Dear Students and Parents,

On **Wednesday, October 22nd** we cordially invite you to attend our annual collaboration between elementary, junior high, and high school band students. It is an opportunity to see what band looks like for all students if they choose to stay in the program. We have an absolutely stellar night planned including sectionals, free food, and marching band in the DARK! Yes, that's right – our annual GLOW SHOW will be performed for the crowd, in conjunction with a combined effort on the field! This is one of the most fun events we host ever year, and everyone is very excited for it! **Note:** There is no school this day, as it is a teacher PD. **This event is free of charge!**

Here is the schedule for "WEDNESDAY NIGHT LIGHTS":

- **5:45 PM:** Welcome announcements from Mr. Yaros, then break out into sections on the football field. Stevenson marchers will talk and work with the younger kids teaching them cheers!
- **6:15 PM:** Rehearse "Celebration" & "Ghostbusters" in large block formation/concert arc
- **6:40 PM:** Break

Spirit Week – Week of October 27, 2025 (Halloween Guidelines)

Phishing Emails (Please Talk to Your Children If Using their Student Email)

District staff, students and parents have recently received a large number of phishing emails, coming from UCS staff, with the subject "**You are invited!**" When someone clicks to view the invitation, or on any of the links in the email, they are prompted to login with their email credentials. Once they provide their credentials, their account is then compromised and used to send out more of these attacks to others in the district. If you receive one of these emails, do NOT open, do NOT click on the links, do NOT respond or submit personal information to these requests. Remember to always be cautious when clicking on emails that you were not expecting, and NEVER provide your login information when requested by email.

Perfume and Cologne in School

Davis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that result in nausea and being sent home from school. These strong smells trigger asthma attacks and at times, students need to receive medical attention. We are asking students to put on their favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day. Thank you for your cooperation and help with this!

OK2SAY Presentation – Grades 7, 8, 9

OK2SAY is Michigan's confidential [student safety program](#) that allows anyone to report threatening behaviors or potential harm to students, schools, and employees through various channels, including text, phone, a mobile app, and the web. Trained technicians receive the tips 24/7 and forward the information to the appropriate law enforcement agencies, schools, or other responders to address the issue. The program aims to stop harmful behavior by combating the culture of silence, which often discourages people from reporting threats due to fear of retaliation. This presentation is for students from representatives that educate and inform students about the program and how to submit tips.

Parent Notification & Opt-Out Form

Dear Parent or Guardian:

Our school will be hosting an online presentation on [OK2SAY – Michigan's student safety program](#) for students in grades 7 - 9 on Monday, October 27, 2025.

The program is designed to inform students how they can help make their school and community safer by reporting dangerous and concerning behaviors to a trusted adult or OK2SAY.

Students will learn about the program's purpose and how the tipline operates, including what incidents can be reported, how to submit a tip, and the actions taken after a tip is received. Students are encouraged to examine their behaviors and make smart and thoughtful decisions both online and off. The presentation discusses many issues that impact middle school students including bullying, cyberbullying, mental health issues, self-harm, suicide thoughts, sexting/sextortion, types of abuse, the predator threat, and threats of violence. Throughout the presentation, students are encouraged to stand up for themselves and their peers and always to be mindful of the power of their words. Please take a moment to [review the videos featured in the presentation](#).

Additional information and resources are available at OK2SAY (ok2say.com).

If you do NOT want your child to participate, please email your student's counselor by Friday, October 24.

School Drop Off Information (Parking Lot Map)

Please see the map below for the parent entrance regarding the drop off and drive through lane in front of the school. **Parents should drop their child off and proceed to the exit as marked on the map below.** Cars should not be using the drop off lane to park. We anticipate it will take some time for the flow of the parking lot drop off to work itself out. Please exercise patience and caution at arrival times!

Parking Lot Reminders

The beginning of a new school year can bring out frustrations in the school parking lot as students are being dropped off in the morning and picked up at night. **We need to make sure we are modeling appropriate behavior for our children as well as adhering to basic rules to ensure safety in our parking lots daily.** For those parents that are new and a general reminder to all parents of how our drop off/pick up procedures works:

- The curb side student drop off area should be used as just that: Pull up, stop, the child(ren) exit the car, the car moves forward and then exits the parking lot by the gym area. Dropping your child(ren) off should only take a matter of seconds and speeds the process along for all.
- This curb side drive through lane should be used after dropping your child off and passing a car in front of you. Please exercise caution as cars could be coming from the parking lot.
- Bus loop - cars should not be driving through the bus loop at arrival or dismissal. This area is for school buses only and is not a cut through
- **Muriel Street - this is a great place to drop off and pick up your child. This would allow you to bypass the parking lot completely and utilize the crossing guard that is in front of the school on 17 mile. Several families have taken advantage of this instead of navigating the parking lot at arrival and dismissal.**

Each year we send out reminder messages to parents about the parking lot and we also include information in our weekly newsletter. Please take a moment to read/listen to these messages as our intent is to make school a safer place for all. I know that together we can provide a safe environment for our children. Hopefully this time change will assist as we move into the end of fall weather and winter months. From time to time, our partnership with the Sterling Heights Police Department allows them to randomly check out the parking lot flow and traffic patterns around the schools in Sterling Heights. You may notice them from time to time assisting and or observing these patterns. Please be aware that they have issued tickets before to parents that are not following the observed traffic rules above.

Davis Junior High One Time Fundraising Request (Send donations with your child to the main office!)

A suggested \$20 donation per family would be greatly appreciated to help offset the cost of numerous programs at DJH. 100% of your monetary donation directly benefits our school. Money will go to offset costs for the following: Freshman Farewell, Student Awards, Positive Behavior Support (PBS) rewards, purchase of classroom technology, special events/assemblies, Where Everybody Belongs (WEB) mentoring program, instructional and classroom needs, and any other purchase to benefit our students. All students that donate money through this manner will be eligible for all fundraising fun events throughout the year as a way of saying thank you! Look for the fundraiser table at Raider Day!

- Students that make an athletic team and earn failing grades and/or have low citizenship marks (N or U or combination) will be placed on academic probation during the season. The criteria above is utilized for weekly athletic eligibility checks with grades (three or more failed classes) and citizenship (three or more Ns or Us).

Davis Junior High Communication Flowchart Process

Parents transitioning from elementary to junior high school often wonder the best way to have their question or concern addressed. It is easy to become discouraged when attempts to communicate with school officials are not addressed only to be referred to others to resolve a problem their child may be experiencing in school. In order to help parents with this process and assist in efficiency, the ***“Davis Junior High School Communication Process Flowchart,”*** has been created. This sequence is in place to make sure your questions and concerns are addressed to the proper school official. It is our hope that the flowchart will be utilized as a way to direct your question or concern so that it may be handled by the appropriate school official and responded to quickly. ***As always, classroom concerns and questions should be directed to the specific teacher involved.*** The chart is listed within this newsletter, will be available at Raider Day and will also be available on the website for parents for future reference. Please note that our office staff will be trained to help assist parents with this process and in many cases, you will be referred to the first level in order to provide you with the most direct staff member.

Davis Junior High School Communication Flowchart Process

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **two (2) business days**, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the ***“Communication Process Flowchart.”*** The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Scheduling Concerns/Changes* – In order to process a schedule change, parents must first have met with the teacher and put a plan in place to support the struggling student. If after several weeks, the student is still struggling, it would be appropriate to move to the second level.

Please note - Classroom questions concerning your child should be addressed with your child’s teacher before contacting the counselors and/or school administration. Allow for **two (2) business days for a response**. If no response is received from a teacher during that time, send a second email or phone call to that teacher.

Please note that compliments or acknowledgements of positive events can be directed to everyone along the chain. All of us appreciate hearing that there is something good that has happened. We all look forward to a wonderful school year with few complaints!

