

Middle School East empowers learners to succeed now and in the future.

We are **Respectful**, we **Own** our behavior, and we are **Careful** and **Kind**.

Virtual Learning Expectations

Dear Families / Caregivers,

As we enter into this time of virtual learning, we encourage you to provide a predictable, consistent, positive, and safe environment for learning. At East, we set daily common expectations, teach, reteach and acknowledge the expectations through East ROCKs. We encourage you to strengthen the partnership between home and school with East ROCKs by connecting school expectations to home expectations.

Please read and review the Virtual Behavioral Expectations included in this document with your child(ren) and find opportunities to practice. We encourage using a positive approach which includes:

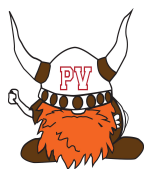

1. Outlining the expected behavior in a clear, concise way so everyone is on the same page (adults and children).
2. Teaching the expected behavior and reteaching when there are struggles.
3. Acknowledging children when they are doing well.
4. Celebrating when goals are reached.

East teachers will reference the Virtual Behavioral Expectations and will continue to teach, reteach, and acknowledge from afar. We appreciate your support as we navigate new ground and are able to strengthen the school-home relationship more than ever!
