Dear Baldwin Families,

I hope that this correspondence finds you well and excited about the upcoming school year. ***Know Your School Night*** is an excellent way to learn more about your child's academic program and our learning community as well as to either build, or continue to develop relationships with our teachers, administrative team, and support staff. To that end, you are cordially invited to our annual ***Know Your School Night***, which will be held on Tuesday, September 24th beginning at 6:55 pm.

Know Your School Night affords you a unique opportunity to walk in your child's shoes and experience a typical school day. During ***Know Your School Night*** you will follow your child's program, meet their teachers, learn about the syllabus, grading policies, and classroom expectations. In addition, you will learn about the educational and extra-curricular programs offered at our school. Although you will not have an opportunity to discuss your child's progress during ***Know Your School Night***, you are encouraged to make an appointment to meet with your child's teacher and/or school counselor at a later date should you desire more individualized information.

You will find a blank student schedule form included with this letter. Please ask your child to fill in their ***Day A*** schedule or you can find it on the Parent Portal. This will be the schedule that you will follow on **Tuesday, September 24, 2024**. When the schedule indicates a double period, lunch period, or a free period, it is suggested that you use the time to visit the Commons where you can learn about our Booster clubs and the PTSA. Please visit the School Counseling office to see the school counselors and if you need any assistance with the Parent Portal. Our program for ***Know Your School Night*** will begin with a greeting at 6:55 pm. **Period 1 will begin promptly at 7:00 pm.**

I look forward to seeing you on Tuesday, September 24.

Sincerely,

Dr. Neil Testa
Principal