Guidelines for Parent Communications to Teachers and Staff

The purpose of this section is to serve as a general guide for ensuring effective communication from parents to teachers, staff and administrators. Communication refers to both the sending and receiving of information, such as email and notes, and verbal communications such as telephone conversations and face-to-face meetings. In order to ensure a successful exchange of information, it is important that all parties follow a few key principles.

Maintain Respectful and Open Communication

- Always use a respectful and polite tone.
- Request, don't demand.
- Be ready not just to provide information, but to listen to teacher/staff observations and perspectives.
- Enter the exchange with an open mind and assume a shared best interest for your child.
- Be prepared to work collaboratively to solve problems.
- Threats and/or inappropriate language will not be tolerated toward staff members.

Confidentiality

- Recognize that confidentiality may limit information that can be shared from school to parents, including consequences for other students' behaviors.

Time to Respond to Communications

- Teachers will make every effort to respond as soon as possible to parent communications, with the understanding that the teaching day sometimes precludes immediate responses.
- Teachers and staff may need some time to collect needed information before responding.

Whom to Contact

- Most communications of classroom concerns should be directed at first to your child's teacher.
- If you have an issue with a particular staff member, first try to address those concerns with that staff member directly.
- If you have discussed with your child's teacher and the issue has not been addressed to your satisfaction, then move to the next level.
- Please recognize that it is both the policy and the value of our school that we operate with openness, collaboration and the shared best interest for every student.

SCHOOL INFO - COMMUNICATION GUIDELINES AND PROCEDURES

As part of an ongoing effort to foster effective communications between parents and staff at Davis, school officials developed the following communication guidelines. The goal is to establish a set of reasonable expectations and behaviors for parents and staff. These guidelines will be reviewed on a periodic basis and adjusted as necessary.

UPDATE YOUR CONTACT INFORMATION

It is important that the school has current phone numbers and addresses on file in our school data system. If you move or change your phone number, it is imperative that you notify the school and update your emergency contact information. Please visit the office to update a form.

CONTACTING TEACHERS OR STAFF

Best mode: email/phone

Parents wanting to meet with or contact a teacher should email the teacher. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. Phone messages are checked every day. Please allow for two (2) business days for a response. If no response is received from a teacher during that time, send a second email or phone call to that teacher before moving to the next level on the flowchart.

CONTACTING SCHOOL ADMINISTRATION

Best mode: email/phone

Parents requesting a meeting with or wanting to contact an administrator should use email. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. **Parents that have not followed the "Communication Process Flowchart" will be directed to the appropriate level based on the circumstances.** Phone messages are checked regularly. Please allow for two (2) business days for a response. If no response is received from an administrator during that time, send a second email or phone call before moving to the next level on the flowchart.

Davis Junior High Student ID Policy (*All Students Must Have ID's Visible*)

Davis Junior High School continues to work to ensure the safety and security for all staff and students. This is a top priority each and every day. All students at Davis will now be required to wear and have visible their school ID badges at all times. In addition, the wearing of school identification provides a professional setting and promotes College and Career Readiness for all students. Wearing of ID badges is required as part of many workplace environments, as well as on college and university campuses. Furthermore, the wearing of student IDs provides easy identification of students for teachers, substitutes, district staff personnel, and law enforcement if ever needed.

Students have received their school IDs from Raider Day or will receive them over the first weeks of school. The expectation will be reinforced with students on Day 1 as well as at the student handbook meeting presentations on Tuesday, September 10.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To obtain early dismissal
- To allow movement during lunch, going to and from restrooms
- To be on campus before or after school
- To move between classes and/or the hallway during passing time periods
- To participate in school activities, assemblies, dances, etc. on the campus of Davis
- To get into high school events for free (if offered by the high school)
- To be used for the PBS Earned Privilege Level for Citizenship and Academics (Raider Red)/Lunchroom

Student ID Card Guidelines:

A student's ID card authorizes him/her to be on the school campus. **EVERY** student must wear his or her student ID card while on school grounds. It is crucial that the school staff is able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. **Student IDs may be left in the student's assigned locker overnight so as to ensure the student ID is not left at home. Teachers will do periodic student ID checks in class, at the discretion of administration.** Periodic incentives will be provided at the discretion of administration when school-wide student ID checks are implemented.

The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn on a lanyard.
- Student ID cards cannot be worn on a shirtsleeve, pants, outside of pockets, under a shirt, coat, jacket or at the bottom of a shirt. The student ID card **must be visible AT ALL TIMES** (i.e. not kept in a purse, pocket or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e. no markings, other photos, etc.). Defacing or altering the student ID is prohibited.

Positive Behavior Support/Earned Privilege Program

Davis Junior High School has always strived to maintain a safe and orderly learning environment for all of our students. In an effort to improve our school climate and culture, many of the Davis staff members volunteered their time two years ago to form a Positive Behavior Support (PBS) Committee. PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes. This program is aimed at building effective learning environments in which positive behavior is acknowledged for all students. Our program emphasizes the use of proactive, educative and reinforced-based strategies to achieve meaningful and durable behavior outcomes. As a staff we will be focusing on acknowledging positive behavior in the classrooms, hallways and the lunchroom by teaching and reinforcing our ***“Raider Red Expectations.”***

During the first week of school and throughout the year, staff members will be teaching our ***“Raider Red Expectations: I Can Listen, Learn and Lead”*** to students. We hope that by modeling and communicating these expectations to our students that they will begin to have a better idea of what is expected of them as students at Davis Junior High. We feel that the expectations of listening, learning and leading will serve as a roadmap for success for all of our students as they navigate junior high school to eventually transitioning to the high school and beyond. It is a goal of our program to provide students with common language and the necessary problem solving skills that will help them have a much more productive and positive day at Davis. Students who are engaging in listening, learning and leading behaviors will be individually acknowledged by earning ***“Raider Red Tickets”*** and honored with prizes and recognition during our weekly lunchroom drawings on Fridays. Students will also participate in our “Grades and Citizenship” program. This is an academic and citizenship reward system that is set in place to encourage students to do their very best on Progress Reports and Report Cards. There are seven cycles per year. Each student will receive points for the grades as well as their citizenship performance grade. The points are rolled into ranges that students can attain throughout each progress and report card cycle for various school raffles and prizes. This will allow students to have more access to “fun” school opportunities and we are very happy about this part of our program. Our ***“Raider Red Expectations: I Can Listen, Learn and Lead”*** will be posted throughout the classrooms and school for easy reference for our students. It is our hope that you will spend some time reviewing the matrix with your child as it clearly defines the expectations for our students within the program.

Junior High Students at Stevenson Football Games

All junior high students that want to attend a Stevenson football game (home or away) must have a school issued identification badge and will need to be accompanied by an adult to the game. This information has been passed along to us by the high school to share with families.

Phishing Emails (Please Talk to Your Children If Using their Student Email)

District staff, students and parents have recently received a large number of phishing emails, coming from UCS staff, with the subject "**You are invited!**" When someone clicks to view the invitation, or on any of the links in the email, they are prompted to login with their email credentials. Once they provide their credentials, their account is then compromised and used to send out more of these attacks to others in the district. If you receive one of these emails, do NOT open, do NOT click on the links, do NOT respond or submit personal information to these requests. Remember to always be cautious when clicking on emails that you were not expecting, and NEVER provide your login information when requested by email.

Perfume and Cologne in School

Davis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that result in nausea and being sent home from school. These strong smells trigger asthma attacks and at times, students need to receive medical attention. We are asking students to put on their favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day. Thank you for your cooperation and help with this!

OK2SAY Presentation – Grades 7, 8, 9

OK2SAY is Michigan's confidential [student safety program](#) that allows anyone to report threatening behaviors or potential harm to students, schools, and employees through various channels, including text, phone, a mobile app, and the web. Trained technicians receive the tips 24/7 and forward the information to the appropriate law enforcement agencies, schools, or other responders to address the issue. The program aims to stop harmful behavior by combating the culture of silence, which often discourages people from reporting threats due to fear of retaliation. This presentation is for students from representatives that educate and inform students about the program and how to submit tips.

