school staff is able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. **Student IDs may be left in the student's assigned locker overnight so as to ensure the student ID is not left at home. Teachers will do periodic student ID checks in class, at the discretion of administration.** Periodic incentives will be provided at the discretion of administration when school-wide student ID checks are implemented.

The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn on a lanyard.
- Student ID cards cannot be worn on a shirtsleeve, pants, outside of pockets, under a shirt, coat, jacket or at the bottom of a shirt. The student ID card **must be visible AT ALL TIMES** (i.e. not kept in a purse, pocket or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e. no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
- Wearing another student's ID card is prohibited.
- Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced **IMMEDIATELY**.
- If the ID card is lost, a student may purchase a new student ID card from the office.
 - **There will be a \$5.00 fee to replace a lost ID badge and a \$3.00 fee to replace lost lanyards.**
 - At the discretion of the administration, a designated hour may be established for purchasing IDs.
- Students are excused from wearing ID cards during classes **IF** a teacher/administrator considers it to be a safety risk during identified classroom or other activities, including, but not limited to:
 - Science labs, equipment use, physical education, music, and other classes when wearing the student ID may cause entanglement or safety concerns.

Students who do not have their student ID cards will adhere to the following procedures:

Before school begins, a student who does not have a student ID must obtain a temporary ID in the Main Office.

- Please note that there is a limit of three consecutive days that a student may obtain a temporary ID. After the third consecutive day, student will report to the Assistant Principal.
- If a student reports to class **WITHOUT** a proper or temporary ID, the teacher will send the student to the office to obtain a temporary ID. The temporary ID **MUST** be worn and visible for the remainder of the day. The temporary ID will have the date issued on it and needs to be returned at the end of the day.

Consequences for Not Displaying/Possessing School ID card:

- **1st Violation - FIRST** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **2nd Violation - SECOND** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **3rd Violation** – Responsible Choices Room (Lunch detention) – Issued a temporary ID and a call home by Administrator.
- **4th Violation** – Additional consequences, up to and including suspension at the discretion of Administration.

NOTE: Consequences are cumulative for the entire school year.

****If requested by staff, all students must provide access to their ID. Failure to comply with a reasonable request from any staff member is defined as Defiance of Authority. Any consequence for failure to comply will be in addition to the one for the ID violation****

Davis Junior High School reserves the right to modify the Student ID Policy at any time without notice. Any subsequent changes to the policy will be communicated through its normal means of dispersing information.

Positive Behavior Support/Earned Privilege Program

Davis Junior High School has always strived to maintain a safe and orderly learning environment for all of our students. In an effort to improve our school climate and culture, many of the Davis staff members volunteered their time two years ago to form a Positive Behavior Support (PBS) Committee. PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes. This program is aimed at building effective learning environments in which positive behavior is acknowledged for all students. Our program emphasizes the use of proactive, educative and reinforced-based strategies to achieve meaningful and durable behavior outcomes. As a staff we will be focusing on acknowledging positive behavior in the classrooms, hallways and the lunchroom by teaching and reinforcing our ***"Raider Red Expectations."***

During the first week of school and throughout the year, staff members will be teaching our ***"Raider Red Expectations: I Can Listen, Learn and Lead"*** to students. We hope that by modeling and communicating these expectations to our students that they will begin to have a better idea of what is expected of them as students at Davis Junior High. We feel that the expectations of listening, learning and leading will serve as a roadmap for success for all of our students as they navigate junior high school to eventually transitioning to the high school and beyond. It is a goal of our program to provide students with common language and the necessary problem solving skills that will help them have a much more productive and positive day at Davis. Students who are engaging in listening, learning and leading behaviors will be individually acknowledged by earning ***"Raider Red Tickets"*** and honored with prizes and recognition during our weekly lunchroom drawings on Fridays. Students will also participate in our "Grades and Citizenship" program. This is an academic and citizenship reward system that is set in place to encourage students to do their very best on Progress Reports and Report Cards. There are seven cycles per year. Each student will receive points for the grades as well as their citizenship performance grade. The points are rolled into ranges that students can attain throughout each progress and report card cycle for various school raffles and prizes. This will allow students to have more access to "fun" school opportunities and we are very happy about this part of our program. Our ***"Raider Red Expectations: I Can Listen, Learn and Lead"*** will be posted throughout the classrooms and school for easy reference for our students. It is our hope that you will spend some time reviewing the matrix with your child as it clearly defines the expectations for our students within the program.

