## Staff VS. 6 Graders Kickball By Wyatt Hansen and Coen Plummer

The tradition of the 6th grade vs staff kickball game has been a highlight of the school year. We interviewed the PE teacher Rondel Korbelik, also known as Mr.K. We asked him if he liked playing kickball with the 6th graders and he happily said yes. When we asked him how it all began he said this. "We start by teaching the fundamental rules. Like what you do with 1 out, what you do with 2 outs. I teach situations, how you pitch, no lead offs, no steals. We put dots on the floor for positions." Why do the 6th graders and the teacher get to play kickball? "We use it as a send off game, like volleyball, something different but something fun to do."

## Graduation Walk by Layah Gude, Tyler Rainey, and Kate Hoybook

So every year, we have the graduates that went to Hillside come back to Hillside and do a thing called a Grad Walk. We all sit out in the hallway while the graduates walk through the school. We interviewed a few of the graduates and this is what they had to say.

We talked to Lily and Riley after the grad walk was over. They were feeling good and happy after walking through Hillside to the cheers of the Hillside students.

How do you like school? They both like school.