Parent Notification & Opt-Out Form

Dear Parent or Guardian:

Our school will be hosting an online presentation on [OK2SAY – Michigan's student safety program](#) for students in grades 7 - 9 on Monday, October 27, 2025.

The program is designed to inform students how they can help make their school and community safer by reporting dangerous and concerning behaviors to a trusted adult or OK2SAY.

Students will learn about the program's purpose and how the tipline operates, including what incidents can be reported, how to submit a tip, and the actions taken after a tip is received. Students are encouraged to examine their behaviors and make smart and thoughtful decisions both online and off. The presentation discusses many issues that impact middle school students including bullying, cyberbullying, mental health issues, self-harm, suicide thoughts, sexting/sextortion, types of abuse, the predator threat, and threats of violence. Throughout the presentation, students are encouraged to stand up for themselves and their peers and always to be mindful of the power of their words. Please take a moment to [review the videos featured in the presentation](#).

Additional information and resources are available at OK2SAY (ok2say.com).

If you do NOT want your child to participate, please email your student's counselor by Friday, October 24.

School Drop Off Information (Parking Lot Map)

Please see the map below for the parent entrance regarding the drop off and drive through lane in front of the school. **Parents should drop their child off and proceed to the exit as marked on the map below.** Cars should not be using the drop off lane to park. We anticipate it will take some time for the flow of the parking lot drop off to work itself out. Please exercise patience and caution at arrival times!

Parking Lot Reminders

The beginning of a new school year can bring out frustrations in the school parking lot as students are being dropped off in the morning and picked up at night. **We need to make sure we are modeling appropriate behavior for our children as well as adhering to basic rules to ensure safety in our parking lots daily.** For those parents that are new and a general reminder to all parents of how our drop off/pick up procedures works:

- The curb side student drop off area should be used as just that: Pull up, stop, the child(ren) exit the car, the car moves forward and then exits the parking lot by the gym area. Dropping your child(ren) off should only take a matter of seconds and speeds the process along for all.
- This curb side drive through lane should be used after dropping your child off and passing a car in front of you. Please exercise caution as cars could be coming from the parking lot.
- Bus loop - cars should not be driving through the bus loop at arrival or dismissal. This area is for school buses only and is not a cut through
- **Muriel Street - this is a great place to drop off and pick up your child. This would allow you to bypass the parking lot completely and utilize the crossing guard that is in front of the school on 17 mile. Several families have taken advantage of this instead of navigating the parking lot at arrival and dismissal.**

Each year we send out reminder messages to parents about the parking lot and we also include information in our weekly newsletter. Please take a moment to read/listen to these messages as our intent is to make school a safer place for all. I know that together we can provide a safe environment for our children. Hopefully this time change will assist as we move into the end of fall weather and winter months. From time to time, our partnership with the Sterling Heights Police Department allows them to randomly check out the parking lot flow and traffic patterns around the schools in Sterling Heights. You may notice them from time to time assisting and or observing these patterns. Please be aware that they have issued tickets before to parents that are not following the observed traffic rules above.

Davis Junior High One Time Fundraising Request (Send donations with your child to the main office!)

A suggested \$20 donation per family would be greatly appreciated to help offset the cost of numerous programs at DJH. 100% of your monetary donation directly benefits our school. Money will go to offset costs for the following: Freshman Farewell, Student Awards, Positive Behavior Support (PBS) rewards, purchase of classroom technology, special events/assemblies, Where Everybody Belongs (WEB) mentoring program, instructional and classroom needs, and any other purchase to benefit our students. All students that donate money through this manner will be eligible for all fundraising fun events throughout the year as a way of saying thank you! Look for the fundraiser table at Raider Day!

Davis Junior High Highlights

On Wednesday, October 8, over 350 8th grade students from Davis Junior High took part in the UCS Future Focus with representatives from Stevenson High School, Stevenson MADE, CSI/MST at the IRC, UAIS at Heritage, and the UHHS program at Utica High School. Students rotated through each station and learned all about the UCS Specialty Program offerings for them as future 9th grade students. Several pictures are below from the event:

Davis Junior High Communication Flowchart Process

Parents transitioning from elementary to junior high school often wonder the best way to have their question or concern addressed. It is easy to become discouraged when attempts to communicate with school officials are not addressed only to be referred to others to resolve a problem their child may be experiencing in school. In order to help parents with this process and assist in efficiency, the ***“Davis Junior High School Communication Process Flowchart,”*** has been created. This sequence is in place to make sure your questions and concerns are addressed to the proper school official. It is our hope that the flowchart will be utilized as a way to direct your question or concern so that it may be handled by the appropriate school official and responded to quickly. ***As always, classroom concerns and questions should be directed to the specific teacher involved.*** The chart is listed within this newsletter, will be available at Raider Day and will also be available on the website for parents for future reference. Please note that our office staff will be trained to help assist parents with this process and in many cases, you will be referred to the first level in order to provide you with the most direct staff member.

Davis Junior High School Communication Flowchart Process

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **two (2) business days**, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the ***“Communication Process Flowchart.”*** The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Scheduling Concerns/Changes* – In order to process a schedule change, parents must first have met with the teacher and put a plan in place to support the struggling student. If after several weeks, the student is still struggling, it would be appropriate to move to the second level.

Please note - Classroom questions concerning your child should be addressed with your child’s teacher before contacting the counselors and/or school administration. Allow for **two (2) business days for a response**. If no response is received from a teacher during that time, send a second email or phone call to that teacher.

Please note that compliments or acknowledgements of positive events can be directed to everyone along the chain. All of us appreciate hearing that there is something good that has happened. We all look forward to a wonderful school year with few complaints!

Guidelines for Parent Communications to Teachers and Staff

The purpose of this section is to serve as a general guide for ensuring effective communication from parents to teachers, staff and administrators. Communication refers to both the sending and receiving of information, such as email and notes, and verbal communications such as telephone conversations and face-to-face meetings. In order to ensure a successful exchange of information, it is important that all parties follow a few key principles.

Maintain Respectful and Open Communication

- Always use a respectful and polite tone.
- Request, don't demand.
- Be ready not just to provide information, but to listen to teacher/staff observations and perspectives.
- Enter the exchange with an open mind and assume a shared best interest for your child.
- Be prepared to work collaboratively to solve problems.
- Threats and/or inappropriate language will not be tolerated toward staff members.

Confidentiality

- Recognize that confidentiality may limit information that can be shared from school to parents, including consequences for other students' behaviors.

Time to Respond to Communications

- Teachers will make every effort to respond as soon as possible to parent communications, with the understanding that the teaching day sometimes precludes immediate responses.
- Teachers and staff may need some time to collect needed information before responding.

Whom to Contact

- Most communications of classroom concerns should be directed at first to your child's teacher.
- If you have an issue with a particular staff member, first try to address those concerns with that staff member directly.
- If you have discussed with your child's teacher and the issue has not been addressed to your satisfaction, then move to the next level.
- Please recognize that it is both the policy and the value of our school that we operate with openness, collaboration and the shared best interest for every student.

SCHOOL INFO - COMMUNICATION GUIDELINES AND PROCEDURES

As part of an ongoing effort to foster effective communications between parents and staff at Davis, school officials developed the following communication guidelines. The goal is to establish a set of reasonable expectations and behaviors for parents and staff. These guidelines will be reviewed on a periodic basis and adjusted as necessary.

UPDATE YOUR CONTACT INFORMATION

It is important that the school has current phone numbers and addresses on file in our school data system. If you move or change your phone number, it is imperative that you notify the school and update your emergency contact information. Please visit the office to update a form.

