NASSAU COMMUNITY COLLEGE
STATE UNIVERSITY OF NEW YORK

Dual Enrollment Program for the 2023-2024 Academic Year

Nassau Community College’s Dual Enrollment Program provides Nassau County High School students with the opportunity to take college level courses in their high schools during the regular school day. These courses give high school students the opportunity to experience a challenging, college-level course and earn high school and college credit concurrently. Credits can be applied to Nassau Community College or transferred to most four-year colleges and universities.

Students participating in the program are registered Nassau Community College students and will also have access to college resources while taking these courses.

➤ **Eligibility**
Students must be in 11th or 12th grade, students in 9th or 10th grade will need to be recommended by their school Principal, Teacher, or School Counselor.