As part of a new state law, all UCS and Michigan parents will receive information about concussions, their symptoms, and what to do if you suspect a concussion. UCS parents will receive the form as part of the back to school registration packets.

The form, which asks parents to sign and return to the school office, is also available at this [link](#). The form will also be required of all new families registering in UCS for the first time. In addition to providing the parent information sheet, UCS physical education staff members and coaches will also take part in an on-line training program about concussions. Pay to Participate Payments

Utica Community Schools offers PaySchools, an online system which allows you to make payments online via e-check or credit card. It can now be accessed from our school's website. Parents with students participating in fall sports are encouraged to use this system. It will be available as well for a variety of school-based programs. PaySchools offers easy and convenient online access 24 hours a day, seven days a week, an end to lost checks, the ability to view account history of purchases and the assurance of private and secure transactions. Administration of Medication

In cases with medication, parents can administer to their children at home. In the event that it is not possible and a student needs to take medication at school, the school may administer either prescription or non-prescription medicine, but only when authorized by the student's parent/guardian **and the child's physician**. Requests must be made by completing an **Authorization for Medication Form**, available in the school office. This form must be signed by the child's physician.

Afterschool Reminder

Students should be within their scheduled activity/picked up afterschool. Pick up should be no later than 3:00 p.m.

Arrival and Drop Off Information (Non-Bus Students)

Davis Junior High will open doors at 7:35 a.m. Students should enter the building and report directly to the cafeteria. Parents – as a reminder for student drop off, we have two locations along the front of the school. The locations for drop off are **the A Pod entrance (look for drop off signs)** and the front of the building. To alleviate some of the traffic, please plan on dropping students off early on in the line along the sidewalk and letting them walk in the A Pod entrance. This will speed up traffic in the morning and as always, please exercise patience and caution. **One lane only for student drop off!** We appreciate your help!

Attendance Line Information (586.797.2799)

If you are calling in for an early dismissal, please press 0 and talk to an office assistant. If you are calling in an absence, please call in prior to 9:00 a.m. When calling in your child's absence, please make sure you spell the last name as well.

Automated Phone Call: Contact Update

Utica Community Schools will continue to message important school-related information such as delayed openings or school closure through a number of resources including local media outlets. As a service to parents and staff, the district will also continue to call directly to phone numbers linked to our Automated Call Information Alert System. Parent phone numbers for the automated call are drawn from PowerSchool which should be updated at the building level.

Breakfast Information

Davis Junior High will make available nutritious breakfast to students and staff daily starting August 26, 2025. Breakfast will be served at 7:35 a.m.

Bus Passes

Bus passes are a privilege and will only be permitted if a bus has not reached capacity. Both students must be bus riders and both students must submit a note from their parent to the Main Office before 1st hour. The signed note from the parent should include the student's assigned bus number as well as the bus number they will be riding. The pass needs to be picked up by one of the students before the end of the day.

Davis Raider Review – Archived Editions

For the parents new to Davis, you will notice that the most up to date information will always be at the top of the newsletter. As the month moves along, earlier editions of the newsletter are located below. This is done with the purpose of providing you an opportunity to find information in one newsletter as opposed to having to go back and review earlier editions that you may have saved. The newsletter will also be available on the Davis website.

Food Deliveries

Food that is delivered by a company **such as Door Dash or Grub Hub will not be permitted at Davis**. Due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. We ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. Coffee, smoothies and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Davis is aligning with Stevenson in order to provide consistent expectations for our students.

Early Dismissals

Students who need to be excused during a school day should bring in a signed note from their parents to the main office prior to school starting in the morning. The note should include the **date, time, and reason for the dismissal as well as who will be picking the child up**. Please do not leave a message for an early dismissal on our attendance line. This procedure will ensure that your child will be dismissed on time and should keep unnecessary phone calls to a minimum.

When signing your child out early, please be prepared to show identification at the main office. Office staff will be asking for a driver's license or other form of identification in order to release the student.

Homework Requests

After a student has been absent for two days, homework requests may be made directly to the teachers, either by e-mail or phone. If parents contact the office, they will be directed to the classroom teacher. Please use PowerSchool to email teachers directly.

