GRëäT NëWS PäRëNTS!

We are excited to offer you a convenient and easy way to see when your student's bus is approaching the bus stop.

My Stop is an app you can download right to your smart phone. The app is called **Versatrans My Stop** and is absolutely free to you! Once you download it, follow the prompts to sign up your student(s).

Your username is your student's ID number and the password is your student's 8-digit birthdate

(Example: Birthdate 07/27/2016—password 07272016).

If you have any questions, please contact the Transportation Department at 309-693-4418.