CONTACTING TEACHERS OR STAFF

Best mode: email/phone

Parents wanting to meet with or contact a teacher should email the teacher. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. Phone messages are checked every day. Please allow for two (2) business days for a response. If no response is received from a teacher during that time, send a second email or phone call to that teacher before moving to the next level on the flowchart.

CONTACTING SCHOOL ADMINISTRATION

Best mode: email/phone

Parents requesting a meeting with or wanting to contact an administrator should use email. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. **Parents that have not followed the "Communication Process Flowchart" will be directed to the appropriate level based on the circumstances.** Phone messages are checked regularly. Please allow for two (2) business days for a response. If no response is received from an administrator during that time, send a second email or phone call before moving to the next level on the flowchart.

Davis Junior High Student ID Policy (*All Students Must Have ID's Visible*)

Davis Junior High School continues to work to ensure the safety and security for all staff and students. This is a top priority each and every day. All students at Davis will now be required to wear and have visible their school ID badges at all times. In addition, the wearing of school identification provides a professional setting and promotes College and Career Readiness for all students. Wearing of ID badges is required as part of many workplace environments, as well as on college and university campuses. Furthermore, the wearing of student IDs provides easy identification of students for teachers, substitutes, district staff personnel, and law enforcement if ever needed.

Students have received their school IDs from Raider Day or will receive them over the first weeks of school. The expectation will be reinforced with students on Day 1 as well as at the student handbook meeting presentations on Tuesday, September 10.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To obtain early dismissal
- To allow movement during lunch, going to and from restrooms
- To be on campus before or after school
- To move between classes and/or the hallway during passing time periods
- To participate in school activities, assemblies, dances, etc. on the campus of Davis
- To get into high school events for free (if offered by the high school)
- To be used for the PBS Earned Privilege Level for Citizenship and Academics (Raider Red)/Lunchroom

Student ID Card Guidelines:

A student's ID card authorizes him/her to be on the school campus. **EVERY** student must wear his or her student ID card while on school grounds. It is crucial that the school staff is able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. **Student IDs may be left in the student's assigned locker overnight so as to ensure the student ID is not left at home. Teachers will do periodic student ID checks in class, at the discretion of administration.** Periodic incentives will be provided at the discretion of administration when school-wide student ID checks are implemented.

The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn on a lanyard.
- Student ID cards cannot be worn on a shirtsleeve, pants, outside of pockets, under a shirt, coat, jacket or at the bottom of a shirt. The student ID card **must be visible AT ALL TIMES** (i.e. not kept in a purse, pocket or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e. no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
- Wearing another student's ID card is prohibited.
- Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced **IMMEDIATELY**.
- If the ID card is lost, a student may purchase a new student ID card from the office.
 - **There will be a \$5.00 fee to replace a lost ID badge and a \$3.00 fee to replace lost lanyards.**
 - At the discretion of the administration, a designated hour may be established for purchasing IDs.
- Students are excused from wearing ID cards during classes **IF** a teacher/administrator considers it to be a safety risk during identified classroom or other activities, including, but not limited to:
 - Science labs, equipment use, physical education, music, and other classes when wearing the student ID may cause entanglement or safety concerns.

Students who do not have their student ID cards will adhere to the following procedures:

Before school begins, a student who does not have a student ID must obtain a temporary ID in the Main Office.

- Please note that there is a limit of three consecutive days that a student may obtain a temporary ID. After the third consecutive day, student will report to the Assistant Principal.
- If a student reports to class **WITHOUT** a proper or temporary ID, the teacher will send the student to the office to obtain a temporary ID. The temporary ID **MUST** be worn and visible for the remainder of the day. The temporary ID will have the date issued on it and needs to be returned at the end of the day.

Consequences for Not Displaying/Possessing School ID card:

- **1st Violation - FIRST** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **2nd Violation - SECOND** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **3rd Violation** – Responsible Choices Room (Lunch detention) – Issued a temporary ID and a call home by Administrator.
- **4th Violation** – Additional consequences, up to and including suspension at the discretion of Administration.

NOTE: Consequences are cumulative for the entire school year.

****If requested by staff, all students must provide access to their ID. Failure to comply with a reasonable request from any staff member is defined as Defiance of Authority. Any consequence for failure to comply will be in addition to the one for the ID violation****

Davis Junior High School reserves the right to modify the Student ID Policy at any time without notice. Any subsequent changes to the policy will be communicated through its normal means of dispersing information.

Positive Behavior Support/Earned Privilege Program

Davis Junior High School has always strived to maintain a safe and orderly learning environment for all of our students. In an effort to improve our school climate and culture, many of the Davis staff members volunteered their time two years ago to form a Positive Behavior Support (PBS) Committee. PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes. This program is aimed at building effective learning environments in which positive behavior is acknowledged for all students. Our program emphasizes the use of proactive, educative and reinforced-based strategies to achieve meaningful and durable behavior outcomes. As a staff we will be focusing on acknowledging positive behavior in the classrooms, hallways and the lunchroom by teaching and reinforcing our ***“Raider Red Expectations.”***

During the first week of school and throughout the year, staff members will be teaching our ***“Raider Red Expectations: I Can Listen, Learn and Lead”*** to students. We hope that by modeling and communicating these expectations to our students that they will begin to have a better idea of what is expected of them as students at Davis Junior High. We feel that the expectations of listening, learning and leading will serve as a roadmap for success for all of our students as they navigate junior high school to eventually transitioning to the high school and beyond. It is a goal of our program to provide students with common language and the necessary problem solving skills that will help them have a much more productive and positive day at Davis. Students who are engaging in listening, learning and leading behaviors will be individually acknowledged by earning ***“Raider Red Tickets”*** and honored with prizes and recognition during our weekly lunchroom drawings on Fridays. Students will also participate in our “Grades and Citizenship” program. This is an academic and citizenship reward system that is set in place to encourage students to do their very best on Progress Reports and Report Cards. There are seven cycles per year. Each student will receive points for the grades as well as their citizenship performance grade. The points are rolled into ranges that students can attain throughout each progress and report card cycle for various school raffles and prizes. This will allow students to have more access to “fun” school opportunities and we are very happy about this part of our program. Our ***“Raider Red Expectations: I Can Listen, Learn and Lead”*** will be posted throughout the classrooms and school for easy reference for our students. It is our hope that you will spend some time reviewing the matrix with your child as it clearly defines the expectations for our students within the program.

PowerSchool Required Forms

Parents – please review PowerSchool to make sure you have updated all forms for this school year. Most did this prior to Raider registrations, but if you didn't, all parents will need to complete all the necessary forms.

- On a computer, log in to your PARENT PowerSchool account <https://ps.ucs.misd.net/public/>
- Click "Quick Links"
- Click "Forms"
- Click on "REQUIRED TO COMPLETE EACH YEAR"
- Complete the necessary forms
- Sign electronically at the bottom
- Click "Submit"

There are several items that ALL parents will need to indicate they have reviewed on their **PowerSchool accounts** in the **Forms** sections:

- Student Address, Students Contacts and Health Information
- Parent/Student Handbook Acknowledgement
- Technology Device User Agreement
- Technology Device Insurance Opportunity

Phishing Emails (Please Talk to Your Children If Using their Student Email)

District staff, students and parents have recently received a large number of phishing emails, coming from UCS staff, with the subject "**You are invited!**" When someone clicks to view the invitation, or on any of the links in the email, they are prompted to login with their email credentials. Once they provide their credentials, their account is then compromised and used to send out more of these attacks to others in the district. If you receive one of these emails, do NOT open, do NOT click on the links, do NOT respond or submit personal information to these requests. Remember to always be cautious when clicking on emails that you were not expecting, and NEVER provide your login information when requested by email.

Perfume and Cologne in School

Davis Junior High has several students and staff members who have allergic reactions to strong perfumes, after-shave and men's cologne. The reactions range from mild to severe headaches that result in nausea and being sent home from school. These strong smells trigger asthma attacks and at times, students need to receive medical attention. We are asking students to put on their favorite fragrance once in the morning before school. Please do not bring in bottles and sprays of cologne, after-shave and perfume to re-apply throughout the day. Thank you for your cooperation and help with this!