Junior High Parent and Student Handbook

In the first days of school each year, every student in junior high participates in a handbook presentation with school administration. This handbook is a valuable resource containing information about athletic programs, bus transportation, attendance procedures, dress codes, graduation guidelines, technology use, how to communicate concerns, medical services, behavior guidelines and disciplinary procedures. [Click here to access UCS handbooks](#)

Lockers Assigned to Students

7th grade or new students will be issued lockers at Raider Day based upon their grade. In each locker there is a lower shelf for additional storage of books. A separate gym locker will also be issued to each child during gym class. It is the student's responsibility to keep lockers secure. ***Please remind your child not to give out combinations to their friends.*** The sharing of combinations, even with friends, usually results in problems such as lost locks, books and/or folders.

Lunch Information and Procedures

Students will follow our lunch procedures which will include coming in, sitting at their assigned seat, waiting for instructions, getting lunch, eating, and then being dismissed. Assignments are given so that students have a place to eat.

Michigan Cyber Safety Initiative

The Michigan Cyber Safety Initiative (CSI) is a national, award-winning program and has been presented to more than one million students. It teaches children the importance of being safe, making smart decisions, and protecting themselves and others while online. [Click here](#) if you haven't reviewed the information with your child. The website is also below: www.safeteens.com/tips-to-stop-cyberbullying

Non-Emergency Deliveries and Messages

Messages cannot be delivered to students during school hours. Non-emergency messages and deliveries will take place only at the end of 1st hour, lunchtime and at the end of the day. Students will not be released during class to report to the office to pick up messages or items brought in during the school day. Lunches will be sent to the cafeteria and distributed.

Office Telephone Use: How, When and Why?

Office telephones are available to students in case of illness and special circumstances. Students should ***not*** use cell phones to call parents to report illness, accidents, or to request to leave school. Students should report to the main office.

Parents and Visitors

Everyone who enters Davis Junior High **must report to the Main Office**. This is a school district policy and in place to keep all students safe. You will need to sign in, put a visitor's pass on, and our office staff will be glad to assist you. Please do not attempt to gain access to the school through a side door or when students are leaving the building at dismissal.

PowerSchool Information

Parents and students can view their student's schedules, attendance and grades. Parents with multiple UCS students can now create an account to access all of their data with a single login. Parents will need the access ID and access password for each student. Access IDs and passwords follow students from year to year.

School Safety Information

Student and staff safety remains a priority for our school. Our district uses a multi-layered approach to proactively prepare for any type of emergency that is focused on training, school-based emergency plans, an emergency preparedness team consisting of law enforcement, mental health support, and constantly reviewing our facilities to determine improvement needs to enhance security. Recently, our staff has been engaged in training related to “Standard Response Protocols.” The protocols identify five specific actions that use common language related to a potential incident: Hold, Secure, Lockdown, Evacuate and Shelter. The poster below is what we have had in every classroom in Utica Community Schools in English, Arabic and Spanish since the beginning of the school year.

To show students their role during these standard response protocols, we will be presenting the following video (<https://youtu.be/Nvkz7iomzCA>) that features a high school age student demonstrating how to react during each action area. It provides training in a very relaxed and engaging way directed at secondary students. Following the viewing of the video and discussion with their teacher, students will continue practicing the school/safety drills using the standard response protocols. Thank you for your continued partnership to keep our students and staff safe.

Standard Response Protocol

UCS staff has been trained in the district's Standard Response Protocol used in the event of an emergency situation. Training for students is now ongoing.

The protocols have five stages:

- Hold! in the room or area and clear the halls
- Secure - Get inside. Lock Outside Doors.
- Lockdown! Locks, lights, out of sight
- Evacuate! (A location may be specified)
- Shelter - Hazare and safety strategy

Every classroom in UCS has a poster that identifies these strategies. To view the poster, please see this [link](#).

Security

The front doors will be locked during school hours. To gain access at Door #2, ring the button near the far-left door at the main entrance. Office staff will see you through the security camera and unlock the doors if deemed appropriate. Please report directly to the main office.

Student Cell Phones/Use of Electronic Devices

As we prepare to begin a new school year, it is important to revisit some district and building policies in regard to use of electronic communication devices (ECD.) With the permission of teachers, student may use cell phones in the classroom for educational purposes. **Students may not use cell phones to take pictures, text or call during the school day. Students may use their cell phones before school and after school, in the hallways, and at lunch.**

Student ID Badges

All junior high students are required to wear their ID badge at all times. Students will get their IDs after Picture Day this year, so there will be a month where students will not be required to wear IDs. Once students receive their ID after school picture day, we always expect them to be worn. They need to be visible and, on a lanyard, which we will provide.

