

Save The Date, *November 7, 2022* for the Class Of 2023 Senior Banquet

Dear Class of 2023 Families,

WELCOME TO SENIOR YEAR!

As our children navigate this milestone year, frenzied with preparation for the next chapter of their lives, we want to continue making cherished memories and celebrating their friendships. In this spirit, the year is filled with Manhasset High School senior year traditions! We begin with the Senior Banquet! At this giant event, seniors and their parents celebrate with Senior Superlatives, the Video Montage, and a "now and then" Photo Book!

We ask that you save the date, **Monday, November 7, 2022,**
6:30 pm to 10:30 pm, at Leonard's Palazzo, Great Neck, NY.

In preparation for the Photo Book and Video Montage, we ask that you begin your search for the perfect photos! These always bring huge smiles to our children, their teachers, and of course, to the families that have seen your children come in and out of their homes throughout the years....

Importantly, this event is the biggest fundraiser for the Class of 2023 Frolic, traditionally held on graduation night. The Silent Auction and Raffles will help to raise the funds for the Frolic.

As your family considers donations for the Silent Auction, we offer the following suggestions that have been super successful in the past: Student Artwork, Tickets to sporting events, concerts, or theater; Golf Outings; AirPods, Ipads, and the like; Vacation Rentals or Get Aways; Jewelry, Handbags, Americana Gift Cards, Restaurant Gift Cards, Spa or Salon Gift Cards, etc... We ask you to, where possible, support our local businesses! We are grateful for your donations and help in making this event a great success!

Details on where to drop off Silent Auction donations, and where to email photos for the Montage and Photo Book to follow shortly! Thank you for your continued support!