Parents – Check Power School for Fees:

Fees, especially ID fees, are to **be paid in full by Friday, September 9**. If you need to make payments for technology fees, you can pay online at <https://www.payschoolscentral.com/> You will need to create an account and add in the amount to pay under the correct category. You may also pay in cash or check payable to DJH to the main office. For questions regarding fees, please contact Mrs. Suhy, via email at christine.suhy@uticak12.org

Junior High Parent Teacher Conference Information

An important parent-school activity that occurs each fall is our Parent-Teacher Conference. This is your opportunity to meet with your child's teacher and discuss progress this year and shared expectations. **Please note: October 2 is a half day for all secondary students (junior high and high school),** and October 15 is a half day for all elementary students to accommodate conferences.

Here is the upcoming schedule for our conferences:

- Tuesday, October 7 – Evening Only 4:30-7:30 p.m. – Virtual only – sign up online (see below)

Parent Teacher Conference Information

Parents will have **two options for conferences this year** at Davis Junior High. **One will be an in-person drop-in conference and the other will be online through virtual appointments.** If you are unable to make a conference during either our afternoon in person conferences or cannot make an appointment online for virtual conferences, please feel free to email the teacher and they will set up a time for a conference. The information is below:

Davis Parent Teacher Conferences will be on the following dates:

- **Thursday, October 2 (In-person conferences, no appointment needed) 12:00-4:00 p.m. in the Davis cafeteria.**
- **Tuesday, October 7 (Virtual conferences, appointment needed online) 4:30-7:30 p.m. (Directions below on how to register and select time slots online)**

Please note, the in-person conferences do not require making an appointment, whereas the virtual appointments will be similar to previous years and information is below on how to schedule these time slots online.

We will be using the web-based program Schoolsoft to schedule virtual conferences on Tuesday, October 7 to meet with your child's teachers to discuss academic progress. The system we are using is called Conference Manager, which allows you to check our teachers' conference schedules and book an appointment online. Conference information is below:

- Tuesday, October 7 - 4:30-7:30 p.m. (Virtually) – Requires selecting a time slot of five minutes for teachers.

If you sign up for a virtual conference, you will not need to come to the building during the scheduled time block. A link will be sent to you to join your conference at the time you signed up for with the teacher.

If you are unable to make an appointment online, we encourage you to reach out to your child's teacher to set up an alternate phone conference.

Virtual Conference Information Directions – Virtual Appointment Only

- **If planning on coming in person on October 2, from 12:00 – 4:00, you do not need to follow these directions.**

The first time you use the Conference Manager you will be required to register and create a parent account. This only takes a minute or two to complete. You will continue to use this same account for the duration of the time you have children in school, so please save your password for future reference.

Please note - while you can register at any time, the window to book an appointment will not open until 6:00 a.m. on Wednesday, September 24. The appointment window will close on Tuesday, October 5 at 4:00 p.m.

To create an account, please use the following steps (a tutorial is available at this [link](#):)

1. Go to the following website <https://utica.schoolsoft.com>.

2. Register for a parent account. To register click the REGISTER NOW button and complete the registration page. Once registered you will be able to immediately log in to the Conference Manager. An email will also be sent to the address you

specified. This email restates your username and password and should be saved, as you will use the same username and password when booking future rounds of Parent-Teacher Conferences. If you forget your password, you can reset it using the FORGOT PASSWORD link under the login button.

If you have a student taking classes at more than one school (for example CSI and the Virtual Junior High School), you will enter that student's name in 2 different student slots. For example, if Joe Smith attends both CSI and the VJHS, you will enter the following in the student information screen:

- Student 1: Joe Smith Instructional Resource Center CSI/MST
- Student 2: Joe Smith UCS Virtual Junior High School

If you have any other students for whom you will be conferencing, you will enter them in this screen, as well.

- Student 3: Patty Smith Shelby Junior High School

Once you have entered all of your children's names and schools, finish the page and submit.

After registering you can log back into Conference Manager after 6:00 a.m. on Wednesday, September 24 to select your teachers and conference times. This can be done up until 4:00 p.m. on Tuesday, October 5, when the window will close. These instructions are below.

3. Click the BOOK NOW button and select a conference date in the date drop-down that appears. Then, select the teacher(s) you wish to meet with and click the NEXT button. To coordinate bookings involving multiple teachers select all the teachers applicable to your child(ren) with whom you wish to meet.

4. Click on an available time slot for each teacher you selected and complete the booking form that appears. You should see the booking appear in the summary list on the right-hand side of the screen. A confirmation email is sent for each booking you made or subsequently cancel. You will also receive a reminder and conference itinerary by email.

5. Confirm your appointments have been booked by looking at the “CURRENTLY BOOKED CONFERENCES” box on the right of the screen or click on the MY CONFERENCES tab. Only appointments that appear in the CURRENTLY BOOKED CONFERENCES box or on the MY CONFERENCES page are confirmed bookings.

6. When finished booking, click the log off button located at the top right of the browser window. You will have the opportunity to provide feedback regarding the use of the Conference Manager to the school administration through a user survey before completely exiting. We appreciate you completing the survey as this helps guide our decision-making regarding how conferences are booked in the future.

7. Just prior to your scheduled conference time, you will receive a link to your video conference. At the appropriate time, click on the link and the teacher will admit you to the room. Please note, there is only 5 minutes available for each conference.

A couple of pieces to remember:

- Each conference will be limited to five (5) minutes
- If your child has an IEP and is in a Co-taught class, please sign up to meet with the special education co-teacher
- Counselors are also available for sessions either in person or virtually should you have questions, concerns, or items you would like to discuss about your child

If you are unable to book your own appointment using this system, please contact us at 797-2700

School Drop Off Information (Parking Lot Map)

Please see the map below for the parent entrance regarding the drop off and drive through lane in front of the school. **Parents should drop their child off and proceed to the exit as marked on the map below.** Cars should not be using the drop off lane to park. We anticipate it will take some time for the flow of the parking lot drop off to work itself out. Please exercise patience and caution at arrival times!

Parking Lot Reminders

The beginning of a new school year can bring out frustrations in the school parking lot as students are being dropped off in the morning and picked up at night. **We need to make sure we are modeling appropriate behavior for our children as well as adhering to basic rules to ensure safety in our parking lots daily.** For those parents that are new and a general reminder to all parents of how our drop off/pick up procedures works:

- The curb side student drop off area should be used as just that: Pull up, stop, the child(ren) exit the car, the car moves forward and then exits the parking lot by the gym area. Dropping your child(ren) off should only take a matter of seconds and speeds the process along for all.
- This curb side drive through lane should be used after dropping your child off and passing a car in front of you. Please exercise caution as cars could be coming from the parking lot.
- Bus loop - cars should not be driving through the bus loop at arrival or dismissal. This area is for school buses only and is not a cut through
- **Muriel Street - this is a great place to drop off and pick up your child. This would allow you to bypass the parking lot completely and utilize the crossing guard that is in front of the school on 17 mile. Several families have taken advantage of this instead of navigating the parking lot at arrival and dismissal.**

Each year we send out reminder messages to parents about the parking lot and we also include information in our weekly newsletter. Please take a moment to read/listen to these messages as our intent is to make school a safer place for all. I know that together we can provide a safe environment for our children. Hopefully this time change will assist as we move into the end of fall weather and winter months. From time to time, our partnership with the Sterling Heights Police Department allows them to randomly check out the parking lot flow and traffic patterns around the schools in Sterling Heights. You may notice them from time to time assisting and or observing these patterns. Please be aware that they have issued tickets before to parents that are not following the observed traffic rules above.

Davis Junior High One Time Fundraising Request (Send donations with your child to the main office!)

