2020-21 Incoming Kindergartners

Welcome incoming 2020-21 kindergarten families! We are looking forward to you joining the Old Bonhomme community. We have put together a [Google slideshow](#) to introduce you to the faces and places of OB! The kindergarten teachers also created videos to share more about what to expect of your child’s first year at Old Bonhomme.

At the end of the slideshow, you can submit other questions that you may have through a survey. Responses will be emailed out on May 18. We are excited to work with you and your child.

Library News

Students should hold onto library books until August. You can put the books in your backpack now to keep them safe until we can return. All current fourth graders can return OB library books with a sibling who still attends OB OR they can bring them to the FGC library in August. Anne Penrose, FGC librarian, will send all OB library books back to OB.
