

Directions for Trojan Trail Entrance:

1. **Parents** and **students** will enter the parking lot from Trojan Trail as shown by the red arrows. Make sure you stay in the lane on the right because vehicles will be exiting the parking lot using the left lane.
2. **Parents** and **students** are to follow the path of the red arrows. **Parents** nor **students** are to turn in the area on the right (identified with a stop sign shaped symbol) when passing the portables.
3. Once you enter the student drop off area (identified with green arrows), **students** will continue their route following the red arrows (left lane). **Parents** will follow the route of the green arrows (right lane).
4. **Parents** dropping **students** off will be permitted to drop **students** off in the areas with green arrows
 - a. **SAFETY:** **Students** being dropped off should exit the vehicle on the opposite side on oncoming vehicles.
 - i. If dropping off along the trees, **students** should exit the vehicle on the side of the trees because there will be a flow of vehicles traveling the path of the red arrows.
 - ii. If dropping off along the green arrows near the front of the school and sidewalk, **parents** should be in the right lane, and **students** should exit the right side of the vehicle nearest the side walk. The left lane is for **parents** to be able to go around vehicles that are dropping **students** off so that they can exit the campus.
 - b. There is one exit lane out of the parking lot so please be patient and have your **student** ready to exit the vehicle when you reach the designated drop off areas.
 - i. The flow of vehicles exiting the parking beyond the student drop area is identified by the black arrows on the map.
5. **Student** drivers should follow the path of the red arrows (left lane), enter the parking area as shown by the red arrows, and find a parking space that is not marked reserved.
6. You will be notified if there are any changes to this plan.