A suggested \$20 donation per family would be greatly appreciated to help offset the cost of numerous programs at DJH. 100% of your monetary donation directly benefits our school. Money will go to offset costs for the following: Freshman Farewell, Student Awards, Positive Behavior Support (PBS) rewards, purchase of classroom technology, special events/assemblies, Where Everybody Belongs (WEB) mentoring program, instructional and classroom needs, and any other purchase to benefit our students. All students that donate money through this manner will be eligible for all fundraising fun events throughout the year as a way of saying thank you! Look for the fundraiser table at Raider Day!

Every week we hold a “red card” drawing at lunch for students. Names are announced in the newsletter every week!

Davis Junior High Highlights

Students in Mr. Malburg's AP World History Class recently took a practice exam and to celebrate, students took part in a disc golf exercise. Many students indicated that they had never played before, but after several attempts they realized they could be more successful with practice. Mr. Malburg tied this activity to the fact that even if the results were not where students wanted them with the first practice exam, with hard work and perseverance, they could get better.

Davis Junior High Communication Flowchart Process

Parents transitioning from elementary to junior high school often wonder the best way to have their question or concern addressed. It is easy to become discouraged when attempts to communicate with school officials are not addressed only to be referred to others to resolve a problem their child may be experiencing in school. In order to help parents with this process and assist in efficiency, the ***“Davis Junior High School Communication Process Flowchart,”*** has been created. This sequence is in place to make sure your questions and concerns are addressed to the proper school official. It is our hope that the flowchart will be utilized as a way to direct your question or concern so that it may be handled by the appropriate school official and responded to quickly. ***As always, classroom concerns and questions should be directed to the specific teacher involved.*** The chart is listed within this newsletter, will be available at Raider Day and will also be available on the website for parents for future reference. Please note that our office staff will be trained to help assist parents with this process and in many cases, you will be referred to the first level in order to provide you with the most direct staff member.

Davis Junior High School Communication Flowchart Process

Most parent and community questions are easily and completely answered by communicating directly with the staff member closest to the situation. As you move further along the flowchart, the staff is less directly involved and usually needs additional time to research the situation before they can give you an answer. If you do not hear back from the person you have contacted within **two (2) business days**, it is appropriate to reach out to them again before moving along to the next level of the flowchart. We do not expect your questions or concerns to go unanswered for a long period of time. Each situation should first be addressed at whatever level the initial action was taken with appeals moving on to the next level on the ***“Communication Process Flowchart.”*** The easiest way to communicate is via e-mail while a phone call is the next preferable way.

Scheduling Concerns/Changes* – In order to process a schedule change, parents must first have met with the teacher and put a plan in place to support the struggling student. If after several weeks, the student is still struggling, it would be appropriate to move to the second level.

Please note - Classroom questions concerning your child should be addressed with your child’s teacher before contacting the counselors and/or school administration. Allow for **two (2) business days for a response**. If no response is received from a teacher during that time, send a second email or phone call to that teacher.

Please note that compliments or acknowledgements of positive events can be directed to everyone along the chain. All of us appreciate hearing that there is something good that has happened. We all look forward to a wonderful school year with few complaints!

Guidelines for Parent Communications to Teachers and Staff

The purpose of this section is to serve as a general guide for ensuring effective communication from parents to teachers, staff and administrators. Communication refers to both the sending and receiving of information, such as email and notes, and verbal communications such as telephone conversations and face-to-face meetings. In order to ensure a successful exchange of information, it is important that all parties follow a few key principles.

Maintain Respectful and Open Communication

- Always use a respectful and polite tone.
- Request, don't demand.
- Be ready not just to provide information, but to listen to teacher/staff observations and perspectives.
- Enter the exchange with an open mind and assume a shared best interest for your child.
- Be prepared to work collaboratively to solve problems.
- Threats and/or inappropriate language will not be tolerated toward staff members.

Confidentiality

- Recognize that confidentiality may limit information that can be shared from school to parents, including consequences for other students' behaviors.

Time to Respond to Communications

- Teachers will make every effort to respond as soon as possible to parent communications, with the understanding that the teaching day sometimes precludes immediate responses.
- Teachers and staff may need some time to collect needed information before responding.

Whom to Contact

- Most communications of classroom concerns should be directed at first to your child's teacher.
- If you have an issue with a particular staff member, first try to address those concerns with that staff member directly.
- If you have discussed with your child's teacher and the issue has not been addressed to your satisfaction, then move to the next level.
- Please recognize that it is both the policy and the value of our school that we operate with openness, collaboration and the shared best interest for every student.

SCHOOL INFO - COMMUNICATION GUIDELINES AND PROCEDURES

As part of an ongoing effort to foster effective communications between parents and staff at Davis, school officials developed the following communication guidelines. The goal is to establish a set of reasonable expectations and behaviors for parents and staff. These guidelines will be reviewed on a periodic basis and adjusted as necessary.

UPDATE YOUR CONTACT INFORMATION

It is important that the school has current phone numbers and addresses on file in our school data system. If you move or change your phone number, it is imperative that you notify the school and update your emergency contact information. Please visit the office to update a form.

CONTACTING TEACHERS OR STAFF

Best mode: email/phone

Parents wanting to meet with or contact a teacher should email the teacher. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. Phone messages are checked every day. Please allow for two (2) business days for a response. If no response is received from a teacher during that time, send a second email or phone call to that teacher before moving to the next level on the flowchart.

CONTACTING SCHOOL ADMINISTRATION

Best mode: email/phone

Parents requesting a meeting with or wanting to contact an administrator should use email. If email is not possible, parents can either call 586.797.2700 or visit the main office to request a meeting. **Parents that have not followed the "Communication Process Flowchart" will be directed to the appropriate level based on the circumstances.** Phone messages are checked regularly. Please allow for two (2) business days for a response. If no response is received from an administrator during that time, send a second email or phone call before moving to the next level on the flowchart.

Davis Junior High Student ID Policy (*All Students Must Have ID's Visible*)

Davis Junior High School continues to work to ensure the safety and security for all staff and students. This is a top priority each and every day. All students at Davis will now be required to wear and have visible their school ID badges at all times. In addition, the wearing of school identification provides a professional setting and promotes College and Career Readiness for all students. Wearing of ID badges is required as part of many workplace environments, as well as on college and university campuses. Furthermore, the wearing of student IDs provides easy identification of students for teachers, substitutes, district staff personnel, and law enforcement if ever needed.

Students have received their school IDs from Raider Day or will receive them over the first weeks of school. The expectation will be reinforced with students on Day 1 as well as at the student handbook meeting presentations on Tuesday, September 10.

The benefits & reasons for students wearing a current student ID card:

- To be in class
- To borrow library books
- To obtain early dismissal
- To allow movement during lunch, going to and from restrooms
- To be on campus before or after school
- To move between classes and/or the hallway during passing time periods
- To participate in school activities, assemblies, dances, etc. on the campus of Davis
- To get into high school events for free (if offered by the high school)
- To be used for the PBS Earned Privilege Level for Citizenship and Academics (Raider Red)/Lunchroom

Student ID Card Guidelines:

A student's ID card authorizes him/her to be on the school campus. **EVERY** student must wear his or her student ID card while on school grounds. It is crucial that the school staff is able to identify everyone on campus. Identification of staff and students is a safety issue and will not be compromised. **Student IDs may be left in the student's assigned locker overnight so as to ensure the student ID is not left at home. Teachers will do periodic student ID checks in class, at the discretion of administration.** Periodic incentives will be provided at the discretion of administration when school-wide student ID checks are implemented.

