PRINCIPAL MESSAGE

Dalmatian Families,

We hope everyone was able to stay warm and safe during the recent cold weather. As we move into the week of January 26th, our students are showing focus and determination in classrooms across Anne Sullivan Elementary. It has been wonderful to see our Dalmatians growing in confidence as they settle into routines and take ownership of their learning.

This week, we will continue our middle-of-the-year MAP assessments. These assessments provide valuable information about student progress and help teachers plan instruction that supports each learner. Our staff is committed to creating a calm, supportive testing environment so students feel comfortable and ready to do their best.

Alongside MAP testing, instruction remains engaging and purposeful as students strengthen skills in reading, writing, and mathematics. We appreciate families' support in helping students arrive on time, get enough rest, and maintain positive routines at home.

Thank you for your continued partnership and support. Together, we are helping our students grow, succeed, and continue to Learn, Inspire, and Lead.

ASE students will Learn...Inspire...and Lead...We are ASE!

NOVEMBER VIP

Jenni Kisner is our Volunteer of the Month for November! Jenni is serving her second year as the ASE PTA Room Rep Coordinator, and has worked tirelessly with grade level leads to ensure a smooth and successful school year, including celebrating teacher birthdays, decorating classroom doors, and coordinating class parties across all grade levels. She is always answering parent questions in grade level WhatsApp chats and lending a hand any time help is needed.

In November, she also assisted in setting up the school Christmas tree and Polar Express train, chaperoned the Kindergarten field trip to the Houston Museum of Natural Science, and volunteered her time to help Mrs. Moore shelve library books.

We are so grateful to Jenni for dedicating countless hours to our students, teachers, and families at ASE!

DECEMBER VIP

ASE PTA is excited to announce Cristina Goolsby as our Volunteer of the Month for December! In her role as one of the 5th Grade Leads, she has spent countless hours helping with 5th grade shirts and prepping for their special events, including Colonial Day, Service Project, handing out the 5th grade cards to nursing homes, as well as decorating the cafeteria and creating balloon backdrops for the 5th grade NYE party.

Despite being busy with all the 5th grade events, she still dedicates her time each month helping Mrs. Moore to shelve library books.

Thank you, Cristina, for all you do for our school!

COUNSELOR CORNER

This month, we are focusing on perseverance, which means doing your best and not giving up, even when something feels hard. Perseverance teaches children to keep going through challenges,

emotions, and social situations. By practicing perseverance, children build confidence, resilience, and problem-solving skills.

January 26th -30

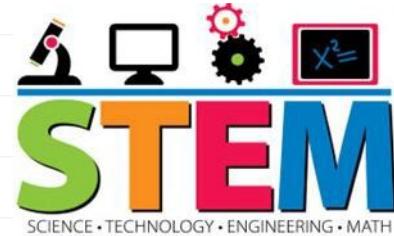

Perseverance in Friendships

Friendships take practice and patience. When a child feels left out or has a disagreement with a friend, encourage them to talk about their feelings and try again the next day. Learning to repair friendships helps children understand that relationships can grow even after tough moments.

A colorful, hand-drawn style newsletter for Anne Sullivan Elementary. The title 'Anne Sullivan Elementary COUNSELOR CONNECTION' is at the top. The newsletter features sections for 'NEWS FROM THE COUNSELORS', 'All About Perseverance', and 'Check out these reads!'. It includes a 'IMPORTANT DATES' section with a 'HAPPY NEW YEAR!' graphic and a 'Counselor Corner' with a 'Counselor of the Month' section.

PARENT VOLUNTEERING

In order to volunteer at an ASE event, every volunteer must complete a [Background Check](#) each school year online. We encourage all adults to complete one before school begins. The verification process takes a few business days.

[Parent resources](#) can be found on the FBISD main webpage. Including information about bus routes, extended learning, district calendar, and more!

RAINY DAY DISMISSAL

Rainy Day dismissal pertains only to those families whose children walk or ride a bike to school each day. Each parent of a child who walks or rides a bike is required to notify the homeroom teacher of a Rainy Day alternative plan.

At 2:45 p.m. a Blackboard Connect notice will be sent to parents informing the community of a Rainy Day Dismissal. Walkers/bikers will either become a car rider or remain a walker. If your child remains a walker, he/she will meet you at the normal pick-up location. Parents are not permitted to come to the building doors or encroach on the campus sidewalks to get their children in the rain. This can lead to an unsafe dismissal.

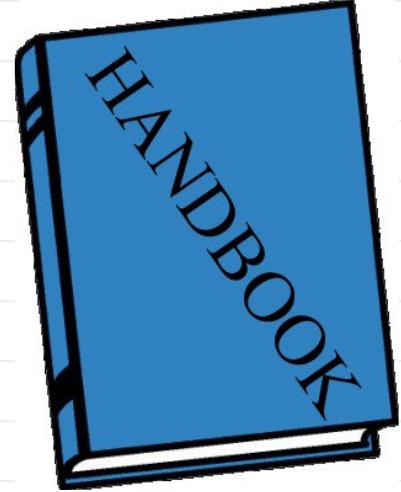

All other students going home on buses, in cars, or daycare vans will not have a change in dismissal.

ASE PARENT HANDBOOK

This handbook is full of information for ASE families to reference throughout the year. Changes or updates to the document will be noted here in the Smore.
