

Empowering Parents Application Tutorial

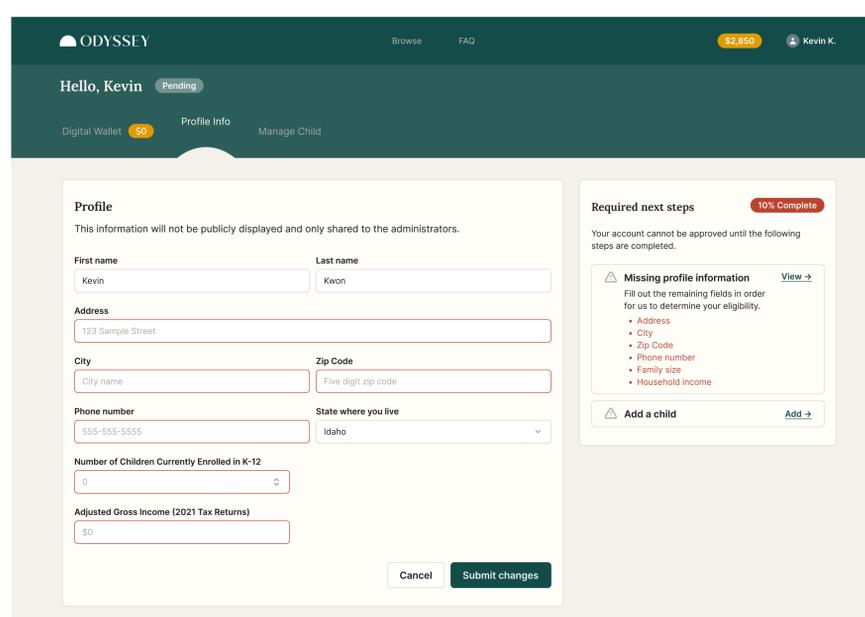

Empowering Parents
HELPING THEIR STUDENTS ACHIEVE

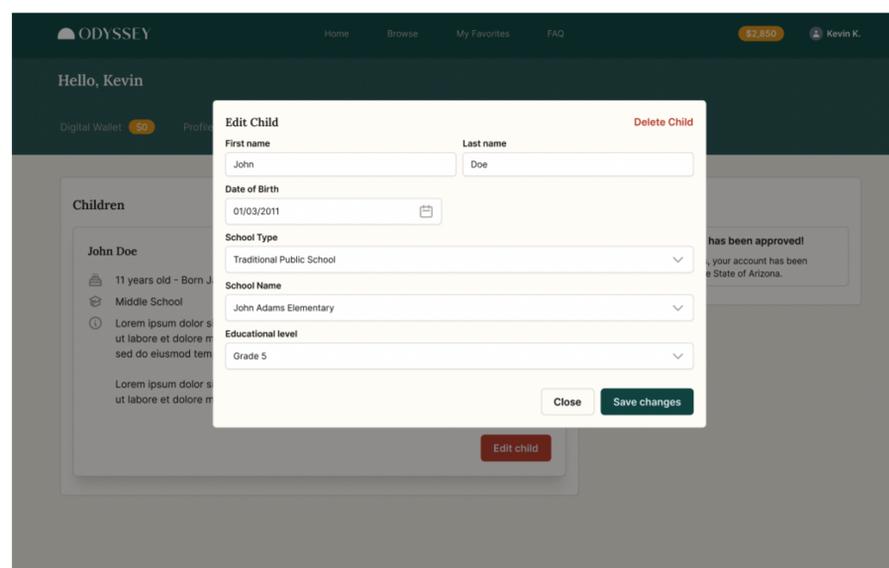

1. Visit www.withodyssey.com/empoweringparents, select the English or Spanish 'Sign Up' button. Fill out your email, name, and password to sign up for an Odyssey account. Then verify your email address before proceeding to the application.

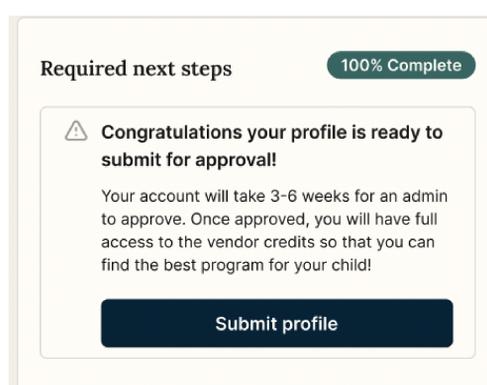

2. You are now able to fill out the Empowering Parents application. Fill out your name, address, number of K-12 children in your household, and your Adjusted Gross Income for 2021. Once completed, click 'Save Profile', then proceed to the right and click 'Add' in order to add a K-12 child to your profile.

3. Fill out your child's information, including name, date of birth, school type, school name, and educational level. Click 'Save and Add Child', and if you need to add another child, click the 'Add Child' button. Applicants are able to edit or delete a child's information prior to submission.

4. Once all of the information is filled out, you will see a '100% Complete' status on the righthand side. Click 'Submit profile' when your application is complete. Applicants will hear back in 3-6 weeks on whether they have been awarded a grant.
