March 13, 2024

Dear AP Students and Parents:

As a student enrolled in an Advanced Placement (AP) course(s), you have the unique opportunity to earn credit or advanced standing at many colleges and universities across the country if you take and score well on the AP exams that are given each May. Advanced Placement exam registration will take place between Thursday, March 14, 2024, and Wednesday, May 3, 2024. The registration fee for each exam is currently \$50 for most exams, and \$75 for AP Seminar and Research as per the pricing set by College Board. In order to help you prepare and register for this year's exams, please review the Student and Parent Advanced Placement Bulletin. This bulletin has answers to many if not all your questions. It describes each AP exam and fees, provides an exam day checklist, information on AP Grade reporting as well as AP resources and a schedule of each of the AP exam dates and times. If necessary, you may also find this and other relevant information at

<https://apstudents.collegeboard.org/exam-policies-guidelines>.

Any questions about your online College Board Account may be resolved by calling (888) 225-5427.

All students will need a parent or guardian to create an account and submit their payment for each exam electronically through MySchoolBucks. This program is available on the Baldwin School District Website. Each user must create an account using a valid email address and add the name of his or her child as the "student" when paying for AP exams. Multiple students in one household may be added to the same account by their parent or guardian if necessary.

AP Exam Payment Instructions:

- Go to www.myschoolbucks.com, or navigate here through the BHS homepage on the district website.
- To see the AP exam product list, click on "School Store" in the upper left. Then click on "Categories" to click and view "AP Exams."
- Choose each exam to add and check the class and teacher name of each exam to ensure accuracy.
- Add the appropriate exam(s) to your basket for the correct student(s) and proceed to checkout by viewing the cart in the upper right corner of the screen.
- Payment may be made using a VISA, Mastercard, or Discover card. No checks are accepted. The online or printed statement from your financial institution will serve as your receipt.
- **NOTE: Due to ordering deadlines set by the College Board, it is important that all payments be submitted by Wednesday, May 3, 2024.**

Please see page two for a table of exam dates for your reference. If you find that you are scheduled for two exams at the same time, or if you have any questions, please see or call Ms. Torchetti in the learning collaboratory (516-434-6177) as soon as possible. For email contact, you may use torchettian@baldwinschools.org.

A schedule with testing locations will be sent out at a later date. Thank you for your diligence in this matter, and good luck on your exams!

Sincerely,

Jessica Rivera
Assistant Principal

WE ARE INNOVATIVE! WE ARE INCLUSIVE! WE ARE INVOLVED! WE ARE BALDWIN!

Week 1	Morning Session	Afternoon Session
Monday, May 6	US Gov't and Politics	Chemistry