The following guidelines must be adhered to when wearing student ID cards:

- Student ID cards must be worn on a lanyard.
- Student ID cards cannot be worn on a shirtsleeve, pants, outside of pockets, under a shirt, coat, jacket or at the bottom of a shirt. The student ID card **must be visible AT ALL TIMES** (i.e. not kept in a purse, pocket or backpack).
- The student ID card must be presented to any school staff member or person of authority upon request.
- The front and back of the student ID card cannot be altered (i.e. no markings, other photos, etc.). Defacing or altering the student ID is prohibited.
- Wearing another student's ID card is prohibited.
- Lost, stolen, altered, damaged and/or defaced student ID cards must be replaced **IMMEDIATELY**.
- If the ID card is lost, a student may purchase a new student ID card from the office.
 - **There will be a \$5.00 fee to replace a lost ID badge and a \$3.00 fee to replace lost lanyards.**
 - At the discretion of the administration, a designated hour may be established for purchasing IDs.
- Students are excused from wearing ID cards during classes **IF** a teacher/administrator considers it to be a safety risk during identified classroom or other activities, including, but not limited to:
 - Science labs, equipment use, physical education, music, and other classes when wearing the student ID may cause entanglement or safety concerns.

Students who do not have their student ID cards will adhere to the following procedures:

Before school begins, a student who does not have a student ID must obtain a temporary ID in the Main Office.

- Please note that there is a limit of three consecutive days that a student may obtain a temporary ID. After the third consecutive day, student will report to the Assistant Principal.
- If a student reports to class **WITHOUT** a proper or temporary ID, the teacher will send the student to the office to obtain a temporary ID. The temporary ID **MUST** be worn and visible for the remainder of the day. The temporary ID will have the date issued on it and needs to be returned at the end of the day.

Consequences for Not Displaying/Possessing School ID card:

- **1st Violation - FIRST** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **2nd Violation - SECOND** Verbal Warning for not wearing school issued and/or temporary ID. Warning given by Administrator.
- **3rd Violation** – Responsible Choices Room (Lunch detention) – Issued a temporary ID and a call home by Administrator.
- **4th Violation** – Additional consequences, up to and including suspension at the discretion of Administration.

NOTE: Consequences are cumulative for the entire school year.

****If requested by staff, all students must provide access to their ID. Failure to comply with a reasonable request from any staff member is defined as Defiance of Authority. Any consequence for failure to comply will be in addition to the one for the ID violation****

Davis Junior High School reserves the right to modify the Student ID Policy at any time without notice. Any subsequent changes to the policy will be communicated through its normal means of dispersing information.

Positive Behavior Support/Earned Privilege Program

Davis Junior High School has always strived to maintain a safe and orderly learning environment for all of our students. In an effort to improve our school climate and culture, many of the Davis staff members volunteered their time two years ago to form a Positive Behavior Support (PBS) Committee. PBS is a broad range of systemic and individualized strategies for achieving important social and learning outcomes. This program is aimed at building effective learning environments in which positive behavior is acknowledged for all students. Our program emphasizes the use of proactive, educative and reinforced-based strategies to achieve meaningful and durable behavior outcomes. As a staff we will be focusing on acknowledging positive behavior in the classrooms, hallways and the lunchroom by teaching and reinforcing our ***“Raider Red Expectations.”***

During the first week of school and throughout the year, staff members will be teaching our ***“Raider Red Expectations: I Can Listen, Learn and Lead”*** to students. We hope that by modeling and communicating these expectations to our students that they will begin to have a better idea of what is expected of them as students at Davis Junior High. We feel that the expectations of listening, learning and leading will serve as a roadmap for success for all of our students as they navigate junior high school to eventually transitioning to the high school and beyond. It is a goal of our program to provide students with common language and the necessary problem solving skills that will help them have a much more productive and positive day at Davis. Students who are engaging in listening, learning and leading behaviors will be individually acknowledged by earning ***“Raider Red Tickets”*** and honored with prizes and recognition during our weekly lunchroom drawings on Fridays. Students will also participate in our “Grades and Citizenship” program. This is an academic and citizenship reward system that is set in place to encourage students to do their very best on Progress Reports and Report Cards. There are seven cycles per year. Each student will receive points for the grades as well as their citizenship performance grade. The points are rolled into ranges that students can attain throughout each progress and report card cycle for various school raffles and prizes. This will allow students to have more access to “fun” school opportunities and we are very happy about this part of our program. Our ***“Raider Red Expectations: I Can Listen, Learn and Lead”*** will be posted throughout the classrooms and school for easy reference for our students. It is our hope that you will spend some time reviewing the matrix with your child as it clearly defines the expectations for our students within the program.

Concussion Awareness

As part of a new state law, all UCS and Michigan parents will receive information about concussions, their symptoms, and what to do if you suspect a concussion. UCS parents will receive the form as part of the back to school registration packets.

The form, which asks parents to sign and return to the school office, is also available at this [link](#). The form will also be required of all new families registering in UCS for the first time. In addition to providing the parent information sheet, UCS physical education staff members and coaches will also take part in an on-line training program about concussions. Parents with students participating in fall sports are encouraged to use this system. It will be available as well for a variety of school-based programs. PaySchools offers easy and convenient online access 24 hours a day, seven days a week, an end to lost checks, the ability to view account history of purchases and the assurance of private and secure transactions. Additional School Startup Information

Administration of Medication

In cases with medication, parents can administer to their children at home. In the event that it is not possible and a student needs to take medication at school, the school may administer either prescription or non-prescription medicine, but only when authorized by the student's parent/guardian **and the child's physician**. Requests must be made by completing an **Authorization for Medication Form**, available in the school office. This form must be signed by the child's physician.

Afterschool Reminder

Students should be within their scheduled activity/picked up afterschool. Pick up should be no later than 3:00 p.m.

Arrival and Drop Off Information (Non-Bus Students)

Davis Junior High will open doors at 7:35 a.m. Students should enter the building and report directly to the cafeteria. Parents – as a reminder for student drop off, we have two locations along the front of the school. The locations for drop off are **the A Pod entrance (look for drop off signs)** and the front of the building. To alleviate some of the traffic, please plan on dropping students off early on in the line along the sidewalk and letting them walk in the A Pod entrance. This will speed up traffic in the morning and as always, please exercise patience and caution. **One lane only for student drop off!** We appreciate your help!

Attendance Line Information (586.797.2799)

If you are calling in for an early dismissal, please press 0 and talk to an office assistant. If you are calling in an absence, please call in prior to 9:00 a.m. When calling in your child's absence, please make sure you spell the last name as well.

Automated Phone Call: Contact Update

Utica Community Schools will continue to message important school-related information such as delayed openings or school closure through a number of resources including local media outlets. As a service to parents and staff, the district will also continue to call directly to phone numbers linked to our Automated Call Information Alert System. Parent phone numbers for the automated call are drawn from PowerSchool which should be updated at the building level.

Breakfast Information

Davis Junior High will make available nutritious breakfast to students and staff daily starting August 26, 2025. Breakfast will be served at 7:35 a.m.

Bus Passes

Bus passes are a privilege and will only be permitted if a bus has not reached capacity. Both students must be bus riders and both students must submit a note from their parent to the Main Office before 1st hour. The signed note from the parent should include the student's assigned bus number as well as the bus number they will be riding. The pass needs to be picked up by one of the students before the end of the day.

Davis Junior High Staff Website (<http://davis.uticak12.org/staff>)

Teachers put their classroom information on the Davis website, under the staff page. [Click here](#) to access the site.

Davis Raider Review – Archived Editions

For the parents new to Davis, you will notice that the most up to date information will always be at the top of the newsletter. As the month moves along, earlier editions of the newsletter are located below. This is done with the purpose of providing you an opportunity to find information in one newsletter as opposed to having to go back and review earlier editions that you may have saved. The newsletter will also be available on the Davis website.

Food Deliveries

Food that is delivered by a company **such as Door Dash or Grub Hub will not be permitted at Davis**. Due to school safety concerns and the disruption to the school day, we cannot accommodate such deliveries. We ask that all students bring their own lunch or buy a lunch from the cafeteria. If a student forgets their lunch, they may borrow against their lunch account in the cafeteria, or a parent may drop off a lunch for their student. Coffee, smoothies and outside breakfast brought in the school in the morning must be consumed before going into first hour. This is the practice that takes place at the high school level and Davis is aligning with Stevenson in order to provide consistent expectations for our students.