Student Planners

Davis will once again be using a student planner and students will receive these books at Raider Day. The planner is a combination assignment book, classroom pass system, and organizational tool. Replacement or additional planners can be purchased at a cost of \$5.

Student Supplies/Backpacks

Student general school supplies will include backpack, laptop, charger, headphones, writing utensil and notebooks/binders.

Social Media Information/School and Parent Responsibility

Students should not be using social media sites such as Twitter, Instagram, Facebook, Snapchat, Kick, etc. during school hours. If students are using these sites off school grounds, monitoring of the sites and student use is the sole responsibility of the parent. School staff will not be responsible for this outside of school. Should social media information create a substantial disruption to the school, you may be contacted and/or disciplinary action will be taken depending on the severity of the incident. As the parent, if you feel that your child's safety and or privacy has been violated through social media outside of school, please contact the police as a first step intervention.

Weekly Communication – Newsletter (Davis Raider Review)

The "Davis Raider Review" is an electronic newsletter that will be emailed through school messenger weekly (Thursday afternoons) to all parents and will start during the first week in September. The newsletter will be archived monthly on the Davis website and is a great way to keep up on events and information from the school.

Yearbooks on Sale

Order your Davis Junior High yearbook during Raider Day for \$40. **After Raider Day, yearbooks are \$43.** Make sure to keep the receipt in a safe place so your child can bring it when yearbooks are distributed.

December 11, 2025

Dear UCS Community,

I recently shared an update on continued work to address long-standing issues with our attendance areas. The update provided information on how we are evaluating the feeder patterns for Stevenson High School and Henry Ford II High School. This work is being coordinated in conjunction with scheduled facility improvements throughout our district.

We have developed an attendance area plan in partnership with our Enrollment Distribution Advisory Committee (EDAC), which is comprised of community members from each school.

Over the past few months, this committee has provided input into a plan that focuses on neighborhood schools that would strengthen communities and create greater access for students to improved facilities. The recommendations also establish consistent secondary feeder patterns where students remain with their friends throughout their K-12 journey. The plan includes changes to each of the following schools reviewed by our Enrollment Distribution Advisory Committee. These adjustments are planned for the fall of 2028:

- **Harvey Elementary School** – Dresden Elementary students will be consolidated with the existing Harvey Elementary attendance areas east of Van Dyke. The district's Auxiliary Services Department is evaluating Harvey Elementary to determine the facility improvements that will support the change. A portion of the school's attendance area in Shelby Township will be merged with an adjacent Flickinger Elementary neighborhood. This neighborhood will follow the Flickinger Elementary feeder pattern of Eppler Junior High School to Utica High School. (See [Map](#))
- **Schwarzkoﬀ Elementary School** – The Plumbrook Elementary attendance area east of Van Dyke will be consolidated with Schwarzkoﬀ Elementary and DeKeyser Elementary. The district's Auxiliary Services Department is evaluating Schwarzkoﬀ Elementary to determine the facility improvements that will support the change. Also, through a partnership with the Macomb Intermediate School District (MISD), improvements will be made to the facility to meet the unique needs of the Physically or Otherwise Health Impaired (POHI) program. In addition, a remote section of Schwarzkoﬀ Elementary attendance area west of Van Dyke will be consolidated with adjoining Schuchard Elementary neighborhoods. (See [Map](#))

Mary K. Smolenski, Ph.D. - President • Denyeal Nesovski - Vice President • Steven R. Meyer, Ph.D. - Treasurer
Kelli Rankin - Secretary • Kimberly Becker - Trustee • Machelie Fitzpatrick - Trustee • Michael Austerman - Trustee

