Old Bonhomme Science Fair

This year was a challenging one for our Science Fair with distance learning. Students that participated had to not only conduct an experiment or make a model, but also do everything online. We are so impressed with the entries and the level of hard work that has gone into them!

Congratulations to the following students for participating in this year's Science Fair: Going on to the Greater St. Louis E-Fair is: **Ava Stern (1st)**, **Aswin Sureshkumar (2nd)**, **Kevin He (3rd)**, **Alvin He (3rd)**. **Honorable Mention goes to Kiki Siregar.**

Please congratulate these students, they worked very hard to make their project a success! To view the projects click [here](#).

From Mrs. Crawford...

It is with a lot of mixed emotions that I am writing this. Next school year I will be leaving Old Bonhomme to move into a new position in the district as an Elementary Instructional Coach. OB has been my home away from home for 12 years. I have loved every one of my 240+ students and their families. I cherish every bright smile and warm greeting from every OB student. My colleagues have become trusted friends, mentors, and confidants. Old Bonhomme nurtured my own children with a strong foundation. I am forever grateful for all I have learned here. I won't be far, though. I will still be working in the district with teachers everyday, who will take that work right back to their schools and continue guiding all of our students. Thank you for trusting me with your most precious gifts - your children. #OB4ever

From Mrs. Schreiner...

This coming school year, I will be working as the gifted specialist at Spoede Elementary. I am excited to try this new opportunity, but my heart does hurt to say good-bye to O.B. families. The partnership and camaraderie that I experienced with my families is something that I've come to appreciate tremendously. You taught me many lessons that will be invaluable in the months and years to come. The support I felt and the connections that I have made with the O.B. community is second to none. I sincerely thank you. I am forever grateful and will continue to wish the best for O.B. Eagles!

Online Book Fair

Need books? We have a solution for that! While we might not get to enjoy the popular Scholastic Book Fair in person this spring, we still have the opportunity to host an online book fair. Students can choose from a large selection of Scholastic books and orders will be sent straight to your home (orders of \$25 or more will ship for free!). To make it an even better deal, our library will receive a percentage of all online book fair sales which will then be used to buy books for the library. It's a win-win!

The online book fair runs from April 20-May 3. Click on [this link](#) to get to the Scholastic Book Fair home page. If you have any questions about the online book fair, please email OB librarian, Mrs. Kelley at skelley@ladueschools.net.