Early Dismissals

Students who need to be excused during a school day should bring in a signed note from their parents to the main office prior to school starting in the morning. The note should include the **date, time, and reason for the dismissal as well as who will be picking the child up**. Please do not leave a message for an early dismissal on our attendance line. This procedure will ensure that your child will be dismissed on time and should keep unnecessary phone calls to a minimum. **When signing your child out early, please be prepared to show identification at the main office. Office staff will be asking for a driver's license or other form of identification in order to release the student.**

Homework Requests

After a student has been absent for two days, homework requests may be made directly to the teachers, either by e-mail or phone. If parents contact the office, they will be directed to the classroom teacher. Please use PowerSchool to email teachers directly.

Junior High Parent and Student Handbook

In the first days of school each year, every student in junior high participates in a handbook presentation with school administration. This handbook is a valuable resource containing information about athletic programs, bus transportation, attendance procedures, dress codes, graduation guidelines, technology use, how to communicate concerns, medical services, behavior guidelines and disciplinary procedures. [Click here to access UCS handbooks](#)

Lockers Assigned to Students

7th grade or new students will be issued lockers at Raider Day based upon their grade. In each locker there is a lower shelf for additional storage of books. A separate gym locker will also be issued to each child during gym class. It is the student's responsibility to keep lockers secure. ***Please remind your child not to give out combinations to their friends.*** The sharing of combinations, even with friends, usually results in problems such as lost locks, books and/or folders.

Lunch Information and Procedures

Students will follow our lunch procedures which will include coming in, sitting at their assigned seat, waiting for instructions, getting lunch, eating, and then being dismissed. Assignments are given so that students have a place to eat.

Michigan Cyber Safety Initiative

The Michigan Cyber Safety Initiative (CSI) is a national, award-winning program and has been presented to more than one million students. It teaches children the importance of being safe, making smart decisions, and protecting themselves and others while online. [Click here](#) if you haven't reviewed the information with your child. The website is also below: www.safeteens.com/tips-to-stop-cyberbullying

Non-Emergency Deliveries and Messages

Messages cannot be delivered to students during school hours. Non-emergency messages and deliveries will take place only at the end of 1st hour, lunchtime and at the end of the day. Students will not be released during class to report to the office to pick up messages or items brought in during the school day. Lunches will be sent to the cafeteria and distributed.

Office Telephone Use: How, When and Why?

Office telephones are available to students in case of illness and special circumstances. Students should ***not*** use cell phones to call parents to report illness, accidents, or to request to leave school. Students should report to the main office.

Parents and Visitors

Everyone who enters Davis Junior High **must report to the Main Office**. This is a school district policy and in place to keep all students safe. You will need to sign in, put a visitor's pass on, and our office staff will be glad to assist you. Please do not attempt to gain access to the school through a side door or when students are leaving the building at dismissal.

PowerSchool Information

Parents and students can view their student's schedules, attendance and grades. Parents with multiple UCS students can now create an account to access all of their data with a single login. Parents will need the access ID and access password for each student. Access IDs and passwords follow students from year to year.

School Safety Information

Student and staff safety remains a priority for our school. Our district uses a multi-layered approach to proactively prepare for any type of emergency that is focused on training, school-based emergency plans, an emergency preparedness team consisting of law enforcement, mental health support, and constantly reviewing our facilities to determine improvement needs to enhance security. Recently, our staff has been engaged in training related to "Standard Response Protocols." The protocols identify five specific actions that use common language related to a potential incident: Hold, Secure, Lockdown,

Evacuate and Shelter. The poster below is what we have had in every classroom in Utica Community Schools in English, Arabic and Spanish since the beginning of the school year.

To show students their role during these standard response protocols, we will be presenting the following video (<https://youtu.be/Nvkz7iomzca>) that features a high school age student demonstrating how to react during each action area. It provides training in a very relaxed and engaging way directed at secondary students. Following the viewing of the video and discussion with their teacher, students will continue practicing the school/safety drills using the standard response protocols. Thank you for your continued partnership to keep our students and staff safe.

Standard Response Protocol

UCS staff has been trained in the district's Standard Response Protocol used in the event of an emergency situation. Training for students is now ongoing.

The protocols have five stages:

- Hold! in the room or area and clear the halls
- Secure - Get inside. Lock Outside Doors.
- Lockdown! Locks, lights, out of sight
- Evacuate! (A location may be specified)
- Shelter - Hazare and safety strategy

Every classroom in UCS has a poster that identifies these strategies. To view the poster, please see this [link](#).

Security

The front doors will be locked during school hours. To gain access at Door #2, ring the button near the far-left door at the main entrance. Office staff will see you through the security camera and unlock the doors if deemed appropriate. Please report directly to the main office.

Student Cell Phones/Use of Electronic Devices

As we prepare to begin a new school year, it is important to revisit some district and building policies in regard to use of electronic communication devices (ECD.) With the permission of teachers, student may use cell phones in the classroom for educational purposes. **Students may not use cell phones to take pictures, text or call during the school day. Students may use their cell phones before school and after school, in the hallways, and at lunch.**

Student ID Badges

All junior high students are required to wear their ID badge at all times. Students will get their IDs after Picture Day this year, so there will be a month where students will not be required to wear IDs. Once students receive their ID after school picture day, we always expect them to be worn. They need to be visible and, on a lanyard, which we will provide.

Student Planners

Davis will once again be using a student planner and students will receive these books at Raider Day. The planner is a combination assignment book, classroom pass system, and organizational tool. Replacement or additional planners can be purchased at a cost of \$5.

Student Supplies/Backpacks

Student general school supplies will include backpack, laptop, charger, headphones, writing utensil and notebooks/binders.

Social Media Information/School and Parent Responsibility

Students should not be using social media sites such as Twitter, Instagram, Facebook, Snapchat, Kick, etc. during school hours. If students are using these sites off school grounds, monitoring of the sites and student use is the sole responsibility of the parent. School staff will not be responsible for this outside of school. Should social media information create a substantial disruption to the school, you may be contacted and/or disciplinary action will be taken depending on the severity of the incident. As the parent, if you feel that your child's safety and or privacy has been violated through social media outside of school, please contact the police as a first step intervention.

Weekly Communication – Newsletter (Davis Raider Review)

The "Davis Raider Review" is an electronic newsletter that will be emailed through school messenger weekly (Thursday afternoons) to all parents and will start during the first week in September. The newsletter will be archived monthly on the Davis website and is a great way to keep up on events and information from the school.

Yearbooks on Sale

Order your Davis Junior High yearbook during Raider Day for \$40. **After Raider Day, yearbooks are \$43.** Make sure to keep the receipt in a safe place so your child can bring it when yearbooks are distributed.

Information Regarding the Next Phases of the Bond Project

This summer begins the most comprehensive facility improvement project in the history of Utica Community Schools. Over the next several years, renovation and construction projects across our district will address critical building needs and start the process of transforming our buildings to support future generations of students.

Safety remains the priority for the first phase of our bond issue. At Davis Junior High and other district schools, improvements will include door replacements with metal door frames as needed, upgrades to shatter-resistant glass, corridor entryway enhancements and the continued implementation of our nightlock system.

More information on the summer and fall 2024 projects is at this [link](#). In addition, the “Bond Project List by School” link on the page has been updated for additional scheduled improvements at Davis Junior High and those in our attendance areas.

Over the next few months, Utica Community Schools will be sharing more information on the strategic vision of UCS school facilities. Thanks to our voters, we are in a unique position to transform our facilities in a way that provides additional layers of safety, builds community pride, and creates spaces that will give our staff the tools they need to empower our students.