- **Dresden Elementary School** – Dresden Elementary will be consolidated into neighboring school communities. The southern portion of Dresden Elementary will be merged with an improved Harvey Elementary facility. In Shelby Township, remote portions of the attendance areas will be merged with adjacent Ebeling Elementary and Monfort Elementary attendance areas. (See [Map](#))
- **Plumbrook Elementary School** – Plumbrook Elementary will be consolidated into neighboring school communities. The attendance area east of Van Dyke and west of Dodge Park will be merged with Schwarzkoff Elementary, including the relocation of the countywide Physically or Otherwise Health Impaired (POHI) program. Working in partnership with the Macomb Intermediate School District, a space will be created to specifically meet the unique needs of POHI students. The portion east of Dodge Park will be merged with an adjoining DeKeyser Elementary neighborhood. The remote portion of the school boundaries west of Van Dyke will be merged with the adjacent Burr Elementary attendance areas. (See [Map](#))
- **Burr Elementary School** – A remote portion of the Burr Elementary boundaries between the Conrail Rail System and Van Dyke will be merged with an adjacent Harvey Elementary attendance area. This neighborhood will also become part of the Bemis Junior High School and Henry Ford II High School feeder pattern. (See [Map](#))
- **DeKeyser Elementary School** – A remote section of the DeKeyser Elementary attendance area west of Van Dyke will be merged with Burr Elementary. The attendance area is in close proximity to the Burr Elementary property. (See [Map](#))
- **Oakbrook Elementary School** – A small attendance area off Plumbrook Road, east of Dodge Park, will be consolidated with the adjacent DeKeyser Elementary attendance area. (See [Map](#))
- **Monfort Elementary School** – A portion of the school's attendance area that was embedded into Dresden Elementary's boundaries will merge with neighboring Ebeling Elementary. This neighborhood is northeast of Schoenherr and 22 Mile Road. This neighborhood will also become part of the Bemis Junior High School and Henry Ford II High School feeder pattern. (See [Map](#))
- **Schuchard Elementary School** – Portions of the Schwarzkoff Elementary attendance area west of Van Dyke will be merged with adjoining Schuchard Elementary. (See [Map](#))

The following change will be scheduled for fall of 2027:

- **West Utica Elementary School** – All West Utica Elementary students will feed into Eppler Junior High School. Previously, West Utica Elementary students attended Jeannette Junior High School, which largely feeds into Stevenson High School. This

change will establish a pattern of West Utica Elementary School, Eppler Junior High School, and Utica High School, which is consistent with schools in this area. (See [Map](#))

We have provided a great deal of information on our website at www.uticak12.org/buildingforthefuture. This site includes a [map](#) of the revised attendance areas and [questions and answers](#) about the plan. There is also a [feedback](#) form that will allow you to ask questions that we can address to you personally or include in further updates.

We are committed to working with our staff and community members to create a positive and successful transition. Through this work, we will keep neighborhoods together, allow students to stay with their friends through their K-12 journey, and give more students access to improved facilities that foster greater achievement and innovation.

Sincerely,

A handwritten signature in blue ink that reads "Robert S. Monroe". The signature is fluid and cursive, with the first name "Robert" and last name "Monroe" clearly legible.

Attendance Area Update

Utica Community Schools is continuing to address long-standing issues with school attendance areas. The review is in conjunction with facility improvements across the district.

When reviewing attendance area configurations, safety, the age of the facility and enrollment trends are being considered.

Currently, the district's Enrollment Distribution Advisory Committee (a standing citizens group with representatives from each school that reviews attendance areas) is assessing patterns for schools that feed into Stevenson High School and continuing its review of Henry Ford II High School feeder schools. Also, portions of the Monfort and Flickinger attendance areas are under review based on how they are embedded or in close proximity to the attendance boundaries of Dresden, Harvey and Ebeling elementary schools.

The attendance areas under review are on the second page of this fact sheet. Changes to these attendance areas would be effective for fall of 2028-2029 in conjunction with facility improvements.

Overview

- Through the implementation of facility improvements, UCS is addressing complexities in attendance areas that were largely developed 50 years ago.
- Current attendance areas feature some neighborhood subdivisions geographically disconnected from neighboring communities and boundaries that do not take advantage of major landmarks and roadways.
- The facility review process includes a long-range facility improvement plan and consolidation of buildings.
- By improving select elementary schools and consolidating school attendance areas, UCS would create greater access for students to updated facilities that support growth and achievement.
- Schools are being evaluated based on three criteria: overall safety, age of the facility and enrollment trends for the school.
- Attendance areas currently under review include feeder schools to Stevenson High School and Henry Ford II High School. Consolidation may also impact students assigned to nearby areas that feed into Utica High, such as Monfort and Flickinger Elementary.
- Input is being received from the Enrollment Distribution Advisory Committee (EDAC), comprised of community representatives from each school.

Parent Access to Report Cards

The Macomb Intermediate School district has implemented a new process for parents to access their child's report card. This is a reminder that report cards will be available on your parent PowerSchool account later on November 7, 2025. Report cards are being shared through a secure method using your parent PowerSchool account. The file can only be accessed through a web browser, such as Edge, Chrome or Safari. Please note that the link is not available through the PowerSchool App. Directions on how to access the report cards have been updated and are available at [this link](#).

Below are the new directions for families. Utica Community Schools will send an email when the report cards are available.

DOWNLOAD REPORT CARDS using the PARENT PORTAL LOGIN

REPORT CARDS are available when accessing your Parent PowerSchool Account in a web browser (desktop or mobile) only. They are not available in the PowerSchool App.

1. Access the Parent Portal website: <https://ps.ucs.misd.net/public> and login using your username and password.
2. Upon login, one of your students will be selected in the upper blue bar, left side. The next steps will relate to this selected student.
3. In the left menu, click on DOWNLOAD REPORTS

4. Click either the Report Card or Standards Report Card tabs, the current school year should already be populated, click Download Report
 - a. "Report Card" will be for 7th through 12th grade students
 - b. "Standards Report Card" will be for K through 6th grade students

Download Student Reports: [REDACTED]

A screenshot of a web interface for downloading report cards. At the top, there are four tabs: 'FastBridge Report', 'Report Card' (highlighted with a red box), 'Standards Report Card' (also highlighted with a red box), and 'NWEA Report'. Below the tabs is a section titled 'FastBridge Report File Download'. It includes a 'Select Year' dropdown menu currently set to '2025-2026' and a blue 'Download Report' button.

5. The PDF file should open in a new tab or will be found in your computers Download folder.
6. For multiple student families, please repeat steps 3 and 4 after selecting another student name from the blue bar.
7. Report cards will be replaced each quarter. If you like to preserve each report card, please save a file to your device.

Building Configurations
Questions & Answers

What is being considered?

Currently, Utica Community Schools grade configurations are elementary schools that include early childhood, kindergarten and young fives through 6th grade, junior high schools 7th through 9th grade, and 10th through 12th grade being taught at our high schools. The only exception is Henry Ford II High School covering 9th through 12th grade and Bemis Junior High School teaching 7th and 8th grade.

The district is initiating a process that will consider elementary schools with early childhood, kindergarten and young fives through 5th grade, middle schools with 6th through 8th grade, and high schools 9th through 12th grade.

Why is a change being considered?

The current grade configurations were originally created based on the district's capacity to meet its enrollment needs. With changes to its enrollment, Utica Community Schools now has the overall capacity to consider a change.

There are a number of compelling reasons why this is the right time to consider changing grade configurations:

- UCS and Michigan curriculum and assessment standards are organized in a K-5, 6-8, and 9-12 format. This change would better align our schools to successfully meet those expectations.
- We can increase the rigor and course offerings to 6th and 9th grade students and their access to co-curricular activities by changing grade configurations.
- We would have an opportunity to reimagine how a middle school experience can support the unique needs of students in 6th through 8th grade and support a successful transition to high school in the 9th grade.
- The timing is consistent with the current work of our Enrollment Distribution Advisory Committee (EDAC), which is engaged in long-range planning and review of our attendance areas.

Building Configurations Q & A

What is the process being used to consider this change?

The district will be supported by Hanover Research, which also served as a resource for the development of the UCS Empowered Strategic Plan. The process will include consideration of best practices and research, current UCS building utilization, the academic and mental health needs of students, and timeline.

How would a change impact capacity and class sizes?

The district's Enrollment Distribution Advisory Committee (EDAC) is currently involved in a districtwide review of attendance areas. Through this process, the capacity levels of schools would be identified for all levels for a possible grade configuration change. The process will include recent and projected student population declines and their impact on future enrollment at each school.

For our high schools, the additional grade would mean a return to the enrollment that they had about 15 years ago prior to the declines in student enrollment. At the junior high level, all schools would maintain a similar enrollment with the exception of Bemis Junior High which would inherit a third grade level, a change that UCS would need to investigate further. Class sizes would not change; the adjustment would be to the amount of classes being run at any one time in a building.

What is the timeline for implementation?

The timeline will be determined as this process moves forward. Given the amount of planning that would be required for a possible change, implementation would not occur at least until the 2027-28 school year. It is possible to go beyond that date based on the level of planning involved for a successful transition.

How will the mental health needs of students be considered?

Utica Community Schools is committed to meeting the needs of the whole child. Through the Culture of Caring in our UCS Empowered Strategic Plan, resources are made available to support the safety and security, social, emotional and nutritional needs of students. A consideration of building changes will prioritize the resources, research and structures that would support a successful transition for students.

This includes proactive outreach to families, student engagement opportunities, and a continued focus on creating school environments that address unique developmental and emotional needs.
